## Correction statement to February 2021 Investor presentation

Ava Risk Group Limited (ASX: AVA) ("Ava Group" or "Company") wishes to advise of a typographical error on Slide 13 of the investor presentation released to market yesterday. The 3<sup>rd</sup> bullet point which read "Total contract value estimated at US\$11.9M+ (A\$16.7M+)" should have read "Total contract value estimated at US\$11.9M+ (A\$15.6M+)". The error was due to use of a prior, rather than current USD/AUD exchange rate. Management apologies for the error.
