¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

See notes 4 and 5 below for further instructions on how to complete this form.

Tabcorp

CORPORATE GOVERNANCE STATEMENT 2021

1. INTRODUCTION

1.1. About this Corporate Governance Statement

This Corporate Governance Statement outlines the corporate governance framework and main governance practices and policies of Tabcorp Holdings Limited (ABN 66 063 780 709) (the Company or Tabcorp) and its subsidiaries (the Group) for the period commencing 1 July 2020 to 18 August 2021 (the reporting period).

Tabcorp complied with the 4th Edition of the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations* (ASX Principles and Recommendations) throughout the reporting period. This Corporate Governance Statement and the Appendix 4G discloses the manner in which Tabcorp followed the recommendations in the ASX Principles and Recommendations and where other relevant disclosures are located.

This Corporate Governance Statement is current as at 18 August 2021 and has been approved by the Board of Tabcorp.

W This Corporate Governance Statement, Appendix 4G, key policies and governance documents are available from the Corporate Governance section of Tabcorp's website at www.tabcorp.com.au/who-we-are/corporate-governance.

W Tabcorp's Annual Report 2021 is available from Tabcorp's website at www.tabcorp.com.au/investors/annual-reports.

1.2. Tabcorp's corporate governance framework

Tabcorp is committed to good corporate governance and to maintaining leading corporate governance practices which help us meet or exceed the requirements of applicable legislation and corporate governance standards. Our corporate governance arrangements are core to our vision to be **The Trusted Gambling Entertainment Company** and to building on our purpose of delivering **Excitement with Integrity**.

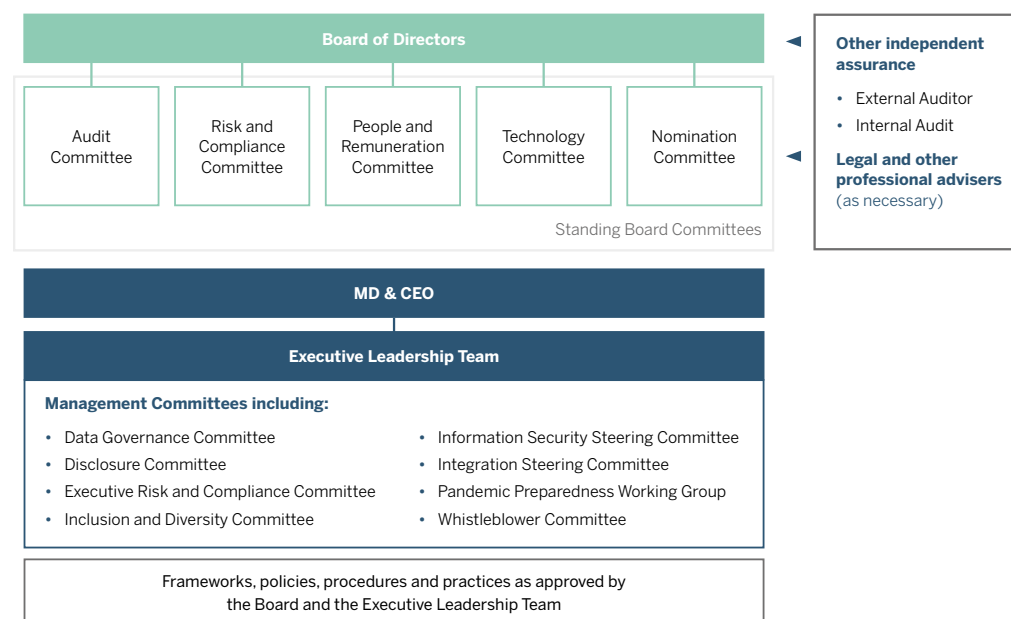

Tabcorp's corporate governance framework applicable in FY21 is summarised in the diagram opposite.

Tabcorp's corporate governance arrangements are regularly reviewed and revised as appropriate to reflect Tabcorp's evolving needs, changes in law and developments in corporate governance practices. Key areas of focus and change during the reporting period include the following:

- as part of the orderly and coordinated Board renewal process, Steven Gregg succeeded Paula Dwyer as Chairman following Ms Dwyer's retirement from the Board on 31 December 2020, Janette Kendall commenced on 21 September 2020 as a new independent Non-executive Director (NED) subject to regulatory approval, and Vicki McFadden retired from the Board on 20 October 2020 (refer section 3.7);

- David Attenborough, who previously announced his intention to retire as Managing Director and Chief Executive Officer (MD & CEO), will remain as MD & CEO of Tabcorp until the proposed demerger of the Lotteries and Keno business is completed;
- a Board Technology Committee was established effective from 16 February 2021 to provide strong governance and oversight of Tabcorp's technology strategy and roadmap (refer section 4.5);
- Tabcorp exceeded the diversity target of 40% female representation in the Total Leadership Cohort by the end of FY21, and launched the Tabcorp Gender Affirmation Statement of Support and other inclusion and diversity advancements (refer section 7.9); and
- Tabcorp published its first Modern Slavery Statement and implemented a Human Rights Policy (refer section 7.16).

Tabcorp's progress in governance, social and environmental practices was recognised in FY21 by being ranked as the global leader in the Casinos and Gambling sector in the Dow Jones Sustainability Index (DJSI) World and DJSI Australia Indices.

2. BOARD AND MANAGEMENT ROLES AND RESPONSIBILITIES

2.1. Board role and responsibilities

The Board Charter sets out the role, responsibilities, structure and operation of the Board as well as the function and division of responsibilities between the Board and management.

The primary role of the Board is to provide leadership for the Company and represent and protect the interests of Tabcorp's shareholders as a whole and the interests of our other relevant stakeholders. The Board has ultimate responsibility for Tabcorp's corporate governance framework and setting the Group's strategic direction. The Board, together with the MD & CEO, sets the 'tone from the top' by demonstrating behaviours that are aligned with our vision, purpose and values.

The main responsibilities of the Board include:

- selecting, appointing and evaluating the performance of the MD & CEO, and determining remuneration arrangements and succession planning for the MD & CEO;
- contributing to and approving management's development of corporate strategy and the Company's purpose, including setting performance objectives and approving operating budgets;
- monitoring corporate performance and management's implementation of strategic goals and objectives;
- overseeing systems of risk management (for both financial and non-financial risks), internal control and ethical and legal compliance;
- overseeing the Company's values and corporate governance policies (including the Diversity and Inclusion Policy and setting measurable objectives) and monitoring corporate culture;
- acting to protect and enhance the reputation of the Group;
- approving and monitoring major investments, transactions, acquisitions or divestments;
- overseeing management processes aimed at ensuring the integrity of the Group's financial and other reporting;
- overseeing the Group's external audit and internal audit activities;
- receiving, considering and approving financial reports;
- ensuring that mechanisms are in place for making timely and balanced disclosure to shareholders and the market;
- determining capital structure, funding arrangements and dividend policy;
- reviewing Board and Director performance; and
- succession planning for NEDs.

The Board Charter sets out these responsibilities in further detail and is reviewed on a regular basis to ensure the balance of responsibilities remains appropriate.

W The Board Charter is available from the Corporate Governance section of Tabcorp's website at www.tabcorp.com.au/who-we-are/corporate-governance.

2.2. Management role and responsibilities

While the Board retains ultimate responsibility for the strategy and performance of the Group, the Board delegates authority for other functions and matters necessary for day to day management of the Group to the MD & CEO, who in turn delegates to the Executive Leadership Team (ELT) and other members of senior management, as required. Tabcorp's Delegated Authorities and Approval Limits Policy sets out management's authority to undertake transactions and incur expenditure on behalf of the Group up to specified financial thresholds, and is approved by the Board. The policy is reviewed regularly and updated to reflect specific business, market and economic changes so that the effective governance of the Group is maintained.

Management provides the Board with accurate, timely and clear information on the Group's operations so the Board can effectively monitor the Group's activities and effectively discharge its responsibilities. Such reporting includes matters in relation to financial and operational performance, strategy, risk management, compliance with material legal and regulatory requirements, and other matters reserved for the Board. The Board and Committees regularly review and provide feedback on reporting received from management, and Directors may request additional information where necessary. The Board and Committees also actively challenge and hold management to account whenever required.

Members of the ELT have responsibility for supporting one or more Board Committees and meet with Directors outside of scheduled Board and Committee meetings (including regular contact between the Chairman and the MD & CEO) to assist the Board in discharging its responsibilities and to foster a strong working relationship between the Board and management.

W Details of the ELT are set out in the Annual Report 2021 on pages 32 and 33.

3. BOARD STRUCTURE AND COMPOSITION

3.1. Board structure

The Board comprises seven independent NEDs and the MD & CEO. The Chairman of the Board is an independent NED and the majority of Directors are independent (refer section 3.2). The roles of the Chairman and the MD & CEO are performed by separate individuals. The Board determines its size and composition, subject to Tabcorp's Constitution and applicable laws. In accordance with the Company's Constitution, there must be no less than three and no more than 12 Directors.

The Board is structured so that its membership provides a mix of skills, expertise and experience from a diverse range of backgrounds to enable it to discharge its responsibilities, and so that its size facilitates effective discussion and decision making. Each Director's skills, qualifications, experience and relevant expertise are set out in the Annual Report.

Each Director's length of service and when they were last elected or re-elected at the Company's Annual General Meetings (AGMs) is set out below. A Director, other than any Managing Director, may not hold office for a continuous period in excess of three years or past the third AGM following the Director's last election or re-election to the Board, whichever is the longer, without submitting for re-election.

Name	Length of service ⁽ⁱ⁾	Last election or re-election
Steven Gregg	Chairman for less than one year, from January 2021 Director for nine years, from July 2012	2019 AGM
David Attenborough	Ten years, from June 2011	MD & CEO is not required to stand for re-election
Bruce Akhurst	Four years, from July 2017	2020 AGM
Harry Boon	Four years, from December 2017	2018 AGM
Anne Brennan	One year, from July 2020	2020 AGM
David Gallop	One year, from July 2020	2020 AGM
Janette Kendall ⁽ⁱⁱ⁾	Less than one year	N/A
Justin Milne	Ten years, from August 2011	2019 AGM

(i) Does not include the period that any new Director serves as an Observer while undergoing probity approval prior to formally commencing as a Director.

(ii) Appointment subject to the receipt of all necessary regulatory and ministerial approvals.

Vicki McFadden retired from the Board at the 2020 AGM after serving as an independent NED for three years. Paula Dwyer retired as Chairman and from the Board on 31 December 2020. While David Attenborough announced his intention to retire as MD & CEO in the first half of calendar year 2021, following the announcement by the Company that it intends to pursue a demerger of the Lotteries and Keno business, Mr Attenborough will remain as MD & CEO until the demerger has been completed. Refer to section 3.7 for further information about Board renewal and succession planning.

Tabcorp maintains a balanced Board with a mix of longer serving Directors with a deep understanding of Tabcorp's businesses and some more recent appointments. The average tenure of current NEDs is approximately 4.9 years.

Two of the seven NEDs are female, including the Chairman of the Audit Committee.

 The details of each Director's skills, experience, qualifications and relevant expertise are set out in the Annual Report 2021 on pages 30 and 31.

3.2. Director independence, ethics and conflicts of interest

The Board Charter requires that the Board comprise a majority of independent Directors, including the Chairman, and sets out the criteria for assessing Director independence. The Board considers an independent Director to be a NED who is free of any interest, position, or relationship that might influence, or reasonably be perceived to influence, in a material respect their capacity to bring an independent judgment to bear on issues before the Board and to act in the best interests of Tabcorp as a whole rather than in the interests of an individual security holder or other party.

A Director independence assessment is carried out by the Nomination Committee annually, on appointment of new NEDs, and whenever any new material personal interests are disclosed. The Nomination Committee makes recommendations to the Board regarding Director independence, and in doing so considers all relevant facts and circumstances in accordance with the criteria set out in the Board Charter, which are aligned with Box 2.3 of the ASX Principles and Recommendations.

During the reporting period, the Nomination Committee assessed the interests, positions, associations and relationships of the NEDs, including the Chairman, and Observer, and the Board considers each of them (Steven Gregg, Bruce Akhurst, Harry Boon, Anne Brennan, David Gallop, Janette Kendall and Justin Milne) to be independent. Ms Dwyer (who retired from the Board on 31 December 2020) and Ms McFadden (who retired from the Board at the 2020 AGM), were considered by the Board to be independent.

The criteria used for assessing Director independence during the reporting period was as follows:

Director independence criteria⁽ⁱ⁾

- ✓ Has not been employed in an executive capacity by the Group or any Group member without at least three years between ceasing employment and serving on the Board.
- ✓ Has not received performance based remuneration from, or participates in an employee incentive scheme of, the Company.
- ✓ Is not, or has not been within the last three years, in a material business relationship (e.g. as a supplier, professional adviser, consultant or customer) with the Group or a Group member, or an officer of, or otherwise associated with, someone with such a relationship.
- ✓ Within the last three years, has not been an officer or employee of, or professional advisor to, a substantial shareholder.
- ✓ Has no close family ties with any person who falls within any of the categories above.
- ✓ Has not been a Director of Tabcorp for such a period that his or her independence may have been compromised.

(i) Refer to the guidelines contained in Tabcorp's Board Charter.

Under the Board Charter, Directors are required to act at all times with honesty and integrity, observe the highest standards of ethical behaviour and act in accordance with the Company's Code of Conduct and applicable policies.

All Directors are required to take all reasonable steps to avoid actual, potential or perceived conflicts of interests. Directors are required to disclose any material contract or relationship with the Group, including relevant interests of family companies and spouses, and any involvement with other companies or professional firms. A register of Directors' material personal interests is maintained and is regularly sent to every Director.

Where a Director discloses any actual or potential conflict or a material personal interest, a determination as to whether or not a conflict exists will be made by the Board or, if necessary, a sub-committee of the Board excluding the potentially conflicted Director. An appropriate course of action will be set based on the determination made, and such action may require the interested Director to not receive relevant papers and absent themselves from discussion and voting on the matter.

Directors are also required to complete an annual questionnaire confirming whether there are any matters that may impact them being classified as a fit and proper person associated with the conduct of activities performed by the Group under certain gambling licences.

 Details of offices held by Directors with other organisations are set out in the Annual Report 2021 on pages 30, 31 and 47.

W Details about the Directors' skills, experience and special responsibilities are available from the Board of Directors section of Tabcorp's website at www.tabcorp.com.au/who-we-are/our-leaders.

W The Board Charter contains additional information about Director independence including guidelines for assessing NED independence, and is available from the Corporate Governance section of Tabcorp's website at www.tabcorp.com.au/who-we-are/corporate-governance.

3.3. Directors' skills and experience

The Board aims to ensure that collectively it has an appropriate mix of skills, knowledge and experience to discharge its duties and responsibilities effectively, having regard to Tabcorp's strategic objectives and emerging business and governance issues.

The Board has adopted a matrix setting out the key skills and areas of experience required for the Board to effectively discharge its obligations, now and in the future. The Nomination Committee undertakes regular assessments using the matrix, and provides reports and recommendations to the Board, to ensure all attributes are well represented on the Board and to identify any particular skills and perspectives that will enhance the Board's effectiveness. These skills and attributes are prioritised when identifying potential future Director candidates as part of coordinated succession planning.

During the reporting period, the Nomination Committee reviewed the matrix to ensure it reflected the Group's strategic objectives and prevailing community and regulatory expectations, and each Director appointed during the reporting period undertook a self-assessment using the matrix. The table below summarises the number of Directors demonstrating a 'developed capability' (meaning a score of at least 3 out of 5) for each skill or area of experience.

The Board considers its current membership comprises an appropriate mix of skills and experiences to enable it to discharge its obligations effectively, having regard to Tabcorp's strategic objectives.

Where any criteria is not fully represented, the skills and experience of the Board are augmented through the involvement of management and external advisors, as deemed appropriate by the Board.

 The names and details of the experience, qualifications, special responsibilities (including Committee memberships), and term of office of each Director of the Company can be found in the Annual Report 2021 on pages 30 and 31.

3.4. Other directorships

Directors are required to continually evaluate the number of Boards on which they serve to ensure that they can give the time and attention required to fulfil their duties and responsibilities as a member of Tabcorp's Board. Directors must seek approval from the Chairman prior to accepting an invitation to become a Director of any other corporation, and in the case of the Chairman, seek approval from the Chairman of the Audit Committee.

The Board has adopted a policy that NEDs are permitted to hold a maximum number of five directorships of ASX listed companies, including Tabcorp, with a chairmanship equivalent to two directorships, subject to the discretion of the Chairman (or in the case of the Chairman, the Chairman of the Audit Committee). All Tabcorp NEDs comply with the policy.

 Details of the directorships for each Director, including on the Board of other publicly listed companies, are available in the Annual Report 2021 on pages 30 and 31.

3.5. Director appointments

The Board is responsible for the appointment of new Directors, reviewing and recommending the election or re-election of current Directors, the membership of each Board Committee and Board succession. In carrying out these responsibilities, the Board aims to maintain an appropriate balance of skills, experience, diversity and independence. As set out in section 4.6 and in accordance with the Nomination Committee Charter, the Committee makes recommendations to the Board regarding these matters.

Appropriate recruitment and pre-appointment screening processes are carried out prior to the appointment of a Tabcorp Director, including checks as to character, experience, education, bankruptcy history and police records. Prospective new Directors are required to provide details of their other commitments and an indication of time involved, and specifically acknowledge that they will have sufficient time to fulfil their responsibilities as a Director. They are also required to submit extensive personal information as part of probity investigations and clearances required by applicable gambling regulators and certain government ministers prior to appointment as a Director.

The appointment of any new Director is subject to regulatory and certain ministerial approvals. While these approvals are being sought, the person may attend Board and Committee meetings as an Observer. This assists their transition into their role, but while they are an Observer they may not vote on any matter. New NEDs must stand for election at the AGM immediately following their appointment.

Every new Director receives a formal letter of appointment that sets out the key terms and conditions of their appointment, including the Director's duties, rights and responsibilities, the time commitment envisaged, and the Board's expectations regarding involvement in Board Committees.

 Details of the Directors, their qualifications and experience are included in the Annual Report 2021 on pages 30, 31 and 47.

W Tabcorp's Constitution is available from the Corporate Governance section of Tabcorp's website at www.tabcorp.com.au/who-we-are/corporate-governance.

W The Board Charter and the Nomination Committee Charter are available from the Corporate Governance section of Tabcorp's website at www.tabcorp.com.au/who-we-are/corporate-governance.

3.6. Directors' induction, continuing education and independent advice

Every new Director participates in an induction and orientation program on their appointment to assist them to participate fully and actively in all Board and Committee decision-making at the earliest opportunity. New Directors are provided with access to relevant information and attend briefings with management to enable them to gain an understanding of the Group's businesses, operations, strategy, values, key governance and compliance policies, and key issues. The program also includes site visits and briefings on specific topics of relevance to Tabcorp.

Directors are expected to maintain the knowledge and skills required to discharge their duties and responsibilities effectively and respond to new and emerging business and governance issues. All Directors have access to a continuing education program that includes briefings and information on key developments relevant to the Group, site visits to the Group's properties and updates on risk and compliance, legal and regulatory, corporate governance and other relevant developments.

The Nomination Committee is responsible for ensuring that an effective induction process is in place and reviewing its effectiveness. The Committee is also responsible for reviewing and making recommendations to the Board regarding the continuing education program for Directors. The Company Secretary is responsible for organising and facilitating the induction and continuing education program for Directors.

Under the Board and Committee Charters, the Board, Committee or individual Directors, as the case may be, have the right to seek independent professional advice at the expense of Tabcorp.

W The Board and Committee Charters are available from the Corporate Governance section of Tabcorp's website at www.tabcorp.com.au/who-we-are/corporate-governance.

3.7. Board renewal and succession planning

The Board is responsible for maintaining the optimal composition of the Board and its Committees and for overseeing orderly and coordinated succession planning for Board membership. The Nomination Committee is responsible for reviewing and making recommendations to the Board with respect to Board succession matters, including the process for identifying suitable candidates, and the nomination, selection and appointment of NEDs.

Once the Board determines that a new Director is to be appointed, a candidate search is undertaken based on the Board's specific selection criteria and having regard to the Board skills matrix and the tenure, skills, experience and diversity of current Directors. Where required, this search process may be supported by external consultants.

The Nomination Committee is responsible for annually reviewing and making recommendations to the Board regarding the retirement by rotation and re-appointment of NEDs at the Company's AGM. The Board then reviews and approves Director elections and re-elections for the AGM, including approving a statement confirming whether or not the Board supports the election or re-election of a Director and if the Board considers a Director to be independent.

During the reporting period, in line with previously announced succession plans, Steven Gregg was appointed Chairman of the Board following the retirement of Paula Dwyer as Chairman and from the Board on 31 December 2020. David Attenborough also announced his intention to retire as MD & CEO, however following the Company's announcement that it intends to demerge the Lotteries and Keno business, he will remain as MD & CEO of Tabcorp until the proposed demerger is completed. In FY21 Janette Kendall was appointed as a NED (subject to regulatory approval) and Vicki McFadden also retired from the Board.

W The Nomination Committee Charter is available from the Corporate Governance section of Tabcorp's website at www.tabcorp.com.au/who-we-are/corporate-governance.

3.8. Performance assessment

Each year, the Board conducts a review of its performance and of individual Directors. Outcomes from these assessments are used to enhance the effectiveness of the Board and individual Director contributions, and improve Board processes, practices and governance arrangements. The Board performance assessment process is generally conducted by a mixture of internal and externally-facilitated reviews. An external review is conducted every three years and an internal review is conducted in the alternating years.

During the reporting period, an internal self-assessment was undertaken of the performance and effectiveness of the Board, its Committees and each current Director, which was overseen by the Board Chairman and Nomination Committee. The assessment involved consideration of a range of matters including: Board skills, experience and succession; Board and Committee effectiveness, meetings and processes; the relationship between the Board, Committees and management; and culture, risk and stakeholder engagement.

In the 2019 financial year, a comprehensive externally facilitated review of the Board, its Committee's and each Director was conducted by an independent advisory firm, and a number of enhancements were identified and implemented.

W The Board and Committee Charters are available from the Corporate Governance section of Tabcorp's website at www.tabcorp.com.au/who-we-are/corporate-governance.

3.9. Board and Committee meetings

The Board and its Committees meet regularly to discuss matters relevant to the Group's operations and performance, with additional meetings held as and when required to address specific matters. Additional Board Sub-Committees may also be established from time to time for special purposes. During the reporting period, a number of additional Board and Sub-Committee meetings were held to consider a range of matters, including the impacts of the COVID-19 pandemic on the Group, the 2020 Entitlement Offer and the strategic review of the Group's structural and ownership options.

Directors and Observers are required to attend all Board meetings, shareholder meetings and Board Committee meetings for which they are members, subject to any unusual or unforeseen circumstances which may prevent them from attending. All Directors and Observers may attend Committee meetings.

The Board also has procedures in place to ensure it operates independently of management. For example, at Board meetings the NEDs regularly meet in the absence of the MD & CEO and other executives of the Group. Where appropriate, executives are also excluded from certain Board and Committee discussions that relate to specific issues, such as executive remuneration and performance, and whistleblower matters.

All Board meetings and documents are provided to Directors in English. All Tabcorp Directors reside in Australia and are fluent in the English language.

 The number of Board and Committee meetings and the attendance of each Director at these meetings are set out in the Annual Report 2021 on page 35.

3.10. Company Secretary

The Company Secretary is responsible for coordinating and distributing materials for Board meetings, Committee meetings and shareholder meetings. The Company Secretary is also responsible for Board governance matters, monitoring Board and Committee policies and procedures, minutes of meetings, facilitating Director induction and their continuing education, communications with regulatory bodies and the ASX, and statutory and other filings. All Directors have access to the Company Secretary. The Company Secretary is accountable directly to the Board, through the Chairman and Committee Chairmen, on all matters to do with the proper functioning of the Board and Committees. The appointment and removal of the Company Secretary is a matter reserved for the Board.

4. BOARD COMMITTEES

4.1. Board structure

The Board recognises the essential role of Committees in guiding the Company on specific issues. To assist the Board in discharging its responsibilities, the Board has established the following Board Committees with delegated responsibilities:

- Audit Committee (refer section 4.2);
- Risk and Compliance Committee (refer section 4.3);
- People and Remuneration Committee (refer section 4.4);
- Technology Committee (established 16 February 2021) (refer section 4.5); and
- Nomination Committee (refer section 4.6).

Board Committee membership is restricted to NEDs only. Observers may be invited to attend Committee meetings pending their formal appointment as a NED and Committee member following receipt of necessary regulatory approvals. Directors are appointed to each Committee having regard to each Director's skills, expertise, and specific interests, to provide optimal value to Committee discussions and to maximise the effectiveness of these Committees. The MD & CEO is not a member of any Board Committee, however the MD & CEO attends Committee meetings as an Observer.

During the reporting period, various changes were made to the membership of the Committees in response to Board succession and renewal.

Each Board Committee operates under a charter approved by the Board, which sets out the authority, membership and responsibilities of the Committee, together with any relevant administrative arrangements and any other matters considered appropriate by the Board. During the reporting period, each Board Committee reviewed its charter, and the Board approved changes to the Committee charters.

The role of each Committee is to advise and make recommendations to the Board. The Committees do not have decision making authority except as expressly stated in the relevant charter or as authorised by the Board.

From time to time the Board may approve the establishment of other ad hoc Board sub-committees to deal with specific matters as they arise. During the reporting period, Sub-Committees of the Board were in operation to consider a range of matters, including legal and compliance matters, the impacts of COVID-19 on the Group, the 2020 Entitlement Offer and the strategic review of the Group's structural and ownership options.

 The attendance of Directors at Board and Committee meetings is disclosed in the Directors' Report on page 35 of the Annual Report 2021.

 The details of relevant Director qualifications and experience are included in the Annual Report 2021 on pages 30, 31 and 47.

 The Charters for each of the Board Committees are available from the Corporate Governance section of Tabcorp's website at www.tabcorp.com.au/who-we-are/corporate-governance.

4.2. Audit Committee

The Audit Committee's purpose is to assist the Board to fulfil its duties and responsibilities relating to:

- the preparation of the financial statements and associated external reports;
- oversight and monitoring of the Company's financial systems and related controls;
- the Company's relationship with the external auditor and the external audit function generally, as well as its independence, objectivity and performance;
- the Company's relationship with the internal auditor and the internal audit function generally; and
- oversight and monitoring of the Company's Whistleblower Policy and Framework.

The Committee's primary roles are to review, report to, and where appropriate make recommendations to, the Board in relation to:

- the reporting of financial information;
- the appropriate application and amendment of accounting policies;
- financial risk management and related internal controls;
- the appointment, independence and remuneration of the external auditor; and
- the internal audit function.

Refer to section 6 'Integrity in Financial and Corporate Reporting' for further detail in relation to Tabcorp's approach to safeguarding the integrity of corporate reports, including with respect to the external auditor and internal audit function.

The Audit Committee is comprised of at least three members (currently there are three members), all of whom are independent NEDs. The Committee Chairman is an independent NED who is not the Chairman of the Board. All members of the Committee are financially literate and have accounting and/or financial expertise and familiarity with financial management. The Chairman of the Board attends meetings of the Committee as an Observer. The MD & CEO, Chief Financial Officer (CFO), Chief Legal and Risk Officer (CLRO), Executive General Manager Internal Audit, external auditor and other members of management and advisors may attend Committee meetings at the invitation of the Committee Chairman.

4.3. Risk and Compliance Committee

The Risk and Compliance Committee's purpose is to assist the Board to fulfil its duties and responsibilities in overseeing activities relating to the Company's identification, assessment, management and reporting of risk (for both financial and non-financial risks) and adherence with compliance obligations.

The Committee's primary roles with respect to risk management and compliance are to review, report to, and where appropriate make recommendations to, the Board in relation to:

- the risk appetite for the Company;
- the adequacy and effectiveness of the Company's Risk Management Framework (for both financial and non-financial risks) and supporting policies and processes to identify and manage the Company's risks;
- the Company's risk profile and reports on new and emerging sources of risks and the adequacy of risk mitigations;
- material incidents and lessons learned;
- the adequacy and effectiveness of the Company's approach to business continuity and insurance program; and
- the adequacy and effectiveness of the Company's compliance management framework and supporting policies and processes to ensure compliance with the Company's legal and regulatory obligations.

Refer to section 5 'Risk Management' for further detail in relation to Tabcorp's approach to risk management.

The Committee is comprised of at least three members (currently there are three members), all of whom are independent NEDs. 4.4. People and Remuneration Committee

The People and Remuneration Committee's key roles and responsibilities are to:

- make recommendations to the Board on the remuneration of NEDs and the Chairman;
- make recommendations to the Board on the performance, remuneration of, and incentive outcomes for, the MD & CEO;
- approve remuneration policies, remuneration and incentive outcomes applicable to the ELT;
- make recommendations to the Board on the Group's general remuneration framework and policies, superannuation arrangements, employee share ownership schemes and performance incentive schemes;
- oversee the Group's people strategies and policies, including talent and retention, diversity and inclusion, culture and engagement; and
- oversee the Group's health, safety and wellbeing strategy and performance.

The Committee is comprised of at least three members (currently there are three members), all of whom are independent NEDs. The Committee Chairman is an independent NED who is not the Chairman of the Board. The Chairman of the Board attends meetings of the Committee as an Observer. The MD & CEO, Chief People Officer, General Manager Reward and Performance and other members of management and advisors may attend Committee meetings at the invitation of the Committee Chairman.

4.5. Technology Committee

In recognition of the strategic importance of technology to the Group, and the complexity and risk profile associated with the Group's operating environment from a technology perspective, the Board established the Technology Committee, effective from 16 February 2021.

The Technology Committee's key roles and responsibilities are to:

- oversee the Group's technology strategies, and make recommendations to the Board in respect of these strategies;
- review material technology investments, and make recommendations to the Board;
- oversee key technology initiatives, programs and performance;
- monitor and evaluate existing and future technology trends, opportunities and risks; and
- oversee initiatives to address technology and cyber risk, and make recommendations to the Board or Risk and Compliance Committee.

The Committee is comprised of at least three members (currently there are three members), all of whom are independent NEDs. The Committee Chairman is an independent NED who is not the Chairman of the Board. The Chairman of the Board attends meetings of the Committee as an Observer. The MD & CEO, CFO, Chief Information Officer and other members of management and advisors may attend Committee meetings at the invitation of the Committee Chairman.

5. RISK MANAGEMENT

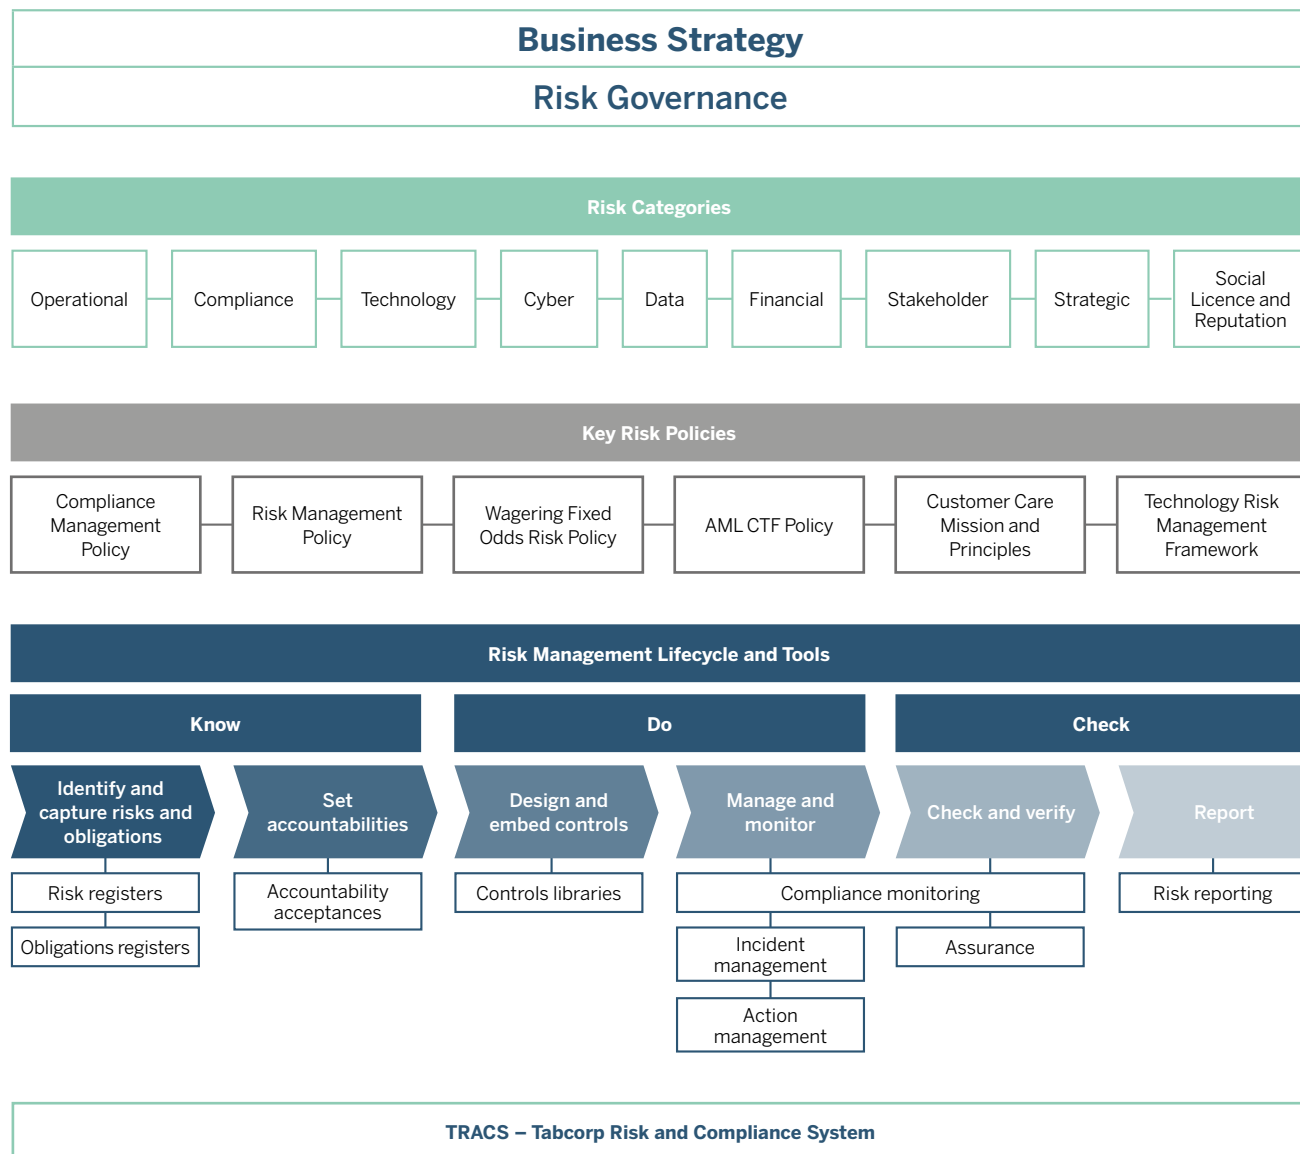

5.1. Risk Management Framework

Tabcorp's Risk Management Framework (summarised opposite) enables the effective identification, monitoring, management, reporting and oversight of risks across the Group, and is based on concepts and principles identified in the International Standard ISO 31000:2018 Risk Management – Guidelines.

The Risk Management Framework is periodically reviewed by the Risk and Compliance Committee to ensure it is sound and operating effectively, and that the Group is operating with due regard to risk appetite set by the Board. Where appropriate, Tabcorp also engages external expertise to assist in performing such reviews. During the reporting period, a review of Tabcorp's Risk Management Framework was undertaken.

Consistent with Tabcorp's focus on continuous improvement, during the reporting period a number of enhancements were made to Tabcorp's Risk Management Framework to further develop Tabcorp's approach to risk management, including enhancements in relation to Tabcorp's risk appetite statements, structure and operating model of Tabcorp Risk teams, as well as updates to key risk policies and frameworks. In FY22, further enhancements are planned and in progress.

📖 The material business risks for the Group and key mitigations are disclosed in the Directors' Report on pages 36 to 41 of the Annual Report 2021.

5.2. Governance and oversight of risk

The Board has established a Risk and Compliance Committee to assist the Board in overseeing risk management and compliance at Tabcorp. The responsibilities, functions and composition of this Committee are set out in section 4.3.

The Executive Risk and Compliance Committee, comprising all members of the ELT, provides management oversight of, and focus on, risk management and compliance activities in accordance with the Group's Risk Management Framework. This enables the ELT to:

- collectively and efficiently implement and manage risk and compliance frameworks, policies and tools;
- provide timely oversight and input into key risk, compliance and integrity issues;
- regularly receive and review reports relating to risk and compliance matters, and maintain an efficient and structured reporting cycle to the Board and the Risk and Compliance Committee; and
- maintain a strong risk and compliance culture across the Group.

The Group has also established separate risk and compliance committees for each of the Lotteries and Keno, Wagering and Media, Gaming Services and Technology divisions. These committees provide oversight of risk management and compliance matters at a business and functional unit level and ensure the appropriate escalation of matters to the Executive Risk and Compliance Committee and in turn to the Risk and Compliance Committee and through to the Board.

Following a review of the Group's operating model, on 1 March 2021 the previous Chief Risk Officer and Group General Counsel roles were combined into a new Chief Legal and Risk Officer (CLRO) role. The CLRO leads the Group's risk, legal, regulatory and governance functions, providing synergies and ensuring collaboration across each of these functions. The CLRO continues to be a member of the ELT, reporting directly to the MD & CEO and to the Risk and Compliance Committee.

Tabcorp recognises that all managers and employees have a role in managing risk and has defined roles, responsibilities and accountability for the management of risks across the Group in accordance with 'Three Lines of Accountability' governance model:

- day-to-day ownership and management of risk and controls is undertaken by business and functional units (Line 1) in accordance with the Risk Management Framework and policies, and using the tools established for monitoring compliance and managing risk;
- the CLRO function (Line 2) provides oversight, expertise and support to assist business and functional units in implementing formal risk management practices, processes and controls, capture knowledge and share experiences across the Group. The CLRO team engages with the business units to ensure a consistent approach to risk management is applied across the Group, and regularly reports to the Executive Risk and Compliance Committee and to the Board Risk and Compliance Committee; and
- Tabcorp's internal audit function (Line 3) provides management and the Board with independent and objective assurance on the effectiveness of the Group's risk management and control processes.

W The Risk and Compliance Committee Charter is available from the Corporate Governance section of Tabcorp's website at www.tabcorp.com.au/who-we-are/corporate-governance.

5.3. Recognition and management of risk

The Group's Risk Management Framework, policies and procedures set out the roles, responsibilities and guidelines for managing financial, operational and other risks associated with the Group's businesses.

Tabcorp management maintains, monitors and regularly reviews risk profiles for each of the Group's operating businesses, Technology function, and major projects. These profiles identify, among other things, the:

- nature and likelihood of occurrence for specific or potential material risks;
- applicable risk appetite statements;

- key controls that are in place to mitigate and manage the risk;
- sources and levels of assurance provided on the effective operation of key controls; and
- responsibilities for managing these risks.

These risk profiles, including any material exceptions, are regularly reported to the Executive Risk and Compliance Committee and the Risk and Compliance Committee, and are also considered as part of the annual internal audit planning process.

Business continuity plans, business impact risk assessments, disaster recovery plans and crisis response and management plans are maintained for key operations and functions. These plans are designed to enable us to respond to unplanned events and minimise the likely impacts of disruption to our people, customers and operations.

As part of various product development, product change management and marketing processes, certain risk assessments are required to be performed by specialist independent teams.

 The material business risks for the Group and key mitigations are disclosed in the Directors' Report on pages 36 to 41 of the Annual Report 2021.

 The Risk and Compliance Committee Charter is available from the Corporate Governance section of Tabcorp's website at www.tabcorp.com.au/who-we-are/corporate-governance.

5.4. Compliance management

Tabcorp has a Compliance Management Policy and established Risk Management Framework which are designed to ensure that managers and employees understand their compliance management accountabilities and responsibilities, and establish the systems and processes to ensure that the Group complies with its applicable obligations.

The Group utilises an enterprise-wide compliance system, known as the Tabcorp Risk and Compliance System (TRACS), which provides a consistent platform and uniform approach to collating and reporting relevant information from across the Group. The system enables teams to capture their key obligations, risks, controls, incidents and actions, assisting them to monitor whether practices and processes designed to ensure compliance have been operating effectively. TRACS also increases the visibility of potential issues, and assists the processes for resolving issues, including audit actions. Compliance management updates and incident reports are regularly reviewed by divisional risk and compliance committees, the Executive Risk and Compliance Committee and the Risk and Compliance Committee.

5.5. Internal control framework

The Group's internal control structure is overseen by the Board Risk and Compliance Committee and Board Audit Committee (having regard to their respective roles and responsibilities) and approved by the Board. This includes the roles performed by the Group's internal audit, risk management and compliance functions.

The design, operation and effectiveness of controls relating to material risks is assessed through declarations by senior executives who are responsible for the operation of those controls, together with assurance activities undertaken by the CLRO team, internal audit team, external auditor, and other assurance providers, where applicable.

The Group's strategic plan and a detailed budget are prepared annually and subject to the approval of the Board. Forecasts for the Group and each of the operating business units are regularly updated and reported to the Board throughout the year to enable the Board to monitor performance against the annual budget.

The Group has detailed policies and guidelines for the approval of capital expenditure including annual budgeting, review and approval of individual proposals and specific levels of authority between the Board and management as set out in the Delegated Authorities and Approval Limits Policy.

Tabcorp has a Treasury Policy approved by the Board which outlines a framework for the management of financial risks and sets out processes for the investment of surplus cash, management of debt and currency, interest rate risk management and ongoing reporting requirements to the Board. Tabcorp enters into interest rate and cross currency swaps to hedge interest rate and foreign exchange risk on debt. The Treasury department, overseen by the CFO, is responsible for managing the Group's finance facilities and interest rate, credit, liquidity and currency risks in line with policies approved by the Board.

5.6. Incident reporting

Incidents of non-compliance with Tabcorp's Risk Management Framework, such as with Tabcorp's policies or compliance obligations, are recorded and managed through TRACS. All businesses can log incidents, assign corrective action plans to mitigate risks and manage incidents, and monitor progress to resolve incidents. The Risk team oversees the incident management process and escalates as appropriate to senior management, and through to the Executive Risk and Compliance Committee, and the Board and its Risk and Compliance Committee.

Material breaches of key policies, such as Tabcorp's Code of Conduct and Anti-Bribery and Corruption Policy, as well as material matters reported under the Whistleblower Policy, are reported to the Risk and Compliance Committee, Audit Committee and/or to the Board (as appropriate).

5.7. Risk culture

Tabcorp is committed to maintaining a sound risk culture, consistent with our values and purpose of **Excitement with Integrity**. The Risk and Compliance Committee and Board actively monitor risk culture at Tabcorp and receive reports on a range of culture topics including key leading and lagging cultural indicators, which are designed to measure and monitor risk culture, and identify areas for further focus.

The Group has an accountability framework that clearly sets out the expectations of team members with regard to conduct and accountability, and assists management to determine the appropriate consequences for behaviours which are not in line with Tabcorp's culture, vision and purpose. Depending on the circumstances, potential consequences under the framework may include reduced remuneration outcomes, disciplinary actions and dismissal.

The remuneration outcomes for Group executives and senior managers are linked to the achievement of specific risk and compliance outcomes. Executives must act in line with the Group's risk management and compliance framework, display behaviours consistent with Tabcorp's Code of Conduct including "Do the right thing", and achieve specified targets set out in their balance scorecard to be eligible to receive short term incentives. Executive remuneration arrangements and outcomes are overseen by the People and Remuneration Committee with input from the Risk and Compliance Committee.

To maintain a strong risk culture, employees participate in ongoing training and awareness campaigns, and the Risk team works with business units throughout the annual risk management lifecycle to review and validate applicable risks, mitigating actions and controls, consider potential and emerging risks, and update the TRACS system.

Details about the link between executive remuneration outcomes and risk management and compliance are contained in the Remuneration Report on pages 51 to 76 of the Annual Report 2021.

5.8. Pandemic Preparedness Working Group

The Group has established the Pandemic Preparedness Working Group (PPWG) (previously called the COVID-19 Response Advisory Group) to coordinate and oversee the Group's response to the COVID-19 pandemic. The PPWG operates with regard to Tabcorp's Crisis Management Framework and assists management to effectively identify, triage, prepare for, and respond to, COVID-19 issues, support business continuity, and improving Group-wide resilience and responsiveness for potential future pandemics and other crises. The PPWG is overseen by the Chief Legal and Risk Officer, Chief Strategy Officer and Chief People Officer, and comprises senior management representatives from the Group's business and functional units. Key decisions and matters raised through the PPWG are regularly reported to the MD & CEO and the Board, as appropriate, to promote effective oversight and decision making.

6. INTEGRITY IN FINANCIAL AND CORPORATE REPORTING

6.1. External Auditor

During the reporting period, Tabcorp's external auditor was Ernst & Young. The Audit Committee regularly reviews the effectiveness, performance and independence of Tabcorp's external auditor. If it becomes necessary to replace the external auditor for performance or independence reasons, the Committee will formalise a procedure and policy for the selection and appointment of a new external auditor.

The Corporations Act 2001 (Cth) (Corporations Act) requires the external auditor to make an annual independence declaration, addressed to the Board, declaring that the auditor has maintained its independence in accordance with the Corporations Act and the rules of professional accounting bodies. Ernst & Young has provided an independence declaration to the Board for the reporting period, which forms part of the Directors' Report in the Annual Report.

Tabcorp maintains the rotation of the lead external audit partner every five years or less, as required by the Corporations Act, with the most recent change occurring after the conclusion of the FY21 audit.

Tabcorp is committed to maintaining auditor independence and has an External Auditor Independence Policy. Under this policy, the external auditor is prohibited from providing certain services which are considered or otherwise might be perceived to impair the auditor's independence and may only provide permissible non-audit services where there is a compelling reason to do so. The provision of permissible non-audit services must be pre-approved by the Audit Committee Chairman. The CFO provides periodic reports to the Audit Committee meeting describing any permissible non-audit services approved by the Chairman since the last report.

Details of the fees paid to Ernst & Young during the reporting period, including a breakdown of fees paid for non-audit services, are set out in the Directors' Report in the Annual Report. The Board has considered the nature of the non-audit services provided by Ernst & Young during the reporting period, and has determined that the services provided, and the level of fees paid for those services, are not incompatible with the general standard of independence for auditors imposed by the Corporations Act and that the auditor's independence has not been compromised.

The lead audit engagement partner of Ernst & Young attends Tabcorp's AGM and is available to answer shareholder questions relevant to the conduct of the audit, the preparation and content of the auditor's report, the accounting policies adopted in relation to the preparation of the financial statements, and the independence of the auditor. The Audit Committee regularly meets with the external auditor, without management present.

 Ernst & Young's independence declaration is available on page 50 of the Annual Report 2021.

 Details about the services provided by Ernst & Young and the fees paid or payable for those services are set out in the Directors' Report on page 49 of the Annual Report 2021.

 Tabcorp's External Auditor Independence Policy is available from the Corporate Governance section of Tabcorp's website at www.tabcorp.com.au/who-we-are/corporate-governance.

6.2. Management assurance

At the Board meetings to approve the Group's annual and half year financial statements, the Board received a declaration from the MD & CEO and the CFO in relation to their opinion of the Group's system of risk management and internal control. The declaration stated that in their opinion the financial records have been properly maintained, and that the financial statements complied with the appropriate accounting standards and that they gave a true and fair view of the financial position and performance of Tabcorp and of the Group, and that the opinion had been formed on the basis of a sound system of risk management and internal control which is operating effectively.

6.3. Internal Audit function

The purpose of the Internal Audit function is to provide independent and objective assurance and advisory services designed to improve Tabcorp's operations. It assists management and the Tabcorp Board to accomplish its objectives by bringing a systematic and disciplined approach to evaluate and improve the effectiveness of Tabcorp's governance, risk management and internal control processes.

The Tabcorp Internal Audit Charter sets out the roles, responsibilities, authority, activities, and reporting relationships of the Internal Audit function. During the reporting period, the Audit Committee reviewed and approved a revised Internal Audit Charter.

The Audit Committee recommends to the Board the appointment, and where appropriate the removal, of the Executive General Manager (EGM) Internal Audit, who should be suitably qualified and bring the requisite degree of skills, independence and objectivity to the role.

The EGM Internal Audit reports functionally to the Chairman of the Audit Committee and through that Committee, to the Board, and meets with the Audit Committee regularly with and without other members of management present.

The EGM Internal Audit is accountable to the Audit Committee for the effective operation of Tabcorp's Internal Audit function.

The Audit Committee annually approves an internal audit plan, as overseen by the EGM Internal Audit. The Audit Committee reviews the scope, results, adequacy, independence and effectiveness of the internal audit program of work, and the performance of the EGM Internal Audit and the internal audit function.

6.4. Integrity of disclosures in periodic reports

Tabcorp produces a number of periodic reports, including its Annual Report, Corporate Governance Statement, Interim Financial Report and Corporate Responsibility Report. The Group has in place processes to review and confirm the accuracy and reasonableness of the disclosures contained in these reports. Management undertakes a review of the disclosures in these reports, whereby subject matter experts and the relevant executives review and approve the disclosures. A legal review is also conducted of all disclosures. The Annual Report, Corporate Governance Statement and Interim Financial Report are then presented for review and approval to the relevant Board Committee and the Board.

The annual and half year Directors' Reports, including the operating and financial review section, are initially reviewed by the external auditor and subsequently by the Audit Committee prior to approval by the Board. The annual and half year Financial Reports are audited by the external auditor and reviewed by the Audit Committee prior to approval by the Board. The Remuneration Report is audited by the external auditor and reviewed by the People and Remuneration Committee prior to approval by the Board. The risk disclosures in the Annual Report and the Corporate Governance Statement are reviewed by the Risk and Compliance Committee prior to approval by the Board.

With respect to the annual Corporate Responsibility Report, the Group's community contributions are independently verified by the Business for Societal Impact, and disclosures are reviewed and approved by subject matter experts and the relevant executives.

7. KEY GOVERNANCE POLICIES AND PRACTICES

7.1. Code of Conduct

The Group has a Code of Conduct which is founded upon Tabcorp's values and sets out the standards of behaviour that are expected of all employees, Directors and contractors.

	Do it as One Team		Do the Right Thing		Explore What's Possible		Create Awesome Moments		Make a Difference
We are stronger together. We are inclusive, collaborative and know that amazing ideas can come from anywhere		We always act with integrity, standing up (and speaking out) for what's right		We listen. We think big. We ask 'what if'. Our curiosity for what's next will shape tomorrow		We all have the power to delight and inspire, so let's dial up the excitement and create awesome moments		We're passionate and proud about making a real change for customers, and benefiting our communities	

The Code of Conduct is one of the ways we put Tabcorp's integrity and values into practice. It's built around the recognition that everything we do in connection with our work at Tabcorp should be measured against the highest standards of ethical business conduct.

The Code of Conduct sets the expected standards of professional behaviour at Tabcorp and we apply the principles of our Code to ourselves and those who work alongside us. The Code of Conduct defines desired behaviour and asks team members to use the Code to support day-to-day decision making. It includes practical guidance for team members when something doesn't feel right including how to access support. This ensures that Tabcorp continues to offer a first-class entertainment experience for our customers, supports community, creates value for our shareholders and is a great place to work.

The Board, together with the MD & CEO, sets the 'tone from the top' by consistently demonstrating behaviours that are aligned with Tabcorp's Values and Code of Conduct. The Board oversees and approves material changes to the Code and key policies. The ELT and senior managers are responsible for instilling and reinforcing Tabcorp's values, the Code and Group policies. The Code and key policies are communicated to employees and made available to new starters. Training and awareness of the Code and key policies are provided to employees, and changes are communicated when required. For some employee groups, training is mandatory for specific policies and topics. The Code and all policies are published on the Company's intranet.

Material breaches of the Code and key policies are reported to the Board or relevant Committee as appropriate.

W Tabcorp's Code of Conduct and key policies are available from the Corporate Governance section of Tabcorp's website at www.tabcorp.com.au/who-we-are/corporate-governance.

7.2. Whistleblower framework

Consistent with our commitment to maintaining a culture of honesty and integrity, Tabcorp has a whistleblower policy and framework in place to respond to any reports of actual or suspected misconduct or other reputable conduct within Tabcorp and to protect whistleblowers from detrimental conduct and breaches of their confidentiality. Matters are reported through the Tabcorp Integrity Protection Service (TIPS), an independent, anonymous and secure service delivered by Deloitte, or to any of a number of Whistleblower Report Officers who are "eligible recipients" under the whistleblower laws.

The whistleblower program is overseen by an internal whistleblower committee, chaired by the CLRO, or the Chief People Officer if the CLRO is unavailable. This Committee has accountability and a direct reporting line to the Board Audit Committee through the Chairman of the Audit Committee, and where necessary or appropriate the Chairman of the Board. Reports made under the Whistleblower Policy and the progress of actions taken and outcomes of those processes are reported to the Audit Committee.

Everyone responsible for key elements of the Whistleblower Policy receives regular training regarding their role and responsibilities. Key components of the policy are regularly communicated to all employees to raise awareness of the policy, and to explain key features such as how to make a whistleblower report and the protections available to whistleblowers.

W Further information on TIPS is available from its website at www.tips.deloitte.com.au.

W TIPS is also accessible from Tabcorp's website at www.tabcorp.com.au/who-we-are/corporate-governance.

W Tabcorp's Whistleblower Policy is available from the Corporate Governance section of Tabcorp's website at www.tabcorp.com.au/who-we-are/corporate-governance.

7.3. Anti-bribery and corruption

Tabcorp has an Anti-Bribery and Corruption Policy which prohibits all forms of bribery, facilitation payments, paying or receiving secret commissions and fraud. It also sets the standards required of employees and contractors when dealing with third parties, and regarding the offering and acceptance of gifts and hospitality. Tabcorp maintains a Gifts and Hospitality Register and other controls and processes to support the policy, and implements additional procedures for managing higher risk matters. All team members and Directors undertake mandatory training regarding the policy. The Board oversees changes to the policy and should investigations determine that any material fraudulent or corrupt acts have occurred in breach of the policy, these are reported to the Board. The policy was reviewed and updated during the reporting period to ensure it remained current, fit for purpose and aligned with best practice and societal expectations.

W Tabcorp's Anti-Bribery and Corruption Policy is available from the Corporate Governance section of Tabcorp's website at www.tabcorp.com.au/who-we-are/corporate-governance.

7.4. Conflict of interest

Tabcorp has a Conflict of Interest Policy approved by the Board which sets out what employees and contractors are expected to do to identify, report and avoid an actual or apparent conflict between their personal interests and the interests of Tabcorp. Activities such as personal relationships, use of Tabcorp information or resources, or acceptance of gifts or hospitality are covered by the policy. The policy is supported by employee communications, an online conflict of interest declaration process and regular online learning. Tabcorp's Conflict of Interest Policy, Code of Conduct and other policies and controls are in place to support our people to conduct themselves with integrity and avoid any undue influence or perceived influence regarding their ethical behaviour, performance or decision-making.

7.5. Responsible entertainment

The Group is committed to taking a leadership position in the responsible delivery of its gambling products and support for customers. Customer care is at the core of our approach to responsible entertainment. We are committed to complying with, or exceeding, the requirements of relevant legislation in all areas in which we operate.

The Group operates under regulator prescribed Codes of Practice or company initiated Codes of Conduct for applicable businesses. This enables the Group to maintain compliance with the specific requirements in each state or territory, while being responsive to the individual circumstances of each of its Lotteries, Keno and TAB businesses. During the reporting period, the Group implemented a number of enhancements, including the launch of a program to further enhance our approach to customer care in Wagering and Media, implemented additional responsible gambling signage across all our retail venues, enhanced the early intervention model for Keno digital customers, and improved customer notifications for deposit limit changes. The Group will continue to work to improve the systems and processes, including employee training and awareness, that support its responsible gambling practices and codes to strengthen its commitment to customer care.

The Group has an Employee Gambling Policy which is a component of Tabcorp's commitment to delivering gambling products responsibly. Directors, employees and contractors are not permitted to gamble whilst on duty, whether on Tabcorp's gambling products or those of another operator, unless it is for an "Approved Use". Gambling off duty is permissible, but only where team members are not in a position to influence the outcome of a particular Tabcorp product. The policy also requires employees to disclose details of their Tabcorp customer accounts.

W Further details about the Group's commitment to responsible entertainment are available on pages 25 and 26 of the Annual Report 2021.

W Also refer to the Responsible Entertainment section of Tabcorp's website at www.tabcorp.com.au/corporate-responsibility/responsible-entertainment.

7.6. Anti-money laundering/counter-terrorism financing

The Group has a single joint anti-money laundering and counter-terrorism financing (AML/CTF) program that applies to the TAB and Gaming Services businesses. The AML/CTF program was reviewed and updated during the reporting period and approved in accordance with the AML/CTF Act and program.

The AML/CTF program and associated systems and functions are supported by ongoing training and communications to enable employees to understand and keep up to date with their obligations. The Tabcorp Board receives AML/CTF training and regular updates relating to AML/CTF risks and Tabcorp's response to these risks. Tabcorp remains committed to achieving the highest levels of regulatory compliance and remains focused on ensuring that its AML/CTF compliance system is best-in-class.

7.7. Sports integrity and animal welfare

The Group has integrity agreements in place with all major sports bodies and racing industries across Australia. The agreements allow for the sharing of information between the Group and sports/racing industry bodies to promote high levels of integrity among sports and racing.

As a participant in the thoroughbred, harness and greyhound racing industries through the offering of wagering products, Tabcorp expects the highest standards of animal welfare and integrity and has zero tolerance to animal cruelty, in racing and in society in general. Tabcorp is committed to working in partnership with racing industries to ensure the welfare of animals is prioritised.

7.8. Political contributions

As a listed entity operating in a highly regulated environment, Tabcorp has an obligation to its shareholders and stakeholders to participate in the process of public policy development. From time to time Tabcorp holds memberships of various networking forums organised by political parties and Tabcorp personnel attend networking events that support political parties as they participate in the democratic system of parliamentary government in Australia – at both a Commonwealth and state/territory level. Under various Australian laws the cost of these networking forums and events is classified as a 'political donation' and is sometimes required to be publicly disclosed.

Tabcorp takes a strict principles-based approach when making decisions about contributions to political parties. These principles are:

- strict compliance with all laws in Australia and overseas;
- an honest and transparent approach at all times;
- no 'cash only donations' are to be made to any political party or affiliate;
- a bi-partisan approach must be taken as much as is practicable; and
- all political contributions must have a public policy focus with the aim of creating value for customers, partners, the community and shareholders and, where possible, demonstrate to political stakeholders Tabcorp's strong links to its industry.

The Board has oversight of Tabcorp's Political Contributions Policy and approves Tabcorp's political contributions program each year. In the interest of transparency, Tabcorp discloses all political contributions made under our political contributions program to the Australian Electoral Commission (AEC) and other bodies, irrespective of whether such contributions are classified by law as a 'political donation' or are required to be disclosed.

During the reporting period, the public policy areas that Tabcorp advocated at networking events included:

- sustainable racing, wagering and lotteries sectors across Australia;
- strong responsible gambling and consumer protection laws;
- strategic priorities to create value for Tabcorp customers, partners, the community and shareholders; and
- government responses to COVID-19 to support our employees, venues, partners and the racing industry, and minimise disruption to Tabcorp's businesses.

For the financial year ended 30 June 2021, Tabcorp's political contributions totalled \$186,940 (FY20: \$190,445). These contributions were to meet the cost of memberships of political party business forums and attendance at events and party conference corporate days. No political contributions were made to overseas governments. Specific details of all political donations for the financial year ended 30 June 2021 will be provided in Tabcorp's annual disclosure report to the AEC. A link to Tabcorp's most recent AEC annual disclosure report is also available from the Tabcorp website.

W Tabcorp's Political Contributions Policy is available from the Corporate Governance section of Tabcorp's website at www.tabcorp.com.au/who-we-are/corporate-governance.

W Tabcorp's contributions to political parties are publicly available from the AEC website at www.aec.gov.au and from the Corporate Governance section of Tabcorp's website at www.tabcorp.com.au/who-we-are/corporate-governance.

7.9. Inclusion and Diversity

Tabcorp has an Inclusion and Diversity Strategy and Policy that is consistent with broader business and people priorities. The strategy sets out our commitment to a culture of inclusion and the creation of a bias-free workplace where all are welcomed and respected. The People and Remuneration Committee is responsible for overseeing the policy, monitoring Tabcorp's inclusion and diversity strategy and reviewing progress against measurable objectives established to achieve Tabcorp's gender diversity goals for both the Board and senior management.

The Board has introduced a target for the Tabcorp Board to comprise at least 40% female NEDs by the end of the 2023 financial year. The Board has also set a target to have at least 40% female representation in the Total Leadership Cohort by the end of the 2021 financial year. For these purposes, the Total Leadership Cohort comprises the ELT and the senior management team (direct reports to the ELT and their direct reports, as determined by meeting a minimum role size).

During the reporting period, Tabcorp enhanced its inclusion and diversity practices by:

- appointing an additional female Director, Janette Kendall, subject to regulatory approval;
- being the first of the ASX200 signatories to the investor led HESTA 40:40 Vision initiative;
- being named in the HBF Top 20 Best Australian Workplaces for New Dads for the second consecutive year;
- showcasing women in racing through the #NotOneDay campaign;
- advancing the Tabcorp Pride and Allies employee network;
- training offered on LGBTIQ+ awareness (for Pride Allies) and Trans and Gender Diverse Awareness;
- releasing the Tabcorp Gender Affirmation Statement of Support;
- commencing a new partnership with the Australian Network on Disability;
- launching cultural leave;
- extending unrestricted compassionate leave to be situation dependant; and
- enhancing our Domestic and Family Violence Support Policy.

Tabcorp is committed to ensuring that pay is fair and equitable across all team member demographics. The Board People and Remuneration Committee assesses gender pay equity annually and internal reviews are conducted several times a year. Our annual gender pay gap analysis found that in FY21 there was no pay gap in like-for-like roles between male and females across the Group.

These initiatives have supported Tabcorp being recognised for the sixth successive year as an Employer of Choice for Gender Equality by the Workplace Gender Equality Agency.

These initiatives also helped support our gender diversity measures. As at 30 June 2021, the proportion of female employees across the Group was:

- 29% of the NEDs (down from 38%⁽ⁱ⁾);
- 33% of the ELT (up from 30%⁽ⁱ⁾);
- 43% of the Total Leadership Cohort (up from 39%⁽ⁱ⁾); and
- 43% of the entire Group (unchanged⁽ⁱ⁾).

(i) Prior year comparison as at 30 June 2020.

At the date of this statement, the target 40% female representation in the Total Leadership Cohort by the end of FY21 had been exceeded. In the context of the proposed demerger of Tabcorp's Lotteries and Keno business, the Board has decided to maintain this gender diversity target and extend it to the end of FY22.

7.10. Securities Trading Policy

The Securities Trading Policy, which applies to all Directors, employees and contractors (and their associates), prohibits all Tabcorp personnel from dealing in securities at any time if they are in possession of inside information.

In addition, ELT members and their direct reports (Restricted Employees), Directors and their associates, must obtain prior approval to trade in Tabcorp securities, comply with the processes set out in the policy and are not permitted to trade during Blackout Periods.

The applicable Blackout Periods commence on:

- 1 January and end on the day Tabcorp announces its half year results (inclusively);
- 1 July and end on the day Tabcorp announces its preliminary full year results (inclusively);
- 1 October and end on the day of Tabcorp's AGM (inclusively); and
- any other period imposed by the Tabcorp Board or Chairman from time to time at their absolute discretion and without prior notice.

The policy sets out the process for Directors and Restricted Employees to obtain prior approval to trade in Tabcorp securities. Approval to trade in Tabcorp securities during a Blackout Period or within six months of acquisition will only be granted in exceptional circumstances, as set out in the policy.

The policy prohibits employees participating in any of Tabcorp's employee or executive equity or incentive plans from hedging the value of Restricted Shares or unvested Performance Rights. The policy also prohibits margin lending arrangements, short selling and engaging in speculative short term investing in relation to Tabcorp securities.

W Tabcorp's Securities Trading Policy is available from the Corporate Governance section of Tabcorp's website at www.tabcorp.com.au/who-we-are/corporate-governance.

7.11. Non-executive Director Shareholding Policy

In accordance with the Non-executive Director Shareholding Policy, NEDs are required to hold a minimum shareholding in Tabcorp approximately equivalent to one times the annual NED base fee for NEDs, or two times the annual NED base fee in the case of the Chairman of the Board.

NEDs are required to reach the applicable threshold within three years from appointment. All NEDs satisfy the policy as at the date of this statement. The value of the Chairman's shareholding was 1.3 times the base NED fee, and the average value of other current NED's shareholdings was 1.5 times the base NED fee, where the base NED fee is \$170,000 per annum excluding superannuation and using a Tabcorp share price of \$4.95 per share as at 30 July 2021, recognising that these figures reflect a number of recent appointments.

 The details of Tabcorp securities held by Directors are available on page 35 of the Annual Report 2021.

 Tabcorp's Non-executive Director Shareholding Policy is available from the Corporate Governance section of Tabcorp's website at www.tabcorp.com.au/who-we-are/corporate-governance.

7.12. Executive Shareholding Policy

The Executive Shareholding Policy sets mandatory minimum shareholding requirements applicable to members of the ELT. The aim of the policy is to ensure that there is an adequate level of alignment between the interests of executives, the Group and shareholders, through equity ownership.

Under the policy, the MD & CEO is required to hold the equivalent of a minimum of two times his annual fixed remuneration, while other executives are required to hold the equivalent of a minimum of one times their annual fixed remuneration in Tabcorp shares.

The minimum shareholding threshold must be achieved within five years from the date the executive is appointed into their role. Performance Rights are not counted towards this threshold. All ELT members satisfy the policy as at the date of this statement. The value of the MD & CEO's shareholding is 4.0 times his annual fixed remuneration, and the average value of shareholdings held by other current executive key management personnel is 0.8 times their annual fixed remuneration (using a Tabcorp share price of \$4.95 per share as at 30 July 2021), recognising that these figures reflect a number of recent appointments.

All purchased, restricted and unrestricted shares in Tabcorp held by the executive, or on their behalf, will count towards satisfying their minimum shareholding threshold.

 The details of Tabcorp shares held by executive key management personnel and their annual fixed remuneration are available in the Remuneration Report on pages 59 and 76 of the Annual Report 2021.

 Tabcorp's Executive Shareholding Policy is available from the Corporate Governance section of Tabcorp's website at www.tabcorp.com.au/who-we-are/corporate-governance.

7.13. Continuous disclosure

Tabcorp is committed to providing the market with timely, accurate and balanced disclosure in accordance with its obligations under the Corporations Act and ASX Listing Rules and has a Market Disclosure Policy which outlines how Tabcorp complies with its continuous disclosure obligations. Under the policy, the Board is responsible for overseeing Tabcorp's continuous disclosure obligations, including reviewing and approving disclosure of matters that are significant or within the reserved powers of the Board, including earnings guidance upgrades or downgrades, dividend policy or declarations, company-transforming events, significant corporate actions and matters of strategic or reputational significance. However the Board may consider any continuous disclosure matters.

A Disclosure Committee comprising the MD & CEO, CFO, CLRO, Company Secretary and General Manager Investor Relations is responsible for reviewing potentially disclosable information, referring such information to the Board or Chairman (where appropriate), overseeing announcements to the market or any other action that may be required (e.g. a trading halt request). The CLRO and Company Secretary are authorised to act as Disclosure Officers with responsibility for the day-to-day administration of and compliance with the policy, including coordinating the disclosure of information to the ASX. All employees are required to escalate potentially market sensitive information to a member of the Disclosure Committee or a Disclosure Officer as soon as they become aware of it.

Under the policy, only authorised spokespersons may speak on the Group's behalf to financial market participants (e.g. analysts, brokers, institutional investors and financial media). Authorised spokespersons must not disclose any market sensitive information that hasn't already been announced to the market or make comment on anything that may have a material effect on the price or value of Tabcorp's securities. Tabcorp has an External Communications Policy which covers dealing with enquiries from the media and other non-financial market external communications.

Tabcorp releases to the ASX all new investor and analyst presentation materials and AGM speeches prior to the presentations commencing. All ASX announcements made by the Company are available on Tabcorp's website and the Board promptly receives copies of all ASX announcements by email. Continuous disclosure is a standing agenda item at all Board meetings, and the Board considers whether any matters dealt with at a Board meeting require disclosure to the ASX in accordance with Tabcorp's continuous disclosure obligations.

W Tabcorp's Market Disclosure Policy is available from the Corporate Governance section of Tabcorp's website at www.tabcorp.com.au/who-we-are/corporate-governance.

7.14. Executive appointment, induction, performance assessment and succession

Tabcorp has a structured recruitment process for members of the ELT and employees. ELT members and other certain employees are required to undergo probity investigation and receive approval from applicable gambling regulators and/or government ministers. As part of this process, they must undergo pre-appointment screening prior to appointment, which includes (as relevant) the provision of extensive personal information and checks as to character, experience, education, bankruptcy history and criminal records. ELT members are also required to complete an annual questionnaire confirming, among other matters, they continue to be a suitable person to be associated with the conduct of activities performed by the Group under its respective licences.

Tabcorp has a formal induction and on-boarding program for all employees, including executives. This program provides information about the structure and operations of the Group, Tabcorp's Code of Conduct, key employee policies (such as the use of Tabcorp's gambling products, harassment and bullying), occupational health and safety, and equal opportunity. In addition, employees receive orientation regarding their specific responsibilities, duties and rights, meet with executives and team members and undergo familiarisation in their workplace.

Employees have agreed position descriptions that set out their duties, responsibilities, objectives and key performance indicators. Letters of appointment or employment contracts set out other key terms of employment, including term of office, rights, responsibilities and entitlements on termination of employment.

Formal performance reviews are conducted annually for all employees, including the MD & CEO and senior executives. Individual performance is assessed using a balanced scorecard setting out specific targets spanning financial, strategic, customer, organisation and people dimensions that are aligned to, and support, the Group's annual objectives and Tabcorp's values. At the end of the financial year, the performance of the MD & CEO is reviewed by the Board, and the People and Remuneration Committee, and the MD & CEO reviews the performance of each senior executive. Performance reviews for the MD & CEO and senior executives were undertaken in relation to the end of the 2021 financial year and at other intervals during the year. For senior managers who participate in the Company's Short Term Incentive scheme, any annual short term incentive awards are linked to the outcome of their individual performance review, as well as Group performance and business unit performance (as applicable to the role).

The Group has a succession plan for members of the ELT, which identifies the suitable candidates for possible future leadership roles. The plan identifies high calibre senior managers with the requisite experience and capabilities that best meet the organisation's needs, and includes programs to further develop leadership potential to support the continuity of the ELT.

W Refer to the Remuneration Report on pages 51 to 76 of the Annual Report 2021 for further information regarding the performance outcomes relevant to senior executives who were key management personnel during the reporting period.

7.15. Data security and privacy

Tabcorp is committed to ensuring the security and protection of company information, technology systems, services and equipment, and the privacy of personal information. Tabcorp has policies, procedures, practices, frameworks and resources in place to manage data security, privacy, and related risks.

Tabcorp's Information Security Policy sets out how employees use data responsibly, maintain security and privacy of information, and protect against physical and cyber security threats. Tabcorp has a Group-wide Information Security Strategy that is endorsed by the Board and supported by the Information Security Steering Committee. The strategy is risk-based, and the key focus is the protection of customer data and company sensitive information that is held by Tabcorp against external threats. Tabcorp's Chief Information Security Officer oversees the Group's information security arrangements and reports to the Chief Information Officer. Group-wide mandatory training and employee communications are regularly undertaken to improve cyber security awareness and reinforce positive messages and behaviours to support information security management.

Tabcorp handles personal information in accordance with the *Privacy Act 1988* (Cth), the Australian Privacy Principles (APPs) and its Group Privacy Policy which sets out how it collects, holds, uses and discloses personal information. Tabcorp has implemented practices, procedures and systems across the Group to ensure that personal information it holds is properly and securely handled in accordance with its privacy compliance obligations. Tabcorp takes steps to foster a culture of privacy awareness and good privacy practices through a variety of channels including its Code of Conduct, induction process, policies and procedures around data and how it is used, training programs and specific awareness raising events. Tabcorp regards non-compliance with these policies and procedures as a serious matter that may result in disciplinary action, including termination of employment or engagement with Tabcorp.

Tabcorp understands the importance of responsibility and accountability for privacy practice. Tabcorp's privacy program is managed by a Privacy Working Group, established under Tabcorp's Privacy Officer as part of the Chief Legal and Risk Office. Tabcorp has a dedicated privacy email inbox where individuals can contact the Privacy Officer to make inquiries, complaints, or access/correction requests. Tabcorp also has a Data Governance Council which oversees the management of data across the Group and is chaired jointly by representatives of our Executive Leadership Team. This Council meets periodically to review governance across Tabcorp data projects as well as considering and developing privacy and data best practice requirements across the Group. The Data Governance Council reports through to the Chief Strategy Officer team.

Data security and privacy are incorporated into Tabcorp's Risk Management Framework and TRACS, with key risks and any breaches reported to the Executive Risk and Compliance Committee, Risk and Compliance Committee and the Board as appropriate.

Tabcorp has a Data Breach Response Plan that sets out procedures for employees to follow in the event of an actual or suspected data breach, however no material data breaches have occurred during the reporting period.

As part of its Privacy Management Plan, Tabcorp evaluates its data security and privacy practices, procedures, and systems to ensure their continued effectiveness. The Tabcorp Internal Audit team also conduct a range of assurance and advisory services, including assessing compliance with Tabcorp's policies including in respect of information security, privacy, technology controls and the effectiveness of data management processes.

W Tabcorp's Privacy Policy and details for contacting Tabcorp's Privacy Officer are available on Tabcorp's website at www.tabcorp.com.au/privacy.

7.16. Corporate responsibility

Tabcorp is committed to the long term sustainability of its operations and industry, and aims to minimise the social and environmental impact of its operations while contributing positive economic and sustainable benefits for its stakeholders.

Our corporate responsibility strategy aims to deliver long term, sustainable value for shareholders, employees, stakeholders, and the community. The strategy aligns with Tabcorp's vision to be **The Trusted Gambling Entertainment Company**.

The key developments during the reporting period included:

- ranking first globally in the Casinos and Gambling sector in the Dow Jones Sustainability Index (DJSI) World and DJSI Australia Indices;
- publishing Tabcorp's first Modern Slavery Statement;
- launching Tabcorp's Human Rights Policy;
- exceeding the gender target set by the Board for Tabcorp's representation of women in the Total Leadership Cohort (refer section 7.9);
- further progress on progressing our Inclusion and Diversity Strategy (refer section 7.9); and
- launching a program to review and further enhance our approach to customer care in Wagering and Media (refer section 7.5).

Tabcorp publishes on its website an annual Corporate Responsibility Report which sets out the material corporate responsibility issues relevant to the Group. Tabcorp's Corporate Responsibility Report is prepared in accordance with the Global Reporting Initiative (GRI) Standards and sets out the extent to which Tabcorp and its stakeholders consider that the Group has any material exposure to environmental or social risks and how it manages, or intends to manage, those risks.

■ Tabcorp's commitment to corporate responsibility and the progress achieved during the 2021 financial year are discussed further in the Annual Report 2021 on pages 24 to 29.

W Tabcorp's Corporate Responsibility Report is published and accessible from Tabcorp's website at www.tabcorp.com.au/corporate-responsibility.

7.17. Engaging with shareholders

The Tabcorp Shareholder Communications Policy sets out the Group's procedures and guidelines for keeping shareholders, as well as other stakeholders, informed about the Group. Tabcorp is committed to communicating openly and in a timely manner through Tabcorp's website, Annual Report, dividend mailings, email broadcasts, the ASX, social media platforms and other means where appropriate.

The Tabcorp website provides a range of information about the Group, and a facility for interested persons to receive email notifications of major Tabcorp news releases. Major announcements and presentations, such as the annual and half year results and the AGM, are webcast live on Tabcorp's website and archived for at least twelve months.

Tabcorp and its share registry provide a service for its shareholders to receive all shareholder related communications electronically, including dividend statements, notices of meeting, and the Annual Report. This email service provides a secure, quick and convenient means for receiving this information while reducing costs and being environmentally friendly. Shareholders can also use the share registry's website to lodge their proxy appointment prior to the AGM.

Dedicated shareholder relations personnel are available to assist in responding promptly to all shareholder inquiries. Shareholders can contact Tabcorp's share registry, Link Market Services Limited, or Tabcorp directly by email, phone or mail. Contact details are available on the last page of Tabcorp's Annual Report or from the Contact Us section of Tabcorp's website.

Tabcorp encourages its shareholders to participate fully at its AGM. Important issues are presented to shareholders as single resolutions and full discussion of each item is encouraged. At each AGM, shareholders have the right to vote on Director elections and re-elections, and the remuneration arrangements applicable for Director and executive key management personnel with an advisory vote on the adoption of the Remuneration Report, and a vote on the grant of any long term incentives to the MD & CEO. Explanatory memoranda, where considered appropriate, are included with the notice of AGM in respect of items to be voted on at the meeting. Also, in the notice of AGM, Tabcorp encourages shareholders to submit prior to the AGM written questions about the governance and management of the Company. All resolutions which are voted on at the AGM are decided by a poll, rather than by a show of hands, to enable all shareholders and proxyholders who cast their proxies to be included in the voting process, including those who cannot attend the AGM. In the event that Tabcorp does not hold a physical AGM, including as a result of the COVID-19 pandemic and related government imposed restrictions on holding large gatherings, Tabcorp will implement measures to hold an online AGM using technologies to facilitate shareholder and proxyholder participation, including watching the meeting live, asking questions and voting during the AGM.

Tabcorp has an investor relations function that facilitates a program of engagement with institutional investors, prospective investors, broker analysts and proxy advisors. This program is aligned to Tabcorp's broader stakeholder engagement program, with a focus on providing periodic events and other forums for engagement with Tabcorp management and Directors. The Board and senior management are regularly updated regarding the progress with the investor relations program, and are informed of significant comments or concerns raised by investors, organisations that represent investors and shareholders, and proxy advisor groups.

📖 Shareholder related information is available at the back of the Annual Report 2021 on pages 131 and 132.
