**DISCLAIMER:** Past performance is not a predictor of future returns. This update has been prepared for information purposes only related to the underlying investment portfolio. The NTA figures provided in this document are unaudited and indicative. The NTA includes investment valuations derived from estimated mid-month gross performance for the period ending 15 November 2020 of the WCM Focused Global Growth Long-Short Fund, L.P. which includes management fee and performance fee estimates. The NTA is calculated after management fees and expenses, but excludes performance fees, incurred at the Company level. The NTA incorporates all Company assets including the Company's operating bank account. The NTA is based on fully paid share capital of 125,529,319. This document does not contain investment recommendations nor provide investment advice. Investors in LICs should understand the distinction between Investment Portfolio Performance, NTA Performance and Share Price return. Contango Funds Management Limited (CFML) ACN 085 487 421 is a Corporate Authorised Representative of Switzer Asset Management Limited (SAM) 312247 and the investment manager of CIE. Neither CIE, CFML nor their respective related entities, directors or officers guarantees the performance of, or the repayment of capital or income invested within CIE or any associated product. You are strongly encouraged to obtain detailed professional advice and to read any relevant offer document in full before making any investment decision. CIE may not be suitable for your investment needs. This is not an offer to invest in any security or financial product. © 2018 Contango Asset Management Limited
