

ASX: IVH MARKET RELEASE

Cancellation and Extension of Employee Loan Back Shares and Issue of Performance Rights

13 October 2020 | Melbourne, Victoria

Cancellation of Loan Back Shares

LiveHire Limited (ASX: LVH) ("LiveHire" or the "Company") advises that, in accordance with the Company's employee incentive plan ("EIP"), it will be undertaking an employee share scheme cancellation of 2,192,634 ordinary shares which are subject to loan-back arrangements under the EIP ("Loan Back Shares"). Further details are set out in the enclosed Appendix 3C.

The Loan Back Shares are presently held by former employees who are no longer entitled to the Loan Back Shares in accordance with the terms and conditions of the EIP.

The Loan Back Shares will be cancelled and the outstanding loans associated with the Loan Back Shares will be extinguished and, accordingly, will not require an outlay of cash by LiveHire.

The cancellation will be implemented on 30 October 2020.

Extension of Loan Back Shares

LiveHire further announces that the Company has agreed to vary the loan agreements for employees associated with certain Loan Back Shares to extend the following loan periods:

- the loan period for 1,235,577 Loan Back Shares, representing a total aggregate loan value of \$232,856.78 based on the original issue price of \$0.1885, was due to expire on 14 October 2020, being four years after the Loan Back Shares were issued. The loan period has now been extended for a further two years until 14 October 2022 at a cost of \$62,481; and
- the loan period associated with 1,072,849 Loan Back Shares, representing a total aggregate loan value of \$912,779.94, based on the original issue price of \$0.8508, was due to expire on 20 September 2021, being four years after the Loan Back Shares were issued. The loan period has now been extended for a further two years until 20 September 2023 at a cost of \$66,437.

There is no cash consideration involved in the extension and there are no tax implications for the holders of the Loan Back Shares or the Company.

In extending the loan periods, the Company is removing the need for the holders to sell their 2020 expiring Loan Back Shares, thus incurring an individual tax liability at this time and allowing more time for the 2021 expiring Loan Back Shares to be of value.

Issue of Performance Rights

The Company announces that it has issued 2,424,730 performance rights under the EIP ("Performance Rights") to key employees of the Company, as a short-term incentive, on the following terms:

- 2,174,730 Performance Rights will vest 3 months following the date of issue of the Performance Rights ("Grant Date"), provided that the relevant employee remains employed by the Company on that date and no notice of termination has been given;
- 250,000 Performance Rights will vest on the first anniversary of the Grant Date, provided that the relevant employee remains employed by the Company on that date and no notice of termination has been given;
- the Performance Rights will expire 4 years from the Grant Date; and
- the terms of the EIP will apply to the Performance Rights.

LiveHire considers talent as a critical contributing factor to deliver the growth and success of the Live Talent Ecosystem. Aligning key employees to value delivery, retention and IP creation is at the core of building a high performing culture and a competitive product in the global enterprise software market. The issuing of these Performance Rights and the term extension of the Loan Back shares mentioned in this announcement by the Board is reflecting this objective.

An Appendix 3G is attached.
