## Vale Mr Wee Min Chen

VIP Gloves Limited (**VIP** or the **Company**) report the sudden and unfortunate death of Mr Wee Min Chen, the company's executive director and significant shareholder.

Mr Chen was instrumental in the formation of the company's glove manufacturing operations in Malaysia in 2016 and had recently worked with VIP's very capable management team to complete the commissioning of lines 5+6. Mr Chen has been involved in glove manufacturing for many years prior through the provision of conveyer parts to the glove manufacturing industry. He leaves a team of capable staff with the relevant technical expertise to continue with the installation of lines 7+8 and the proposed new factory on adjacent land with 8 double former lines.

The Board wishes to extend its deepest sympathies to his family and friends at this incredibly difficult time.

Mr Chen leaves VIP with a strong legacy that will continue under the direct management of the Executive Committee of VIP, made up of the company's chair, Dr Joe Wong, Non-executive Director, Mr Sebastian Chang and Executive Director, Mr Jimmy Yang.

The Board and the Executive Committee will work closely with management as it continues to grow its glove manufacturing operations and expansion of the company's business to provide nitrile gloves to the global market and meet the growing demand from end users.

Chairman, Dr Joe Wong said, "Mr Chen was a wonderful businessman and family man. He will be sorely missed as a result of his untimely passing."

This announcement has been approved by the Board of VIP Gloves Limited.

### **About VIP Gloves Limited**

VIP Gloves Limited (VIP) is an Australian public company whose securities are listed for quotation on the Australian Securities Exchange (ASX code: VIP). VIP's Malaysian subsidiary companies manufacture nitrile disposable gloves from a plant located in Selangor, Malaysia. Nitrile gloves can be used in the medical, health, dental and numerous other industrial and commercial sectors. VIP currently produces and supplies gloves on an original equipment manufacturer (OEM) basis.

### **VIP's products:**

- comply with International AQL Standards
- comply with CE Standard
- conforms to ASTM D6319 and EN455 Standards
- meet ISO 13485 and ISO 9001 Standards
