Review and Results of Operations

First half trading recorded a group sales revenue (including discontinued operations) of \$13,916,068 compared to \$15,063,024 in the previous corresponding period. The Group reported a net profit from continuing operations of \$661,735 for the half year ended 31 December 2020, compared to the loss of \$1,061,599 in the previous corresponding period. The Group reported a total net profit of \$1,032,971 (including discontinued operations) for the half year ended 31 December 2020, being an improvement from a loss of \$2,560,366 in the previous corresponding period.

The results for the half year reflect the impact of the following key matters:

The sales growth in SKS Technologies Pty Ltd (our audio visual and electrical division) has shown a decline primarily due to the Covid-19 impact in Victoria during the first half of the year. Despite the overall decline, the group continues to have strong sales growth in South Australia. The pipeline of opportunities, as well as the size of opportunities, remains favourable across the regions in which the group operates.

On 7 August 2020, the group completed the sale of the commercial lighting business and assets under an Asset Sale Agreement. This enabled us to release more working capital for our core technology business which mainly contributed to the increased performance during the period. Further the group recorded sales of \$702,572 from the discontinued Lighting business, in the first half of the year mainly from a backlog of orders delayed due to Covid 19 and liquidation of inventory.

The group recovered insurance proceeds of \$217,538 as compensation for a loss suffered by the group and received government incentives of \$1,299,200 during the period.

Directors' Report (Cont'd)

Auditor's Independence Declaration

A copy of the auditor's independence declaration as required under section 307C of the *Corporation Act 2001* in relation to the review for the half-year is provided with this report on page 4.

Notes to Condensed Consolidated Half-Year Financial Statements

1. Basis of Preparation of the Half-Year Financial Report

The condensed consolidated half-year financial report does not include all notes of the type normally included within the annual financial report. It is recommended that this half-year financial report be read in conjunction with the annual financial report for the year ended 30 June 2020 and any public announcements made by SKS Technologies Group Limited during the half-year in accordance with any continuous disclosure obligations arising under the *Corporations Act 2001*.

This condensed half-year financial report covers SKS Technologies Group Limited and controlled entities ("the group"). SKS Technologies Group Limited is a company limited by shares, incorporated and domiciled in Australia. The address of SKS Technologies Group Limited's registered office and principal place of business is 53 Stanley Street, West Melbourne VIC - 3003. SKS Technologies Group Limited is a for-profit entity for the purpose of preparing the financial statements.

The half-year financial report was authorised for issue by the directors as at the date of the director's report.

(a) Basis of accounting

This condensed consolidated half-year financial report has been prepared in accordance with Australian Accounting Standard AASB 134 *Interim Financial Reporting*, as appropriate for for-profit entities, and the *Corporations Act 2001*. Compliance with AASB 134, as appropriate for for-profit entities, ensures compliance with International Financial Reporting Standard IAS 34 *Interim Financial Reporting*.

The half-year financial report has been prepared in accordance with the historical cost convention, as modified by revaluations to fair value for certain class of assets as described in the accounting policies.

The accounting policies applied in this half-year financial report are consistent with those of the annual financial report for the year ended 30 June 2020 and the corresponding half-year other than as stated below in Note 1(b).

(b) Summary of the significant accounting policies

The Group has applied all new and revised Australian Accounting Standards that apply to annual reporting periods beginning on or after 1 July 2020.

(c) Revenue

Revenue from the sale of goods is recognised when the customer receives the goods and ownership of the goods have passed and the costs incurred or to be incurred in respect of the transaction can be measured reliably. Ownership is considered to have passed to the buyer at the time of delivery of the goods to the customer.

Revenue from the provision of services is recognised as performance obligations are satisfied over time, via transfer of services to customers, which is measured based on stage of completion.

Notes to Condensed Consolidated Half-Year Financial Statements**(c) Revenue (cont'd)**

Certain customers may be invoiced in advance of provision of services and this amount is recognised as a liability until the group provides, and the customer consumes, the benefits of the services.

Interest revenue is recognised when it becomes receivable on a proportional basis taking into account the interest rates applicable to the financial assets.

All revenue is stated net of the amount of Goods and Services Tax (GST).

(d) Going Concern

The financial report has been prepared on a going concern basis which contemplates the continuity of normal business activities and realisation of assets and settlement of liabilities in the ordinary course of business.

The group generated a profit from continuing operations of \$661,735 during the half-year ended 31 December 2020 (half-year ended 31 December 2019 loss of \$1,061,599), and as at that date, the group's net assets deficiency was \$754,449 (30 June 2020: net assets deficiency \$1,774,336).

The group produced positive cash flows from operating activities for the half-year ended 31 December 2020 of \$1,726,173 (half-year ended 31 December 2019: negative \$201,191).

In the process of approving the group's forecast, the board has considered the cash position of the group within the next 12 months from the date of this report, further supported by the application of sensitivity analysis and stress-testing of the key revenue assumptions used with consideration to historical growth rate. Based on the assessment of the group's ability to achieve its growth targets, the board believes that the group will continue as a going concern and be able to repay its debts as and when they fall due. The board also acknowledges the group's access to the capital market should additional funding is required.

Accordingly, the financial statements have been prepared on the going concern basis, which contemplates continuity of normal business activities and the realisation of assets and settlement of liabilities in the normal course of business.

Directors' Declaration

The directors declare that:

In the directors' opinion, the financial statements and notes thereto, as set out on pages 5 to 16 are in accordance with the *Corporations Act 2001*, including:

- (a) complying with Australian Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*; and
- (b) giving a true and fair view of the financial position of the consolidated entity as at 31 December 2020 and of its performance for the half-year ended on that date.

In the directors' opinion there are reasonable grounds, at the date of this declaration, to believe that SKS Technologies Group Limited will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the directors.

Independent Auditor's Review Report
To the members of SKS Technologies Group Limited

Report on the Half-Year Financial Report

Conclusion

We have reviewed the half-year financial report of SKS Technologies Group Limited (Company) and Controlled Entities (the Group), which comprises the condensed consolidated statement of financial position as at 31 December 2020, the condensed consolidated statement of profit or loss and other comprehensive income, condensed consolidated statement of changes in equity and condensed consolidated statement of cash flows for the half-year ended on that date, a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of SKS Technologies Group Limited and Controlled Entities does not comply with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the Group's financial position as at 31 December 2020 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report. We are independent of the Group in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's review report.

Material Uncertainty Related to Going Concern

We draw attention to Note 1(d) in the financial report, which indicates that as of 31 December 2020 the Group's total liabilities exceeded its total assets by \$754,449.

As stated in Note 1(d), these events or conditions, along with other matters as set forth in Note 1(d), indicate that a material uncertainty exists that may cast significant doubt on the Group's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

Responsibility of the Directors for the Financial Report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility of the Review of the Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Company's financial position as at 31 December 2020 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
