Whispir Limited
(ASX : WSP)

FY21 Results Presentation Clarification

Whispir Limited (**Company**) clarifies that the FY21 Results Presentation lodged at 8:22am this morning contained an error in slide 16 in relation to the revenue composition percentage for FY21.

Total group revenue of \$47.7m remains unchanged; only the split in revenue components and their respective growth on the previous corresponding period have been updated to reflect the accurate numbers that were contained within the FY21 Appendix 4E.

The correct revenue composition is as follows:

- Transactional revenue comprised 68.0% of group revenue in FY21 and increased 30.6% on FY20
- Platform revenue comprised 29.0% of group revenue in FY21 and increased 10.4% on FY20

An updated FY21 Results Presentation will follow shortly.

This announcement has been authorised for release by the Company Secretary.

About Whispir

Whispir is a global scale SaaS company, founded in 2001 to provide a communications workflow platform that automates interactions between organisations and people.

Our products enable organisations to improve their communications through automated workflows to ensure stakeholders receive accurate, timely, useful and actionable insights in a manner that is sensitive to individual contexts and preferences. Our customers use Whispir's software to create interactive, multi-party and omnichannel communications from templates, solving simple to complex communications workflow tasks.

Whispir operates across three key regions of ANZ, Asia and North America.
