Securities Trading Policy

1 Purpose of this Policy

The purpose of this Policy is for APN Group (**APN**) to raise awareness and articulate the obligations its Directors and staff have under the Corporations Act when undertaking investment/trading activities. While APN encourages its staff to be long term holders of APN Securities, it is important that the conduct of such activities complies with the applicable legislation and that the interests of APN's investors are always safeguarded.

The Policy provides a guidance on the behaviour APN expects its Directors and staff to uphold when undertaking investing/ trading in APN Securities and Securities in APN's Trading Universe. This is to ensure that we remain effective in deterring and preventing the occurrence of insider trading with the APN Group.

APN considers any breach of the law or this Policy as serious misconduct which may lead to disciplinary actions including dismissal.

2 Scope of this Policy

This Policy applies to all APN Staff (including Directors) in relation to all APN Securities, and Securities listed in APN's Trading Universe, and whether trading:

- (a) on their own account; and/or
- (b) on behalf of another person including family members, friends, Associates or related entities; and/or
- (c) on behalf of an APN Entity or APN Fund;

While this Policy only applies to APN Staff, please note that the insider trading prohibitions of the Corporations Act can also apply to family members, friends, Associates and related entities of APN Staff.

3 What is insider trading?

Insider trading is prohibited under Division 3 of Part 7.10 of the Corporations Act. Pursuant to the Act, insider trading occurs when an individual, while in possession of **inside information** (refer to section 4),

- (a) deals in (i.e. apply for, acquire or dispose of) the relevant Securities or enter into an agreement to do so;
- (b) procures another person to apply for, acquire or dispose of the relevant Securities or enter into an agreement to do so; or
- (c) directly or indirectly communicates, or causes to be communicated, that information to any other person if the individual knows, or ought reasonably to know, that the person would or would be likely to use the information to engage in the activities specified in section 3(a) or 3(b) above.

Insider trading attracts both criminal and civil liabilities under the Corporations Act.

4 What is inside information?

Inside information means information that is:

- (a) **not generally available;** and
- (b) **if the information was generally available, a reasonable person would expect it to have a material effect on the price or value of the Securities.**

Information is regarded as being likely to have a 'material effect' if a reasonable person would be taken to expect that such information would, or would be likely to, influence persons who commonly invest in the Securities or other traded securities in deciding whether or not to deal in the Securities.

Such information can include matters of speculation or supposition and matters relating to intentions or likely intentions of a person.

A list of matters that may be considered inside information relating to APN is set out in **Annexure A**. This list is indicative only and is not exhaustive.

5 What must you do prior to trading in APN Securities or Securities in APN's Trading Universe?

- (a) At all times, if a Staff member (including a Director) proposes to:
 - deal in APN Securities or Securities in APN's Trading Universe on his or her own account, including entering into an agreement to deal; or
 - deal in APN Securities or Securities in APN's Trading Universe on behalf of an APN Entity or APN Fund, including entering into an agreement to deal,
 they must consider each of the following questions:
 - (i) are there any restrictions on trading (refer to section 6)?
 - (ii) if yes, can exemptions apply (refer to section 7)?
 - (iii) has a Securities Trading Form been completed and submitted to the Company Secretary for confirmation?
- (b) Confirmation must be sought prior to any dealing in APN Securities or Securities in APN's Trading Universe. Confirmation cannot be granted after the event.
- (c) The Securities Trading Form is available on APN's intranet and must be sent to the Company Secretary for confirmation electronically upon submission.
- (d) Once confirmation is provided by the Company Secretary, the Staff member can proceed to conduct the requested trades.

Note:

- it is the responsibility of the Company Secretary on receiving the completed Securities Trading Form to provide a confirmation or to direct the Staff member not to undertake the proposed dealing. Staff must comply with any direction given relating to the proposed dealing;
- if a Staff member is directed not to undertake the proposed dealing, the Staff member must keep that information confidential and not disclose it to anyone;
- any confirmation provided by the Company Secretary that trading is permitted will be effective only for 24 hours from the time at which it is given, or as otherwise stated by the

Company Secretary. For the avoidance of doubt, this means that an on-market trade cannot be executed outside of that period (unless a new confirmation is provided), but may be settled in accordance with a trade executed within the permitted period; and

- confirmation by the Company Secretary does not constitute an endorsement, recommendation or approval of the dealing by or on behalf of any APN Entity, and does not impact your obligations in relation to insider trading. The confirmation merely exempts the relevant Staff member from the restrictions on trading which are imposed under this Policy.

6 When you can't trade

6.1 Trading in APN Entity or APN Fund

APN Staff members are not permitted to trade in any APN Entity or APN Fund under the following scenarios:

(a) When in possession of inside information

If an APN Staff member possesses inside information relating to an APN Entity or APN Fund, that person must not:

- (i) deal in the relevant APN Securities or enter into an agreement to do so;
- (ii) procure another person to deal in those APN Securities or enter into an agreement to do so; or
- (iii) pass on that information to anyone who is likely to engage in the activities specified in sections 6.1(a)(i) or 6.1(a)(ii) above.

Note:

- It does not matter how or in what capacity a member of Staff becomes aware of the inside information. Information does not have to be obtained from the APN Group to constitute inside information.
- A Staff member cannot avoid the insider trading prohibition by arranging for a member of that person's family or a friend to deal in Securities, nor may any Staff member give 'tips' to others concerning inside information relating to an APN Entity or APN Fund.

(b) During closed periods

A closed period is:

- (i) the period commencing on the day immediately after the end of the relevant Entity's financial half year and ending at the beginning of trading on the first trading day after the day on which the half year results announcement is made to the ASX by the APN Entity; and
- (ii) the period commencing on the day immediately after the end of the relevant APN Entity's financial year and ending at the beginning of trading on the first trading day after the day on which the annual results announcement is made to the ASX by the APN Entity;
- (iii) any other period determined by the Board or its delegate (Company Secretary). The Company Secretary may impose a closed period by notice at any time in respect of any APN Securities (including an unlisted fund). The period may apply only to selected APN Staff members (for example, Key Management

Persons) or otherwise, all APN Staff. The Company Secretary will notify of conditions and exceptions applicable, if any.

Certain exemptions can apply which allows for trading by an APN Entity or APN Fund during closed periods. Please refer to section 7.2 for details.

(c) For speculative purposes

Speculative purposes can encompass situations:

- (i) where such trading amounts to 'short selling';
- (ii) where the trading is directed at limiting the economic or financial risk associated with that Staff member's holding of APN Securities (including options over or rights in respect of APN Securities, and regardless of whether they have vested or remain unvested); or
- (iii) where such trading would otherwise enable that Staff member to profit from or limit the economic or financial risk of a decrease in the market price of the APN Securities.

6.2 Trading in Securities of a company or fund outside the APN Group

The restrictions in section 6.1(a) also apply to Securities issued by a company or fund outside the APN Group where the Staff member possess inside information relating to that company or fund. Such a company or fund could be (list not exhaustive):

- a joint venture or a collaborative partner of APN;
- one that APN has made (or intending to make) a takeover offer;
- one in which APN has a substantial interest (5% or more) in; and/or
- one that is listed in APN's Trading Universe.

7 Exemptions which allow you to trade

7.1 Permitted by law

The Corporations Act and the Corporations Regulations prescribe certain dealings or situations involving trading in Securities that are exempted from the insider trading prohibition in this Policy. These exemptions will also apply to APN Securities and include the following (list not exhaustive):

- (a) Employee incentive schemes - the application for, and acquisition under that application, of APN Securities under a scheme established solely or primarily for the benefit of employees; and
- (b) Underwriting arrangements - entering into an underwriting agreement or sub-underwriting agreement in respect of APN Securities and applying for, acquiring or disposing of APN Securities under that agreement, or any other transaction entered into by a person in accordance with certain obligations under an underwriting agreement.
- (c) Withdrawals from registered schemes - withdrawing from an APN Fund where the amount paid to you is calculated by reference to the underlying value of the assets of the APN Fund, less transaction charges for the withdrawal. For the avoidance of doubt, this does not include any Quoted APN Securities.

7.2 During closed periods

A Staff member (including a Director) can deal in APN Securities during closed periods, **subject to confirmation being obtained from the Company Secretary**, in the scenarios set out in **Annexure B**.

However, if the Staff member is in possession of inside information, they will still be prohibited from dealing in APN Securities even if one of the above scenarios exists.

8 Compulsory notifications of Directors

Directors must notify the Company Secretary and the ASX:

- (a) of any change to their holding of relevant interests in Quoted APN Securities;
- (b) whether the change to their holding occurred during a closed period; and
- (c) whether prior written clearance was required and, if required, whether it was obtained.

Whilst the Corporations Act requires directors to notify the ASX of any changes to their holdings within 14 days, APN is required under the ASX Listing Rules to notify these changes to the ASX within five business days of the change.

To enable APN to comply with the above obligation, Directors must provide the relevant information within three business days to the Company Secretary who will facilitate the transmission of these notifications to the ASX.

A summary of Directors Interest in APN Securities will be tabled at the next scheduled meeting of the Board. Directors are required to notify the Company Secretary immediately if any Directors Interest is recorded incorrectly.

9 Questions

If any member of APN Staff has any questions from time to time about the subject matter or requirements of this policy, that person should contact the Company Secretary in the first instance.

10 Changes to Policy

APN will review this policy periodically to ensure it remains appropriate to the legal and regulatory framework in which APN operates. Any changes will be communicated to APN Staff and posted on APN's intranet site and/or website (as deemed appropriate).
