

ASX Announcement
31 August 2020

Appointment of non-executive director Kathrin Mutinelli

Knosys (ASX: KNO) is pleased to announce the appointment of Kathrin Mutinelli as an independent non-executive director of the company, effective 1 September 2020.

Kathrin, who is based in Brisbane, is an MBA qualified director with over 15 years of strategic, performance-driven management consulting experience. Kathrin is currently managing director of Stratico Pty Ltd, operating as a strategy advisor and providing advice to boards on risk management and board effectiveness.

Knosys Chairman, Alan Stockdale, said today that the existing Knosys Board, management and staff are delighted to welcome Kathrin Mutinelli to the Knosys Board.

“Kathrin brings a suite of skills and experience that will be of great value to the company. Kathrin holds an MBA and has extensive experience in developing and implementing performance-driven business strategies and driving corporate value creation as a senior executive and a consultant.

Kathrin also has direct experience in developing and implementing growth strategies across the APAC, and is completing a Masters in Philosophy in High Growth and High Performance Firms at QUT. This experience is a good fit with the emerging shape of Knosys’ business”, said Mr Stockdale.

“We are confident that Kathrin’s appointment to the Knosys Board will be rewarding for Kathrin, the company and Knosys shareholders.”

ABOUT KNOSYS

Knosys is a growing Australian cloud software company that is simplifying enterprise knowledge to improve the productivity of employees and improve customer experience. Our KIQ Cloud service is the knowledge management solution transforming the digital workplace by ensuring all forms of knowledge are accurate, relevant to the user, compliant and easy to find. The KIQ Cloud knowledge management platform is intuitive and does the hard work. It uses the knowledge of real experts and the analytic power of machine learning to organise and share information for greater productivity. It is an organisation-wide solution for all industries, trusted by businesses and enterprises in the banking, telecommunications and government sectors.
