Geelong, Australia, Friday, 9 July 2021: Carbon Revolution Limited (ASX: CBR) today announces the resignation of Peter Lewinsky with effect from the close of business today.

As previously noted in the Chairman's address at the Annual General Meeting last year, Peter Lewinsky had indicated that he will step down in July 2021.

Carbon Revolution Chair, James Douglas said "Peter's deep experience in the boardroom, in capital markets and in managing complex financial and operational issues has been enormously valuable in the lead up to our IPO and as we have developed as a listed company. The Board wishes him the very best in his future endeavours."

Peter Lewinsky said "I have enjoyed being on the Carbon Revolution Board at this important time as it has transitioned to being a listed company. I believe that Carbon Revolution has an exciting future based on its extraordinary innovative technology and capability in advanced manufacturing which will allow it to build on its global leadership in carbon fibre wheels. I have been so pleased to be part of the Company during this exciting phase. I would like to acknowledge the fantastic work of the Board Chair, James Douglas and CEO, Jake Dingle and wish the Board and Company well."
