# Appendix 3G

## Notification of issue, conversion or payment up of equity +securities

Information or documents not available now must be given to ASX as soon as available. Information and documents given to ASX become ASX's property and may be made public.

If you are an entity incorporated outside Australia and you are issuing a new class of +securities other than CDIs, you will need to obtain and provide an International Securities Identification Number (ISIN) for that class. Further information on the requirement for the notification of an ISIN is available from the Create Online Forms page. ASX is unable to create the new ISIN for non-Australian issuers.

\*Denotes minimum information required for first lodgement of this form, with exceptions provided in specific notes for certain questions. The balance of the information, where applicable, must be provided as soon as reasonably practicable by the entity.

### Part 1 – Entity and announcement details

| Question<br>no | Question                                                                                                                                                                                                                                       | Answer                                                                                                                                                    |
|----------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1.1            | *Name of entity<br>We (the entity here named) give notice of the issue,<br>conversion or payment up of the following unquoted<br>+securities.                                                                                                  | AD1 Holdings Limited                                                                                                                                      |
| 1.2            | *Registration type and number<br>Please supply your ABN, ARSN, ARBN, ACN or<br>another registration type and number (if you supply<br>another registration type, please specify both the type<br>of registration and the registration number). | ABN 29 123 129 162                                                                                                                                        |

<sup>1</sup> Exception 13

An issue of securities under an employee incentive scheme if within 3 years before the issue date:

- (a) in the case of a scheme established before the entity was listed a summary of the terms of the scheme and the maximum number of equity securities proposed to be issued under the scheme were set out in the prospectus, PDS or information memorandum lodged with ASX under rule 1.1 condition 3; or
- (b) the holders of the entity's ordinary securities have approved the issue of equity securities under the scheme as an exception to this rule. The notice of meeting must have included:
  - a summary of the terms of the scheme.
  - the number of securities issued under the scheme since the entity was listed or the date of the last approval under this rule;
  - the maximum number of +equity securities proposed to be issued under the scheme following the approval; and
  - a voting exclusion statement.

Exception 13 is only available if and to the extent that the number of +equity securities issued under the scheme does not exceed the maximum number set out in the entity's prospectus, PDS or information memorandum (in the case of (a) above) or in the notice of meeting (in the case of (b) above).

Exception 13 ceases to be available if there is a material change to the terms of the scheme from those set out in the entity's prospectus, PDS or information memorandum (in the case of (a) above) or in the notice of meeting (in the case of (b) above).
