Shareholders are eligible to participate in the SPP if they had a registered address in Australia or New Zealand on IOOF's register as at 7:00pm (AEST) on Friday, 28 August 2020 (**Eligible Shareholders**).

The SPP is subject to the terms and conditions set out in the SPP booklet, which is being sent to Eligible Shareholders today. A copy of the SPP booklet is attached. The information in this Offer Booklet is not investment advice or a recommendation to acquire New Shares and has been prepared without taking into account your investment objectives, financial circumstances or particular needs as an investor (including financial and taxation considerations). It is recommended that you read the entire Offer Booklet and seek professional investment advice from your financial adviser or other professional adviser before deciding whether to apply for New Shares.

The SPP is a part of the capital raising announced by IOOF on 31 August 2020, which also includes a pro rata accelerated non-renounceable entitlement offer of New Shares (**Entitlement Offer**) and a placement of ordinary shares to institutional investors to raise approximately \$1,040 million (**Placement**). A cooling-off regime does not apply in relation to the acquisition of New Shares. You cannot withdraw your Application once it has been submitted.

By submitting your Application, you are accepting the risk that the market price of Shares may change between the date you submit your Application and the Issue Date. This means it is possible that, between the time you make your Application and up to or after the Issue Date, you may be able to buy Shares on market at a lower price than the Issue Price. IOOF will not issue New Shares to an applicant if those New Shares, either alone or in conjunction with the issue of New Shares under other Applications received by IOOF, would contravene any law or the ASX Listing Rules.

Eligible Shareholders should be aware that an investment in IOOF involves risks. The key risks identified by IOOF are set out in the "Key Risks" section to the Investor Presentation that was released on 31 August 2020. CHAIRMAN'S LETTER

7 September 2020

Dear Shareholder

SHARE PURCHASE PLAN OFFER

On behalf of the Board of IOOF Holdings Ltd ACN 100 103 722 (ASX Code: IFL) (**IOOF** or the **Company**), I am pleased to offer you the opportunity to participate in IOOF's recently announced Share Purchase Plan (**SPP**). The SPP provides each Eligible Shareholder with an opportunity to apply for up to A\$30,000 worth of fully paid ordinary shares in IOOF (**New Shares**). Participation is optional.

The SPP is a part of the capital raising announced by IOOF on 31 August 2020, which also includes a pro rata accelerated non-renounceable entitlement offer of Shares (**Entitlement Offer**) and a placement of ordinary shares to institutional investors (**Placement**). The Entitlement Offer and Placement are fully underwritten and will together raise approximately \$1,040 million.

As announced on 2 September 2020, the institutional component of the Entitlement Offer and the Placement have been completed, together raising approximately \$734 million.

The proceeds from the Entitlement Offer and Placement will be used to partly fund the acquisition of 100% of NAB's wealth management business (MLC) for \$1,440 million, subject to completion adjustments and as announced to the market on 31 August 2020 (**Acquisition**). The balance of the consideration for the Acquisition will be funded through cash and available debt facilities, including a new \$200 million subordinated loan note issued to NAB. Net proceeds from the SPP will add further balance sheet flexibility to IOOF.

Details of the Acquisition

The acquisition of MLC is a significant opportunity for IOOF and will create a leading diversified advice-led wealth manager in Australia. The transaction will position the combined entity as the largest retail wealth management platform provider with \$196 billion of FUA and the largest advice business by number of financial advisers (~1,800¹) as at 30 June 2020.

Further information about the Acquisition, including its strategic and financial benefits, is detailed in IOOF's ASX announcement and investor presentation lodged with the ASX on Monday, 31 August 2020.

The Acquisition is subject to APRA and ACCC regulatory approvals and other customary conditions and is expected to complete before 30 June 2021.

The SPP offer

The SPP is being offered exclusively to all eligible shareholders, being registered holders as at 7.00 pm (AEST) on 28 August 2020 (**Record Date**) with a registered address in Australia or New Zealand (**Eligible Shareholders**).

The SPP provides Eligible Shareholders with an opportunity to apply for up to \$30,000 in New Shares irrespective of the number of Shares they currently own. New Shares purchased under the SPP will be at \$3.50 per New Share (**Issue Price**), which is the same price as under the Entitlement Offer and the Placement. There are no brokerage or transaction costs of participating.

¹ Assumes all current MLC financial advisers transition to IOOF.

The SPP target amount is \$50 million, although IOOF may increase this amount at its absolute discretion, and is not being underwritten. If total demand for the SPP exceeds \$50 million, IOOF reserves the right to scale back the maximum number of New Shares issued to each Eligible Shareholder at its absolute discretion (**Scale Back**). Any Scale Back will be applied on a pro rata basis to all participants based on the size of their existing holdings as at the Record Date. If IOOF scales back applications, you may be allocated fewer New Shares than the number for which you applied, and you will be refunded the difference in the Application amount (without interest payable on funds prior to your refund). No brokerage, commissions or other transaction costs apply to purchases under the SPP.

Participation in the SPP is entirely voluntary. All New Shares issued under the SPP will rank equally with existing Shares, except that they will not be eligible for the dividend declared on 31 August 2020.

IOOF is committed to ensuring that all Eligible Shareholders have the opportunity to participate in the SPP.

How to accept this offer

To apply for New Shares under the SPP, please follow the instructions on the enclosed personalised Application Form.

Details of the SPP Offer, including how to apply, are contained in this Offer Booklet. The fastest and easiest way to apply and pay is by BPAY[®]², or you can complete and return the enclosed personalised Application Form with your application monies. Please ensure that the Register receives your Application and application monies by the Closing Date (expected to be 5.00pm (AEST) on 16 September 2020).

This Offer Booklet sets out the details and the terms and conditions of the SPP and I encourage you to read it carefully and in full, and to seek your own financial and taxation advice in relation to the SPP Offer, before making a decision on whether to participate. In addition, Eligible Shareholders should also carefully consider some of the key risks of an investment in IOOF, including the "Key Risks" section of the Investor Presentation released to ASX on 31 August 2020. This can be obtained from the ASX's website (www.asx.com.au) or at <https://www.ioof.com.au/>.

The SPP Offer opens at **9.00 am (AEST) on 7 September 2020** and will close at **5.00 pm (AEST) on 16 September 2020**. Late applications will not be accepted. However, IOOF reserves the right to vary the Closing Date without prior notice subject to the Corporations Act and the Listing Rules.

If you have any additional questions you can call IOOF's SPP Information Line (see details in the Corporate Directory at the back of this Offer Booklet).

On behalf of the board of directors of IOOF, I thank you for your ongoing support of IOOF and look forward to your participation in the SPP Offer.

SPP TERMS AND CONDITIONS

Defined words and expressions used in this Offer Booklet are capitalised. See the Definitions section at the end of this Offer Booklet for their definition.

Please read these SPP Terms and Conditions carefully as you will be bound by them if you apply for New Shares. Eligible Shareholders whose Applications are accepted will also be bound by IOOF's Constitution.

IMPORTANT NOTICE: The market price of Shares may rise or fall from now to when the New Shares are issued or allotted to you under the SPP. If you apply to participate in the SPP by completing and returning the Application Form (or otherwise making a valid application in accordance with these Terms and Conditions), you are accepting the risk that the market price of Shares may change between the time you make your application and the Allotment Date. This means it is possible that, up to or after the Allotment Date, you may be able to buy Shares at a lower price than the Issue Price. IOOF encourages you to seek your own financial and tax advice regarding your participation in the SPP.
