

## ASX Announcement

7 May 2021

**Whispir Limited**  
(ASX : WSP)

## Notice of Investor Day

Whispir Limited (**Whispir** or **Company**), a leading software-as-a-service (SaaS) communications workflow platform that automates interactions between organisations and people, will be hosting an Investor Day on Monday 24 May 2021, commencing at 9.30am at its offices located at Level 15/360 Collins St, Melbourne, for investors and analysts.

This presentation gives an opportunity to gain insight from our executives on the frontline of technology and innovation in each region in which Whispir operates.

The following Whispir leaders, in addition to Chief Executive Officer, Jeromy Wells, will be presenting on the day:

- **Australian and NZ** – Wayne Lee, Vice President ANZ
- **Asia** – Andrew Fry, Vice President Asia
- **North America** – David Gilbert, Vice President North America
- **Product Roadmap** – Brad Dunn, Chief Product Officer
- **Product Demonstration** – Brad Dunn, Chief Product Officer

The speakers will provide a deeper understanding of each of the unique markets, with insights into customers, growth strategy and relevant case studies. In addition, there will be a product demonstration component to showcase Whispir's technology in action and a discussion of Whispir's overall business strategy and outlook. The event will also include a Q&A session.

Event registration will commence at 9:00am for a 9:30am start and conclude at 12:30pm. A light lunch will be provided.

Please RSVP to [ir@whispir.com](mailto:ir@whispir.com) by Thursday 20 May 2021 to reserve your place. For those unable to attend in person the event will be accessible via ZOOM.

A copy of the presentations will be lodged with ASX prior to the commencement of the Investor Day on Monday 24 May 2021.

**About Whispir**

Whispir is a global scale SaaS company, founded in 2001 to provide a communications workflow platform that automates interactions between organisations and people.

Our products enable organisations to improve their communications through automated workflows to ensure stakeholders receive accurate, timely, useful, and actionable insights in a manner that is sensitive to individual contexts and preferences. Our customers use Whispir's software to create interactive, multi-party and omnichannel communications from templates, solving simple to complex communications workflow tasks.

Whispir operates across three key regions of ANZ, Asia and North America.
