Dear Melissa,

Request for voluntary suspension: 4D Medical Limited (ASX: 4DX)

4D Medical Limited (**Company**) requests a voluntary suspension to be applied to the Company's securities (ASX: 4DX) quoted on the Australian Securities Exchange (**ASX**), in accordance with ASX Listing Rule 17.2, from the commencement of trading today.

The voluntary suspension is requested pending an announcement by the Company to the market regarding a capital raise (**Stated Purpose**).

In accordance with ASX Listing Rule 17.2, the Company provides the following information in relation to the request:

1. The Company requested a trading halt on 26 February 2021 pending the announcement of a material grant.
2. In addition to the material grant, the Company is currently working on a proposed capital raise which will not be concluded prior to the expiry of the trading halt period.
3. The Company requests that the voluntary suspension remain in place until the Company releases an announcement in relation to the Stated Purpose. The Company expects the period of voluntary suspension to last for no longer than 2 trading days.
4. The Company is not aware of any reason why the voluntary suspension should not be granted or of any further information necessary to inform the market about the voluntary suspension.

Please contact me if you require any further information concerning this matter.

Sincerely,

4D Medical Limited

Charlene Stahr
Company Secretary
