Avecho Chief Executive Officer, Dr Paul Gavin, said: *"These funds will be used to advance Avecho's cannabinoid program, beyond the trials currently in development, which consist of our ongoing Observational study and Phase I PK study currently in the final stages of planning. It will support the finalisation of a pharmaceutical CBD TPM® dosage form, the conduct of a potentially pivotal Phase II/III clinical trial, and the development of the registration dossier for submission. Planning for this work will begin in parallel with the ongoing studies. Thank you to all those who have participated in this Placement."*
