

Spirit Investor Update - Virtual Session

11.00am (AEST) Tuesday 18th May 2021

Spirit's most recent acquisition of leading Telco provider Nexgen fulfils its expansionary vision to provide a complete suite of bundled IT and telco services, and the ability to service all segments of the business market, from SMB to large corporate and government.

We invite you to a virtual investor session to hear from Spirit Technology Solutions Managing Director, Sol Lukatsky and Chief Finance Officer, Paul Miller, on the recent acquisition and a trading update for 2021.

The session will cover:

- A trading update and business performance for the period of January to April 2021.
- An overview of the growth strategy with an integrated Spirit & Nexgen business.
- Our insights on the current market environment and why Spirit is competitively positioned to drive growth.

Click [HERE](#) to register your attendance.

This link will take you to the webinar registration page on Zoom.

Once you have registered you will receive a confirmation email with the details on how to log on to the session.

- ENDS -
