About Ai-Media

Founded in Australia in 2003, technology company Ai-Media has become a global leader in the provision of high-quality live and recorded captioning, transcription and translation services. Its technology platform combines artificial intelligence and human expertise to deliver speech-to-text accuracy. The company is the biggest captioning provider in the Australian market, with clients including major free-to-air and pay television networks, and has a growing international footprint, with offices in Australia, the US, UK and Canada. Globally, it provides captioning for around one million minutes of live and recorded media content, and online events and web streams, every month. Ai-Media (ASX:AIM) commenced trading on the ASX on 15 September 2020.
