If you appoint the Chair as your proxy and you do not direct the Chair how to vote, you will be expressly authorising the Chair to exercise the proxy even if the relevant Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel for the Company.

EXPLANATORY STATEMENT

ORDINARY BUSINESS

Receipt and Consideration of Financial Statements and Reports

A copy of the Annual Report for the financial year ended 31 December 2020 (which incorporates the Company's Financial Report, Directors Report (including the Remuneration Report and the Auditors Report) is not enclosed as there is no longer a requirement for the Company to incur the printing and distribution cost associated with doing so for all Shareholders.

You may obtain a hard copy free of charge by contacting the Company by phone at (03) 9692 7222 and you may request that this occurs on a standing basis for future years. Alternatively, you may access the Annual Report at the Company's website: <http://avecho.com.au/> or via the Company's announcement platform on ASX.

Except as set out in Resolution 1, no resolution is required on these reports.

Resolution 1: Adoption of Remuneration Report

Background

Section 250R(2) of the Corporations Act requires that a resolution to adopt the Remuneration Report must be put to the vote at the Annual General Meeting. The vote on this Resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report is set out in the Directors' Report in the Company's 2020 Annual Report. The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company.

In accordance with Section 250SA of the Corporations Act, Shareholders will be provided with a reasonable opportunity to ask questions concerning, or make comments on, the Remuneration Report at the Annual General Meeting.

The Corporations Act requires the Company to put a resolution to Shareholders that in accordance with Division 9 of Part 2G.2 of the Corporations Act, if twenty five (25%) per cent or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive Annual General Meetings, Shareholders will be required to vote at the second of those Annual General Meetings on a resolution (a "spill resolution") that another meeting be held within 90 days at which all of the Company's Directors (other than the Managing Director) must go up for re-election.

It is noted that at the Company's last Annual General Meeting, the votes cast against the Remuneration Report represented less than twenty-five (25%) per cent of the total votes cast and accordingly, a spill resolution will not under any circumstances be required for the Annual General Meeting.

The Directors will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the Meeting when reviewing the Company's remuneration policies.

Board Recommendation

Noting that each Director has a personal interest in their own remuneration from the Company (as such interests are described in the Remuneration Report) and, as described in the voting exclusions on this Resolution (set out in the Notice of AGM), that each Director (or any Closely Related Party of a Director) is excluded from voting their shares on this Resolution, the Board encourage all eligible shareholders to cast their votes in favour of this Resolution. The Chairman of the meeting intends to vote undirected proxies in favour of this Resolution.

Voting Exclusions

For voting exclusions refer to Note 5.

Resolution 2: Re-Election of Mr David Segal as a Director of the Company

Background

The Constitution of the Company requires that at every Annual General Meeting, one third of Directors shall retire from office and provides that such Directors are eligible for re-election at the meeting. Mr David Segal, being eligible, offers himself for re-election.

Mr Segal was appointed as a Non-Executive Director on 19 May 2016.

Mr Segal was the Investor Relations Manager of the Company from 2011 to 2015. He worked in stockbroking for over 30 years, where he set up and raised capital for and ran Trent Securities which was absorbed into Shaw Stockbroking in 1992. Mr Segal has been a shareholder of the Company since 1999 and has a close rapport with many shareholders whom he engaged with in his role as Investor Relations Manager or as an investment adviser at Shaw Stockbroking. He has a Law and Commerce degree from Melbourne University and is a Graduate of the Australian Institute of Company Directors.

Board Recommendation

The Board (with Mr Segal abstaining) recommends that Shareholders vote in favour of this Resolution. The Chair of the Meeting intends to vote undirected proxies in favour of Mr Segal's re-election.

Voting Exclusions

There are no voting exclusions on this Resolution.

Resolutions 3, 4, 5 and 6: Approval to Grant Options to the Directors (or their nominees)

Background

Resolutions 3 to 6 provide for a total of up to 17,971,397 unlisted options ("the Options") being granted under the Company's Equity Incentive Plan (the Plan), previously approved by shareholders on 13 July 2020, to the four Non-Executive Directors of the Company (or their respective nominees) as described below:

Director (or nominee)	Number of Options
Dr Gregory Collier	5,990,465
Mr David Segal	3,993,644
Dr Ross Murdoch	3,993,644
Mr Matthew McNamara	3,993,644
Total	17,971,397

The Options have an exercise price of \$0.0169 (1.69 cents) each and will expire 42 months from date of issue. The Options will vest in four tranches, as detailed below:

- a) Tranche 1: 25% of the Options to vest on or about the 28 May 2021 ("**Date of Issue**"), but no later than one month after the date of the meeting.
- b) Tranche 2: 25% of the Options to vest 12 months from Date of Issue
- c) Tranche 3: 25% of the Options to vest 23 months from Date of Issue
- d) Tranche 4: 25% of the Options to vest 36 months from Date of Issue

The Options will vest subject to service conditions being met on the vesting date unless a change in employment terms has been agreed in writing with the Company regarding the treatment of unvested Options where they cease to be Directors prior to the vesting date.

A summary of the material terms of the Options and Equity Incentive Plan are respectively set out in **Annexure A and B**.

Directors' Remuneration Packages and Interests

As at the date of this Notice, the details (including the amount) of the current total remuneration package of each of the Directors to whom (or to whose nominees) Options would be issued if Resolutions 3, 4, 5 and 6 are passed are:

Director (or nominee)	Remuneration Package Details (excluding the proposed Options)
Dr Gregory Collier	A\$100,000 per annum
Mr David Segal	A\$55,000 per annum
Dr Ross Murdoch	A\$55,000 per annum
Mr Matthew McNamara	A\$55,000 per annum

Management has prepared an assessment of the indicative fair value of the Options as summarised below. The value is indicative only, based on assumptions relevant at the date of the calculation, being 31 December 2020. Different assumptions may be relevant at issue date which may alter the value of the Options for financial reporting purposes. The total remuneration packages in the above table would be increased for each of the above Directors by the total per Director set out in the following table, based on the assumptions. The actual valuation amount will not be able to be calculated until the Options are issued, when the exercise price will be known (at which time other assumptions may also have changed).

Assessment:

Indicative fair value per Option	\$0.02715
Number of Options per Director (except for Dr Gregory Collier)	3,993,644
Number of Options for Dr Gregory Collier	5,990,465
Total \$ per Director (except for Dr Gregory Collier)	\$108,427
Total \$ for Dr Gregory Collier	\$162,641
Total Options	17,971,397
Total \$	\$271,068

The indicative fair value was calculated using the Binomial valuation model. The assumptions used in the valuation model were as follows:

Assumptions:

Valuation Date	31 December 2020
Spot price	\$0.0290
Exercise Price	\$0.0169*
Expiry Date	42 months from date of issue
Risk Free Rate	0.10%
Volatility	188%

*Based on 45% premium of a 30-day VWAP immediately prior to 2 November 2020, with the last trading day being 30 October 2020.

As at the date of this Notice, the Directors who are proposed to receive the Options have the following direct and indirect interests in shares and/or options of the Company:

Director/Shareholder (and/or associates)	Existing Shares	Existing unlisted options	Number of securities issued under the current Equity Incentive Scheme
Dr Gregory Collier	2,000,000 (0.13%)	2,250,000 at an exercise price of \$0.023 each	Nil
Mr David Segal	18,491,281 (1.16%)	1,500,000 at an exercise price of \$0.023 each	Nil
Dr Ross Murdoch	1,666,667(0.10%)	Nil	Nil
Mr Matthew McNamara	Nil (0%)	Nil	Nil

Following issue of the Options, each of the Directors in the above table (or their respective nominees) would hold the following securities in the Company:

Director/Shareholder (and/or associates)	Existing Shares	Options	Holding if options exercised*
Dr Gregory Collier	2,000,000 (0.13%)	6,243,644	8,243,644 (0.52%)
Mr David Segal	18,491,281 (1.16%)	5,493,644	23,984,925 (1.50%)
Dr Ross Murdoch	1,666,667(0.10%)	3,993,644	5,660,311 (0.35%)
Mr Matthew McNamara	Nil (0%)	3,993,644	3,993,644 (0.25%)

*Based on the assumptions that Directors will exercise all their Options and that the issued capital remain unchanged at 1,598,894,680 Shares.

Corporations Act

The Board has formed the view that the issues of Options to the above Directors (or their respective nominees) do not require Shareholder approval under section 208 of the Corporations Act as the issues constitute “reasonable remuneration” in accordance with section 211 of the Corporations Act.

A “financial benefit” is defined in section 229 of the Corporations Act and includes granting an option to a related party.

Section 228 of the Corporations Act defines a “related party” for the purposes of Chapter 2E to include:

- directors of the public company (section 228(2)(a)); and
- an entity controlled by directors of the public company (section 228(4)). Section 228(5) provides that an entity is a related party of a public company at a particular time if the entity was a related party of the public company of a kind referred to in subsection (1), (2), (3) or (4) at any time within the previous 6 months.

In reaching this view, the Board considers the proposed grant of Options aligns the interests of each of the above Directors with the interests of Shareholders. The grant of Options to each of the above Directors is a cost-effective form of remuneration when compared to the payment of cash consideration.

Consistent with the desire to minimise cash expenditures, the Board believes that having regard to the Company's current cash position, and the Company's objective to use available cash to fund its operations in the near future, and in order to compensate the above Directors in line with current market practices, Options provide an appropriate and meaningful remuneration component to the above Directors that is aligned with Shareholder interests.

If Resolutions 3 to 6 are passed and the Options are issued, each of the Directors proposed to receive Options under these Resolutions (including direct and indirect interests) will have a relevant interest in the Company's securities, as set out earlier.

Listing Rule 10.14

The Company is proposing to make issues of the Options as set out above (the "Issues") under the Plan, which is an employee incentive scheme as defined in the Listing Rules.

Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire equity securities under an employee incentive scheme:

- 10.14.1: a director of the company;
- 10.14.2: an associate of a director of the company; or
- 10.14.3: a person whose relationship with the company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The Issues fall within Listing Rules 10.14.1 and/or 10.14.2 above and therefore require the approval of the Company's shareholders under Listing Rule 10.14. Resolutions 3 to 6 seek the required shareholder approvals to the issues under and for the purposes of Listing Rule 10.14.

If these Resolutions are passed, the Company will be able to proceed with the issue of the Options and the Directors (or their nominees) will receive the numbers of Options set out in the table on page 9, with the increase in their remuneration and potential increase in their shareholdings as described on pages 10 and 11.

If these Resolutions are not passed, the Company will not proceed with the issue of the Options to the applicable Director(s), and the applicable Director(s) (or their nominees) will not receive the Options or potential shareholdings as described on pages 9 and 11.

If approval is given under ASX Listing Rule 10.14, approval is not required under ASX Listing Rule 7.1.

The following information is given under ASX Listing Rule 10.15 in respect of the proposed issues of Options to each Director under Resolutions 3, 4, 5 and 6 (respectively):

- (a) the proposed recipients are Dr Gregory Collier, Mr David Segal, Dr Ross Murdoch, and Mr Matthew McNamara, each of whom is a Director of the Company, or their respective nominees (each of which would be an associate of the respective Director);
- (b) 3,993,644 unlisted Options are proposed to be issued to each of Mr David Segal, Dr Ross Murdoch, and Mr Matthew McNamara, and 3,993,644 unlisted Options are proposed to be issued to Dr Gregory Collier, being a total of 17,311,397 unlisted Options.
- (c) the current total remuneration packages of each of the Non-Executive Directors are set out on page 10;
- (d) No securities were previously issued to each of the Directors under the current Equity Incentive Plan.
- (e) each Option will have an exercise price of \$0.0169 (1.69 cents).
- (f) each Option will expire 42 months of the date of issue and will, upon exercise, entitle the holder to one fully paid ordinary share in the Company. Full terms of the Options are set out in **Annexure A**;
- (g) the Company is issuing options as a form of equity security as a cost effective, non-cash incentive to non-executive Directors. The Options will be recognised as an expense to the Company based on the fair value of the Options when issued, as outlined above.

- (i) the Options will be issued on or about 31 May 2021, but no later than one month after the Meeting;

- (k) a summary of the material terms of the Company's Equity Incentive Plan is included in **Annexure B**;
- (l) no loans will be made to the Directors or their nominees in relation to the acquisition of the Options;
- (m) details of any securities issued under the Plan will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14; and

Resolution 7: Ratification of Prior Issue of Shares

Background

The Company is seeking shareholder approval for the issue of 229,999,999 fully paid ordinary shares to institutional and sophisticated investors on 15 February 2021 (the "Placement"), in accordance with the ASX announcement dated 10 February 2021.

ASX Listing Rules

ASX Listing Rules 7.1 and 7.1A allow the Company to issue new securities up to 25% of the existing capital of the Company in any 12-month period without the prior approval of Shareholders, unless one of the exceptions in ASX Listing Rule 7.2 applies. The Placement was within the Company's available placement capacity under ASX Listing Rules 7.1 and 7.1A, with 72,110,532 Shares issued from the Listing Rule 7.1 15% facility and 157,889,468 Shares issued from the Listing Rule 7.1A 10% facility.

Under ASX Listing Rule 7.4 an issue of securities will be treated as having been made with the approval of shareholders for the purposes of ASX Listing Rules 7.1 and 7.1A if the issue did not breach ASX Listing Rules 7.1 and 7.1A at the time and shareholders subsequently approve it. As the Placement was within the Company's ASX Listing Rule 7.1 and 7.1A placement capacity, did not fall within any of the exceptions in ASX Listing Rule 7.2 and was not previously approved by Shareholders, the Company now seeks Shareholder ratification of the Placement pursuant to ASX Listing Rule 7.4 in order to retain as much flexibility as possible to issue additional equity securities over the 12 month period following the issue of the Placement Shares, without having to obtain shareholder approval for such issues under Listing Rule 7.1.

If the resolution is approved, the prior issue of the Shares under the Placement may be treated by the Company as having been made with Shareholder approval under ASX Listing Rules 7.1 and 7.1A. The Company will therefore be able to issue additional equity securities without the Placement Shares the subject of this Resolution counting towards the 15% threshold for the purposes of ASX Listing Rule 7.1 or the 10% facility limit for the purposes of ASX Listing Rule 7.1A.

If this Resolution is not approved, the prior issue of the Shares under the Placement will not be treated by the Company as having been made with Shareholder approval under ASX Listing Rules 7.1. The Company will therefore have the Shares as counting towards the 15% and 10% threshold for the purposes of ASX Listing Rules 7.1 and 7.1A. This will limit the Company's placement capacity under the Listing Rules 7.1 and 7.1A.

ASX Listing Rule 7.5 requires that the following information be provided to shareholders for the purpose of obtaining shareholder approval pursuant to ASX Listing Rule 7.4:

- (a) 229,999,999 fully paid ordinary shares in the Company were allotted and issued on 15 February 2021 to professional and sophisticated investors of whom some were existing shareholders of the Company or clients of Peak Asset Management.
- (b) The shares were issued at an issue price of \$0.022 (2.2 cents) per Share and
- (c) Funds raised from the Placement will be used to advance the Company's pharmaceutical cannabinoid program.

Board Recommendation

The Board recommends that shareholders vote in favour of this Resolution. The Chair of the meeting intends to vote undirected proxies in favour of this Resolution.

Voting Exclusions

Resolution 8: Ratification of Prior Issue of Options

Background

The Company is seeking shareholder approval for the issue of 115,000,000 Listed Options to institutional and sophisticated investors on 15 February 2021 (the "Placement Options"), in accordance with the ASX announcement dated 10 February 2021. The Issued Options were issued, on a 1:2 basis, as attaching options to the Shares issued under the Placement referred to in relation to Resolution 7 above.

ASX Listing Rules

ASX Listing Rules 7.1 allows the Company to issue new securities up to 15% of the existing capital of the Company in any 12-month period without the prior approval of Shareholders, unless one of the exceptions in ASX Listing Rule 7.2 applies. The issue of the Placement Options was within the Company's available placement capacity under ASX Listing Rule 7.1.

Under ASX Listing Rule 7.4 an issue of securities will be treated as having been made with the approval of shareholders for the purposes of ASX Listing Rule 7.1 if the issue did not breach ASX Listing Rule 7.1 at the time and shareholders subsequently approve it. As the issue of the Placement Options was within the Company's ASX Listing Rule 7.1 placement capacity, did not fall within any of the exceptions in ASX Listing Rule 7.2 and was note previously approved by Shareholders, the Company now seeks Shareholder ratification of the issue of the Placement Options pursuant to ASX Listing Rule 7.4 in order to retain as much flexibility as possible to issue additional equity securities over the 12 month period following the issue date without having to obtain shareholder approval for such issues under Listing Rule 7.1.

If this Resolution is approved, the prior issue of Placement Options may be treated by the Company as having been made with Shareholder approval under ASX Listing Rule 7.1. The Company will therefore have the flexibility, if required, to issue additional equity securities without the Placement Options counting towards the 15% threshold for the purposes of ASX Listing Rule 7.1 over the 12-month period following the issue of the Placement Options.

If this Resolution is not approved, the prior issue of the Placement Options will not be treated by the Company as having been made with Shareholder approval under ASX Listing Rule 7.1. The Company will therefore have the Placement Options as counting towards the 15% threshold for the purposes of ASX Listing Rule 7.1. This will limit the Company's placement capacity under the Listing Rule 7.1 over the 12-month period following the issue of the Placement Options.

ASX Listing Rule 7.5 requires that the following information be provided to shareholders for the purpose of obtaining shareholder approval pursuant to ASX Listing Rule 7.4:

The Board recommends that shareholders vote in favour of this Resolution. The Chair of the meeting intends to vote undirected proxies in favour of this Resolution.

For voting exclusions refer to Note 5.

Resolution 9: Ratification of Prior Issue of Broker Options

Background

The Company is seeking shareholder approval to ratify the issue of 7,500,000 Listed options on 15 February 2021 at an exercise price of \$0.035 (3.5 cents) each (**Broker Options**) and expiring on 31 December 2023 to Peak Asset Management (or their nominees) at as part consideration for their services as Lead Manager for the Placement, as announced on the ASX on 10 February 2021.

The issue of Broker Options was issued within the Company's available placement capacity under ASX Listing Rule 7.1.

Under ASX Listing Rule 7.4 an issue of securities will be treated as having been made with the approval of shareholders for the purposes of ASX Listing Rule 7.1 if the issue did not breach ASX Listing Rules 7.1 at the time and shareholders subsequently approve it. As the issue of Broker Options was within the Company's ASX Listing Rule 7.1 placement capacity, did not fall within any of the exceptions in ASX Listing Rule 7.2 and was note previously approved by Shareholders, the Company now seeks Shareholder ratification of the issue pursuant to ASX Listing Rule 7.4 in order to retain as much flexibility as possible to issue additional equity securities over the 12 month period following the issue date without having to obtain shareholder approval for such issues under Listing Rule 7.1.

If this Resolution is approved, the prior issue of the Broker Options may be treated by the Company as having been made with Shareholder approval under ASX Listing Rule 7.1. The Company will therefore have the flexibility, if required, to issue additional equity securities without the Broker Options counting towards the 15% threshold for the purposes of ASX Listing Rule 7.1 over the 12-month period following the issue of the Placement Options.

If this Resolution is not approved, the prior issue of the Broker Options will not be treated by the Company as having been made with Shareholder approval under ASX Listing Rule 7.1. The Company will therefore have the Broker Options as counting towards the 15% threshold for the purposes of ASX Listing Rule 7.1. This will limit the

Company's placement capacity under the Listing Rule 7.1 over the 12 month period following the issue of the Placement Options.

ASX Listing Rule 7.5 requires that the following information be provided to shareholders for the purpose of obtaining shareholder approval pursuant to ASX Listing Rule 7.4:

Resolution 10 - Approval of 10% Placement Facility

Background

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements over a 12-month period after the Annual General Meeting ("10% Placement Facility"). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is seeking shareholder approval by way of a special resolution to have the ability, if required, to issue Equity Securities under the 10% Placement Facility. The effect of this Resolution will be to allow the Directors to issue Equity Securities under Listing Rule 7.1A during the 10% Placement Period (as described below) without using the Company's 15% placement capacity under Listing Rule 7.1.

If this Resolution is passed, the number of Equity Securities permitted to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (see below) and the Company will be able to issue Equity Securities from the 10% Placement Facility, as noted below, without any further shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without shareholder approval set out in Listing Rule 7.1.

This Resolution is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote at this Meeting (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Description of Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an Annual General Meeting. This means it requires approval of 75% of the votes cast by shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate shareholder, by a corporate representative).

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has on issue two classes of Equity Securities, Fully Paid Ordinary Shares and Unquoted Options.

(c) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an Annual General Meeting may issue or agree to issue, during the 12-month period after the date of the Annual General Meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

- A** is the number of shares on issue 12 months before the date of issue or agreement (i.e. the relevant period):
- a) plus the number of fully paid ordinary shares issued in the relevant period under an exception in Listing Rule 7.2 other than exception 9, 16 and 17;
 - b) plus the number of fully paid ordinary shares issued in the relevant period on the conversion of convertible securities within rule 7.2 exception 9 where:
 - the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - the issue of, or agreement to issue, the convertible securities was approved, or taken under these rules to have been approved, under rule 7.1 or rule 7.4,
 - c) plus the number of fully paid ordinary securities issued in the relevant period under an agreement to issue securities within rule 7.2 exception 16 where:
 - the agreement was entered into before the commencement of the relevant period; or
 - the agreement or issue was approved, or taken under these rules to have been approved, under rule 7.1 or rule 7.4,
 - d) plus the number of any other fully paid ordinary securities issued in the relevant period with approval under rule 7.1 or rule 7.4,
 - e) plus the number of partly paid ordinary securities that became fully paid in the relevant period;
 - f) less the number of fully paid ordinary securities cancelled in the relevant period;

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing 7.4.

(d) *Listing Rule 7.1 and Listing Rule 7.1A*

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2.

(e) *Nature of consideration for issue and Minimum Issue Price*

The Equity Securities issued under Listing Rule 7.1A must be issued for a cash consideration per security which must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the securities are to be issued is agreed by the Company and the recipient of the securities; or
- (ii) if the securities are not issued within 10 trading days of the date in paragraph (i), the date on which the securities are issued.

(f) *10% Placement Period*

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- (i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained;
- (ii) the time and date of the Company's next annual general meeting;
- (iii) the time and date of the approval by holders of the eligible Company's ordinary securities of a transaction under Listing Rules 11.1.2 (change to the nature or scale of activities) or 11.2 (change involving main undertaking).

(10% Placement Period).

Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) If this Resolution is approved by Shareholders, the period for which the Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A commences on the date of the Annual General Meeting at which the approval is obtained, being 31 May 2021, and expires on the first to occur of the following:
 - (i) the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained, being 31 May 2022;
 - (ii) the time and date of the Company's next annual general meeting;
 - (iii) the time and date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).
- (b) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 trading days immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
 - (ii) if the Equity Securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

- (c) The purposes for which the funds raised by an issue of Equity Securities under rule 7.1A.2 may be used by the Company include:
- (i) consideration for the acquisition(s) of the new assets and investments, including the expenses associated with such acquisition(s); and
 - (ii) continued expenditure on the Company's current business and/or general working capital.
- (d) If this Resolution is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table. Shareholders may be exposed to economic risk and voting dilution, including the following:
- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the market price of Shares as at 13 April 2021 (**Current Share Price**) and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The table also shows:

- two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future shareholders' meeting; and
- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in Listing Rule 7.1A.2		Issue Price		
		\$0.011 50% decrease in Current Share Price	\$0.021 Current Share Price	\$0.042 100% increase in Current Share Price
Current Variable A 1,828,894,679 Shares	10% Voting Dilution	182,889,468 Shares	182,889,468 Shares	182,889,468 Shares
	Funds raised	\$1,920,339	\$3,840,679	\$7,681,358
50% increase in current Variable A 2,743,342,019 Shares	10% Voting Dilution	274,334,202 Shares	274,334,202 Shares	274,334,202 Shares
	Funds raised	\$2,880,509	\$5,761,018	\$11,522,036
100% increase in current Variable A 3,657,789,358 Shares	10% Voting Dilution	365,778,936 Shares	365,778,936 Shares	365,778,936 Shares
	Funds raised	\$3,840,679	\$7,681,358	\$15,362,715

The table has been prepared on the following assumptions:

- The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- No Options are exercised into Shares before the date of the issue of the Equity Securities;

- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
 - The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting.
 - The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
 - The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes Options or Performance Rights, it is assumed that those Options or Performance Rights are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
 - The Current Share Price is **\$0.021** (2.1 cent), being the closing price of the Shares on ASX on **13 April 2021**.
- (e) The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to relevant factors including, but not limited to, the following:
- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing security holders can participate;
 - (ii) the effect of the issue of the Equity Securities on the control of the Company;
 - (iii) the financial situation and solvency of the Company; and
 - (iv) advice from corporate, financial and broking advisers (if applicable).
- The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders, subject to compliance with Listing Rule 10.11, and/or new Shareholders who are not related parties or associates of a related party of the Company.
- (f) The Company has not issued or agreed to issue any equity securities under Rule 7.1A.2 in the 12 months preceding the date of the Meeting.

Board Recommendation

The Directors of the Company believe that this Resolution is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of this Resolution.

Voting Exclusions

As at the date of dispatch of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A.2 and, therefore, a voting exclusion statement is not required by Listing Rule 7.3A.7.

- In making its decision to issue Shares, Options or Performance Rights, the Board may decide the number of securities and the vesting conditions which are to apply in respect of the securities. The Board has broad flexibility to issue Shares, Options or Performance Rights having regard to a range of potential vesting criteria and conditions;

- If a participant acts fraudulently or dishonestly or is in breach of their obligations to the Company or its subsidiaries, the Board may determine that any unvested Performance Rights or Options held by the participant immediately lapse and that any unvested Shares held by the participant be forfeited;
- In certain circumstances, Shares, Performance Rights or Options can vest early, including following a change of control or other events of a similar nature. For the purposes of this rule, a relevant control event occurs in a number of scenarios in which a third party may acquire 50% or more of the Company's Shares;
- The total number of Shares that would be issued were each Option, Performance Right and Share under the Plan exercised or vested (as applicable), plus the number of Shares issued in the previous three years under the Plan, must not, at any time, exceed the greater of the last specific number approved by shareholders under the ASX Listing Rules or 5% of the total number of Company Shares then on issue. Shares issued under the Plan will rank equally in all respects with other Shares and the Company must apply for the quotation of such Shares;
- The Board has discretion to impose restrictions (except to the extent prohibited by law or the ASX Listing Rules) on Shares issued or transferred to a participant on vesting of an Option or a Performance Right, and the Company may implement appropriate procedures to restrict a participant from so dealing in the Shares;
- In respect of vested Options or Performance Rights, if the Board becomes aware of an event which would have resulted in vesting criteria not being satisfied, such as a material misstatement in the Company's financial statements during the vesting period, any affected vested Options or Rights may be cancelled for no consideration;
- In the event of any reorganisation of the issued capital of the Company on, or prior to, the expiry of the Performance Rights or Options, the rights of the relevant security holder can be changed in the discretion of the Board, including to comply with the applicable ASX Listing Rules in force at the time of the reorganisation; and
- The Board is granted a certain level of discretion under the Plan, including the power to amend the rules under which the Plan is governed and to waive vesting conditions, forfeiture conditions or disposal restrictions.

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.
