

18 March 2021

## **Nitro Board and Executive Update**

**Nitro Software Limited (ASX:NTO) ("Nitro" or the "Company")**, a global document productivity software company driving digital transformation in organisations around the world, is pleased to announce a 12 month extension of Kurt Johnson's role as Executive Chairman. The terms of the extension to Mr Johnson's role are unchanged from those in the Company's announcement to the market dated 31 March 2020.

The Company has significantly strengthened its senior executive team in the past eight months to provide additional capabilities across a number of key functions at a time of significant growth and investment. The extension of Mr Johnson's executive role provides continued management depth as the Company pursues its strategic priorities and corporate development opportunities.

Mr Johnson, who has a background in finance and investment banking, assumed the role of Executive Chairman in March 2020. Lisa Ray Hennessy will remain Lead Independent Director, a role she also assumed in March 2020.

Sam Chandler, Nitro's Co-Founder and Chief Executive Officer, said: "Along with the rest of the Board of Directors, I am very pleased that Kurt has agreed to extend his appointment as Executive Chairman. Kurt has been a tremendous asset to the executive team at an important time. We're building the foundations for a very substantial enterprise software company and look forward to continuing to leverage Kurt's significant corporate development and leadership experience."

Mr Johnson's executive appointment will conclude on 31 March 2022. At that time, it is intended that he will resume his role as a Non-Executive Director and Chairman of the Company.

### **Ends**

Authorised for release to the ASX by the Board.
