Highlights:

- **Giving Brands Company signs distribution agreement with CARE Distributors to supply MICRO19 hand sanitiser to transport and infrastructure industries**
- **CARE Distributors is a specialist supplier of automotive and industrial products in Australia**
- **3-year exclusive agreement, with minimum sales target of \$3M for the term**

MELBOURNE: 17 August 2020: Wellness and Beauty Solutions Limited (ASX: WNB) (“WNB” or “the Company”) today announced wholly owned subsidiary The Giving Brands Company Pty Ltd (GBCo) has signed a distribution agreement (Agreement) with CARE Distributors Pty Ltd (CARE) for to supply MICRO19 hand sanitiser products to the Australian transport and infrastructure industries.

The three-year agreement grants CARE the exclusive right to distribute the full MICRO19 range exclusively in the Transport and Infrastructure sectors in Australia, including to automotive repairs and suppliers, transport and logistics, and commercial product retailers.

Exclusivity is granted on the provision CARE achieves a minimum sales target of \$3M over the term of the agreement. The Agreement is continuous until termination and can be terminated by either party with written notice or by breach of the Agreement.

The MICRO19 brand was launched in March 2020 to meet the strong growth and expected long-term demand for quality, efficacious hand sanitiser products. MICRO19 products are effective against 99.99% of germs and the retail range is currently available in a number of allied health services locations, at retailers including Chemist Warehouse, and via e-commerce.

In response to the strong increase in demand from business and industrial customers for hand sanitiser products, GBCo has extended the MICRO19 range to include commercial-size products, and floor and counter stands.

Christine Parkes WNB Managing Director said: "The transport and automotive industries remain a high-risk contact point for coronavirus transmission due to employee mobility and consumer contact in these sectors. We are pleased that, through this agreement with CARE, the full range of efficacious MICRO19 hand sanitiser products can be provided to Australian workers who need them."

Travis Rainsford, CARE General Manager said: "In the current challenging business environment, CARE is being responsive and innovative in ways it can support customers across the automotive and industrial industries. We chose to work with GBCo to distribute MICRO19 because we identified the products are high quality products, and because MICRO19 is made in Australia, by an Australian company, using Australian ingredients which aligns with our company's ethos."
