8.8 If Item 8.7 is less than 2 quarters, please provide answers to the following questions:

1. Does the entity expect that it will continue to have the current level of net operating cash flows for the time being and, if not, why not?

Answer: No. The quarterly cashflows are impacted by the tail end of expenses from the Company's drilling program so it is expected that net operating cashflow shortfall will reduce

2. Has the entity taken any steps, or does it propose to take any steps, to raise further cash to fund its operations and, if so, what are those steps and how likely does it believe that they will be successful?

Answer: Yes the Company is in ongoing dialogue with a number of funding sources and since June 30 has raised a further \$165,000 with discussions in progress on further funding.

3. Does the entity expect to be able to continue its operations and to meet its business objectives and, if so, on what basis?

Answer: The Company expects to continue its operations and meet its business objectives based on its past performance and current support for its ongoing development
