TYMLEZ completes Dual Listing on Frankfurt Stock Exchange

TYMLEZ Group Limited (“TYMLEZ”) (ASX:TYM) is pleased to announce the completion of a dual listing on the Frankfurt Stock Exchange.

The listing on the Frankfurt Stock Exchange is active as of today and makes it easy for European investors to buy and sell TYMLEZ shares and broadens the market to attract future funds. It also makes it easy for TYMLEZ’ European partners to acquire shares in TYMLEZ.

“There has been a lot of demand from European investors to have an easy access to trade TYMLEZ shares. With this dual listing we leverage ASX’s cooperation with the Frankfurt Stock Exchange and we fulfil a long time wish from European investors for easy access to trade possibilities of TYMLEZ shares” said Reinier van der Drift, CEO of TYMLEZ.

“Another advantage of this dual listing in Frankfurt is that it does not incur additional ongoing costs or reporting obligations” said Jitze Jongsma, CFO of TYMLEZ.
