### **About Aussie Broadband Limited:**

Aussie Broadband is an Australian owned and operated telecommunications company that was formed in 2008 and is based in Morwell Victoria, Australia.

The Company's main focus is nbn™ (NBN) subscription plans and bundles to residential homes, small businesses, not-for-profits, corporate/enterprise and managed service providers.

As a licensed carrier, the Company provides these services through a wholesale agreement with NBN Co, a mix of leased backhaul infrastructure from third parties and its own network equipment.

The Company also offers a range of other telecommunications services including VOIP, mobile plans, entertainment bundles through its partnership with Fetch TV and connections through the Opticomm network.
