## About 5G Networks

5G Networks (5GN) is a licenced telecommunications carrier operating across Australia. Our mission is to be Australia's partner of choice for unifying a seamless digital experience for our customers across data connectivity, cloud and data centre services, underpinned by expert managed services in the business to business market.

5G Networks currently owns and operates its own Nationwide highspeed Data Network with points of presence in all major Australian capital cities. In addition, the Company offers managed cloud solutions through its Cloud and Data Centre capabilities as well as managed services to optimise customers' IT and network environments. Supporting this is the Company's combined rack capacity of 720 racks through its owned and operated Data Centres across Melbourne, Sydney and Adelaide.

As an organisation, we are dedicated and passionate about delivering unique value to our 2500+ customers which include several top 50 ASX listed and Government organisations. This commitment is strengthened by a core focus on digital leadership, innovation and an exceptional customer experience.
