ASX MARKET ANNOUNCEMENT

Update – Annual Report

Keybridge Capital Limited (Keybridge) advises that, due to current travel and work restrictions in Melbourne as a consequence of COVID-19, it is relying on the ASIC Corporations (Extended Reporting and Lodgement Deadlines – Listed Entities) Instrument 2020/451 dated 15 May 2020 (the “ASIC Relief”) to extend the lodgement date for its audited annual accounts and other documents required to be lodged with ASIC under section 319 of the Corporations Act 2001.

Keybridge will make further announcements to the market if there is a material difference between its unaudited annual accounts¹ and its audited annual accounts.

This announcement was authorised for release by the Company Secretary.
