About Connexion Telematics

Connexion Telematics Ltd is a developer and owner of Software as a Service (SaaS) solutions for the Automotive industry in the United States (US). Connexion's proprietary software, OnTRAC, is used by General Motors (GM) to manage the largest Courtesy Transportation Program (CTP) in the US.

The Company continues to build upon its flagship OnTRAC SaaS solution within GM's 4,000+ Dealership Network. With its software platform used daily by over 10,000 users and 22% of the Franchised Light Vehicle Dealership market in the US, Connexion holds a strong strategic position from which to build its industry leading B2B software platform.
