The Board is pleased to report that FOS Group trading has improved significantly with group revenues of \$3,945,416 (2019: \$2,747,742).for the half year ended 31 December 2020,

The company has been able to manage the period through Covid19 having endured significant disruption with the Victorian second lock down. This lock down led to many Victorian projects being delayed with the constant rescheduling of projects, nevertheless our outstanding team of professionals stood up to the task always keeping our customers as our priority.

This period also brought many highlights. In August we appointed Nigel Smith as our new factory manager in Brisbane. Nigel has over 30 years experience in the lighting manufacturing industry and is a great asset to FOS. In September we changed our distribution of the Megabay product range in NSW bringing it back in house. In October we appointed Integral Lighting our exclusive Distributor in the ACT.

On 23 November 2020 FOS Lighting Pty Ltd acquired a 50% shareholding in Baker & McAuliffe Holdings Pty Ltd trading as JSB Lighting.

JSB Lighting is a supplier of commercial and architectural lighting products within Australia and New Zealand. The business has been operating over 30 years and employs 27 staff members who are spread across Sydney, Brisbane, Adelaide, Perth, Melbourne and Auckland, and focus on applying solution-based lighting on the latest in luminaire design and performance.

The shareholding was acquired from ASX listed HGL Limited who continues to hold the other 50%.

HGL received 3 million ordinary shares (representing 9.1% of issued capital) in FOS Lighting's parent company FOS Capital Limited, as consideration for the sale of 50% of JSB Lighting. HGL has also granted FOS Lighting an option to acquire the balance 50% shares in JSB Lighting for Net tangible Asset value at the point of exercise of the option. This option has no expiry date. As part of the transaction on 23 November 2020 HGL Chairman Sandy Beard was been appointed a Director of FOS Capital Limited.

HGL Limited has also undertaken to sub-underwrite \$500,000 in new shares in FOS Capital Limited as part of this initial public offering on the ASX.

The JSB acquisition will double the size of FOS Lighting and expand its geographic spread to all states of Australia and New Zealand.

#### MATTERS SUBSEQUENT TO REPORT DATE

On 1 February 2021, FOS Lighting Pty Ltd acquired the balance of 50% shareholding in Baker & McAuliffe Holdings Pty Ltd trading as JSB Lighting from ASX listed HGL Limited (HGL) and took over the control of JSB lighting business.

Apart from the above, there were no matters or circumstances specific to The FOS Group that have arisen since 31 December 2020 that have significantly affected or may significantly affect The FOS Group's operations and state of affairs.

#### **Notes to Condensed Consolidated Half-Year Financial Statements**

#### 1. BASIS OF PREPARATION OF THE HALF-YEAR FINANCIAL REPORT

The condensed consolidated half year financial report does not include all notes of the type normally included within the annual financial report.

It is recommended that this half-year financial report be read in conjunction with the annual financial report for the year ended 30 June 2020 of FOS Capital Ltd.

FOS Capital Limited was incorporated 31 October 2019 and legally acquired its 100% owned subsidiary FOS Lighting Group Pty Ltd on 31 December 2019. Notwithstanding this, the profit and loss and cash flow comparatives (together with any relevant notes) presented in these financial statements are those of the FOS Group, being the combined entity of FOS Capital Limited, FOS Lighting Group Pty Ltd and its 100% controlled subsidiary, FOS Lighting Pty Ltd. The directors have elected to present these comparatives as the transaction between FOS Lighting Group Pty Ltd was executed solely for the structuring purpose of readying FOS Group for a listing on the Australian Securities Exchange.

This condensed half-year financial report covers FOS Capital Ltd and controlled entities as a consolidated entity. FOS Capital Ltd is a for-profit company limited by shares, incorporated and domiciled in Australia. The registered office and principal place of business of FOS Capital Ltd is located at 14 Jaybel Street Salisbury QLD 4107.

Compliance with AASB 134, as appropriate for for-profit entities, ensures compliance with International Financial Reporting Standard IAS 34 Interim Financial Reporting.

The condensed consolidated half-year financial report includes the consolidated results of FOS Capital Ltd and its controlled entities FOS Lighting Group Pty Ltd and FOS Lighting Pty Ltd for the half year ended 31 December 2020 (collectively, the FOS Group).

The accounting policies applied in this half-year financial report are consistent with those of the annual financial report for the year ended 30 June 2019 and the corresponding half-year.

#### (b) Accounting for the investment in JSB Lighting

The investment in JSB Lighting is treated as an investment which applies the equity method of accounting. Under this method of accounting the initial investment is recognised at cost. Subsequent to initial recognition, an amount is recognised in the profit or loss for the Group's share of the profit or loss and other comprehensive income of JSB Lighting. This method of accounting is applied whilst the Group's retains a significant influence, but not control in JSB Lighting.

In evaluating their application of the equity method and in reasoning why the Group was yet to control JSB Lighting, the directors considered the following key matters:

- The Group's investment in JSB Lighting is 50%;
- The option held by the Group presently is not yet "in the money" based upon their due diligence conducted to date and no decision had been made to exercise this option as at 31 December 2020; and
- From the date of purchase through to 31 December 2020 the directors and management of FOS
  Group were yet to be involved into the day-to-day operations of JSB Lighting and they did not
  have voting control of the board of JSB Lighting.

As the auditor of FOS Capital Ltd, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Independence

In conducting our review, we have complied with the independence requirements of the Corporations Act 2001.
