The Matching Share Rights are granted in connection with the Computershare EMEA One Plan which is an employee contribution plan that entitles employees based in the EMEA region to contribute salary to purchase ordinary shares in Computershare Limited and in return receive a Matching Share Right for each share purchased. Matching Share Rights entitle the holder to receive a fully paid ordinary share in Computershare Limited at an agreed date (typically 2 years after the first contribution in the relevant plan year was made) and subject to the employee remaining employed at the relevant date. Matching Share Rights may also vest on cessation of employment in certain "good leaver" circumstances (eg redundancy, retirement, illness, injury, disability, death or business sale)
