

Fluence Achieves Positive Quarterly Cashflow

Melbourne, New York 10 July 2020

Fluence Corporation Limited (ASX: FLC) is pleased to announce that it has achieved positive operating cashflow for the quarter ended June 30 (Q2 2020) in line with previous guidance. The Company's cash balance at the end of Q2 2020 was approximately US\$20.0 million, up from US\$16.9 million at the end of the first quarter.

Commenting on Fluence's financial performance, Managing Director & CEO Henry Charrabé said: "Streamlining our operations and focusing on timely collections from customers enabled us to turn our operating cashflow positive. Despite global challenges and the economic slowdown, the Company is now in a stronger cash position with approximately US\$20.0 million cash on hand at the end of June, than compared to US\$16.9 million at the end of March."

Further detail regarding the Company's financial and operating performance will be provided in the forthcoming Q2 2020 business update at the end of this month.
