PARAGON CARE LIMITED – DIVIDEND REINVESTMENT PLAN

Resumption of Dividend Reinvestment Plan

In accordance with ASX Listing Rule 3.10.8, the Board of Paragon Care Limited (“Paragon” or the “Company”) is pleased to advise that it has resolved to recommence the Paragon Care Limited Dividend Reinvestment Plan (“DRP”) with immediate effect on amended terms.

The DRP will apply to Paragon’s FY21 fully franked final dividend of 1.0 cent per share payable on 1 October 2021 (“Final Dividend”). The Record Date for the Final Dividend is 14 September 2021.

Paragon is committed to capital management initiatives that will enhance shareholder value. The resumption of the DRP is consistent with this objective as it provides shareholders with a cost-effective means of reinvesting their dividends in the Company, while enabling the Company to preserve cash to take advantage of expansion opportunities and favourable long-term industry trends.

The DRP enables eligible shareholders in Australia and New Zealand to elect to take all or part of their dividends for which the DRP applies in the form of additional shares in Paragon in accordance with the Rules of the DRP (“Rules”). Shares will be issued under the DRP free of any brokerage, commission, stamp duty and other transaction costs and will rank equally with existing shares from the date of issue.

The price at which shares allocated under the DRP will be issued in relation to the Final Dividend will be the lower of:

- 25.0 cents per share (being the maximum price per share determined by the Board in accordance with the amended Rules of the DRP with respect to the Final Dividend); and
- the price derived by applying a discount of 5.0% to the volume weighted average market price of the Company’s shares (on an ex-dividend basis) during the five trading days commencing on and inclusive of the Ex-dividend Date for the Final Dividend, subject to the discretion of the Board to determine the market price in certain circumstances.

Eligible shareholders who wish to make or change an existing DRP election for the FY21 final dividend must, before the DRP Election Date of 5pm on 17 September 2021:

- make an election online via the share registry at www.linkmarketservices.com.au; or
- complete the Election Form (which will be sent to shareholders shortly) according to the instructions on the form and return it so that it is received by the share registry by the DRP Election Date.

Amendments to DRP

As noted above, the Board has made various amendments to the Rules of the DRP, and these amended terms apply to the DRP as recommenced. The main changes to the Rules concern the price at which DRP shares may be allotted and the DRP pricing period.

The amended Rules provide greater flexibility for the Board to determine the DRP issue price. They include, for example, the ability to specify a maximum DRP issue price, such as the maximum price of 25.0 cents per share determined by the Board with respect to the Final Dividend.

The amended Rules also specify that the five-day DRP pricing period commences on the relevant ex-dividend date, so that all trades for the purposes of determining the market price during the pricing period are based on ex-dividend market prices.

The Board believes that these amendments are favourable to shareholders and in the best interests of the Company.

A full copy of the Rules of the DRP as amended is attached to this announcement.

Underwriting of Dividend Reinvestment Plan for Final Dividend

In accordance with ASX Listing Rule 3.10.9, Paragon advises that it has fully underwritten the DRP for the FY21 fully franked final dividend of 1.0 cent per share.

The DRP underwriting from Taylor Collison Limited stockbrokers (the "Underwriter") is with full sub-underwriting support of new and existing sophisticated, professional and institutional investors.

The total amount of the interim dividend is \$3,378,853.

Shares will be issued to the Underwriter at the same price as the DRP issue price for an underwriting fee of 4.0% of the total underwritten amount. A summary of the significant events that could lead to a termination of the underwriting agreement is contained in Appendix A.

2 Commencement of the DRP

The DRP operates on and from the date determined by the Board and notified to Eligible Shareholders.

2.1 Entitlement to participate

Each Eligible Shareholder may participate in the DRP at the Eligible Shareholder's option and subject to these DRP Rules. Participation in the DRP is not transferable.

3 Applying to participate

3.1 Election Notice

To apply to participate in the DRP (either in respect of some or all of his or her Shares) an Eligible Shareholder must complete, sign and lodge an Election Notice with the Share Registry in accordance with these Rules.

3.2 Joint holders

All joint holders of Shares must sign a single Election Notice for it to be valid. If one or more of the joint holders of the Shares is not an Eligible Shareholder, none of the joint holders can apply to participate in the DRP with respect to the Shares jointly held.

3.3 Multiple shareholding accounts

If an Eligible Shareholder is shown in the Register as holding more than one parcel of Shares and has been allocated a unique shareholder identification number for each of those parcels, and wishes to participate in the DRP with respect to one or more of those parcels:

- a) a separate Election Notice must be lodged with respect to each of those parcels; and
- b) these Rules apply as if each of those parcels were registered in the name of a separate Eligible Shareholder (and, in the case where the Eligible Shareholder's application in relation to a parcel is accepted by the Board under Rule 5, a separate DRP Participant).

4 Degree of participation

4.1 Participation

- a) An Eligible Shareholder may participate in the DRP in respect of all his or her Shares or in respect of some only of those Shares.
- b) An Eligible Shareholder who wishes to participate in the DRP must elect on the Election Notice the degree to which the Eligible Shareholder wishes to participate in the DRP. Participation in the DRP may be:
 - i. **Full Participation** - all of the Shares registered in the DRP Participant's name from time to time are to participate in the DRP, in which case all the Shares registered in the name of that DRP Participant at or after the DRP Participant's Election Notice was accepted by the Board (or receipt by the Share Registry of the Variation Notice) are DRP Shares; or
 - ii. **Partial Participation** – some only of the Shares registered in the DRP Participant's name are to participate in the DRP, subject to paragraph (c), that number of Shares nominated by the DRP Participant in the Election Notice (or a Variation Notice), and any Shares issued to the DRP Participant under the DRP after the DRP Participant's Election Notice was accepted by the Board (or receipt by the Share Registry of a Variation Notice), are DRP Shares.

- c) If at the Record Date for an Eligible Dividend the number of Shares held by the DRP Participant is less than the number of Shares that are DRP Shares of the DRP Participant as determined under Rule 4.1(b)(ii), then only those Shares registered in the name of the DRP Participant on that Record Date are DRP Shares.

4.2 Application taken to be for full participation

An Election Notice received by the Share Registry is taken to be an application for Full Participation in the DRP if the Eligible Shareholder does not clearly indicate the degree of participation in the DRP.

4.3 Limited participation

Despite Rule 4.1, the Board may at any time by written notice to Eligible Shareholders limit participation in the DRP by limiting the amount of Eligible Dividend which may be reinvested under the DRP.

4.4 Discontinuing participation

- a) The Board may in its absolute discretion discontinue the participation of a DRP Participant in the DRP without giving reasons.
- b) If the Board discontinues a DRP Participant's participation in the DRP, it must notify that person as soon as practicable.

5 Acceptance of applications

5.1 Application

Subject to Rule 5.2 and Rule 5.3, applications to participate in the DRP will be effective on receipt of the Election Notice by the Share Registry.

5.2 Board discretion

The Board may in its absolute discretion accept or refuse any Election Notice, without being bound to give any reason for doing so. If the Board refuses to accept an Election Notice, the Company must notify the Eligible Shareholder as soon as practicable that the Election Notice has been rejected.

5.3 Effectiveness of Election Notice

- a) Subject to Rule 5.1, an Eligible Shareholder's participation in the DRP will commence from the first Eligible Dividend payment after receipt of the Election Notice, provided it is received 1 day after the Record Date for that Eligible Dividend, and will continue until:
 - i. superseded by a later Variation Notice;
 - ii. termination or cessation of the DRP Participant's participation in the DRP; or
 - iii. the DRP is suspended or terminated.
- b) An Election Notice which is received by the Share Registry after Record Date plus one day for an Eligible Dividend is not effective for that Eligible Dividend, but takes effect in respect of the next Eligible Dividend.

5.4 Effect of application

By applying to participate in the DRP, the Eligible Shareholder agrees to be bound by these Rules and the Constitution in respect of all Shares issued to (or acquired for) the Eligible Shareholder under the DRP.

5.5 Significance of applying

By applying to participate in the DRP in accordance with Rule 3, each applicant:

- a) warrants to the Board that it is an Eligible Shareholder;
- b) authorises the Company (and its officers or agents) to correct any error in, or omission from, an Eligible Shareholder's Election Notice or any later Variation Notice, but acknowledges that the Company has no obligation to correct any error in, or omission from, any Eligible Shareholder's Election Notice or any later Variation Notice;
- c) acknowledges that the Company may at any time irrevocably determine that an applicant's Election Notice is valid, in accordance with these Rules, even if the Election Notice is incomplete, contains errors or is otherwise defective;
- d) acknowledges that the Board may reject any Election Notice in its absolute discretion without being bound to give any reason for doing so;
- e) acknowledges the discount (if any) applicable under Rule 6 may be different from one Eligible Dividend to the next; and
- f) acknowledges that none of the Directors, the Company or the Share Registry has provided the applicant with investment advice or financial product advice, and that none of the Directors, the Company or the Share Registry has any obligation to provide such advice concerning any Eligible Shareholder's decision to apply to participate in the DRP.

5.6 Record of DRP participation

- a) The Company will record for each DRP Participant particulars of:
 - i. the name and address of the DRP Participant; and

- a) The Company must establish and maintain a DRP Account for each DRP Participant.
- b) Subject to this Rule 6, in respect of each Eligible Dividend, the Company must:

 - ii. calculate (if applicable) the amount to be withheld or deducted under Rule 6.2, and any other sum the Company is entitled to retain in respect of a DRP Participant's DRP Shares;
 - iii. credit the amount calculated under paragraph (i) above and debit any amount calculated under paragraph (ii) above to the DRP Participant's DRP Account;

 - v. on behalf of and in the name of the DRP Participant, subscribe for or purchase the number of Shares determined under paragraph (iv) above and debit the DRP Participant's DRP Account in payment for those Shares (with no cash balance being carried forward in the Participant's DRP Account).

6.4 Entitlement formula

- a) Subject to the discretion of the Board, the number of Shares to be issued or transferred to each DRP Participant in relation to an Eligible Dividend, will be the whole number equal to (or when not a whole number, be rounded to the nearest whole Share, with 0.5 of a Share rounded down) the number represented by "A" calculated in accordance with the following formula:

$$A = \frac{D - T}{M \text{ or } F \text{ (as the case may be)}}$$

Where:

- D** is the Eligible Dividend payable on the DRP Participant's DRP Shares as at the Record Date for that Eligible Dividend which may be reinvested under the DRP;
- T** is any withholding tax or other sum the Company is entitled to deduct or retain in relation to the Eligible Dividend or the DRP Shares; and

- b) Shares will not be issued under the DRP if the issue of such Shares would breach any provision of any Applicable Law.

6.5 No discount unless otherwise determined

- a) The Board may, in its sole discretion, resolve from time to time to apply a discount for the purpose of calculating the Market Price in relation to a particular Eligible Dividend.

- b) No discount will apply for the purpose of calculating the Market Price unless the Board determines otherwise and notifies DRP Participants of such determination in accordance with these Rules.
- c) Any discount determined by the Board in respect of the DRP for a particular Eligible Dividend may differ from any discount (if any) determined by the Board in respect of the DRP for any future Eligible Dividends.

6.6 No maximum and/or minimum unless otherwise determined

- a) The Board may, in its sole discretion, resolve from time to time to determine that the Market Price will be subject to a maximum and/or minimum price in relation to a particular Eligible Dividend.
- b) The Market Price will not be subject to a maximum and/or minimum price unless the Board determines otherwise and notifies DRP Participants of such determination in accordance with these Rules.

6.7 Provision of Shares

Shares to be issued under the DRP must be fully paid up and issued or transferred as soon as practicable after the relevant dividend payment date.

6.8 Quotation on ASX

Where Shares are issued under the DRP, the Company must promptly (and, in any event, within the time period required by the Listing Rules) make application for each issue of Shares under the DRP to be quoted on ASX.

6.9 Constitution prevails

Despite anything contained in these Rules, neither the Company nor the Board has any obligation to issue or transfer Shares to DRP Participant if to do so would or might (in the opinion of the Board) result in a breach of the Constitution.

7 Shares provided under the DRP

7.1 Rights attaching to Shares

All Shares issued under the DRP will from the date of issue rank equally in all respects with existing Shares.

7.2 Holding statements

As soon as practicable after each issue of Shares under the DRP (and in any event within the period required by the Listing Rules), the Company will send to each DRP Participant, a statement setting out:

- a) the number of the DRP Participant's DRP Shares on the Record Date for the relevant Eligible Dividend;
- b) the Eligible Dividend payable in respect of that DRP Participant's DRP Shares which has been applied towards subscribing for additional Shares;
- c) if applicable, the amount of any withholding tax or other amount under Rule 6.3(b) which has been deducted or retained from the Eligible Dividend payment on the DRP Participant's DRP Shares;
- d) the number, issue price and issue date of additional Shares allotted to that DRP Participant under the DRP;
- e) the number of Shares (including DRP Shares) in respect of which that DRP Participant is the registered holder after the allotment; and
- f) any franking credit which is attached to the Eligible Dividend.

7.3 Allotment and dispatch of statements

Shares to be issued under the DRP will be issued by the Company within the time required by the ASX, and shareholder statements for the Shares will be dispatched as soon as practicable after the Share issue, if so required by the Constitution.

7.4 Participants to be bound

DRP Participants are at all times bound by the DRP Rules.

7.5 Costs to Participants

No brokerage, commission or other transaction costs will be payable by DRP Participants in respect of Shares issued under the DRP. However, the Company does not assume liability for any taxes or other imposts assessed against or imposed on any DRP Participant.

8 Variation or withdrawal from DRP

8.1 Variation or withdrawal by notice

- a) A DRP Participant may vary the number of his or her Shares participating in the DRP by giving a Variation Notice to the Share Registry. A Variation Notice can be obtained by contacting the Share Registry.
- b) A DRP participant may cease participating in the DRP by giving a Withdrawal Notice to the Share Registry. A Withdrawal Notice can be obtained by contacting the Share Registry.
- c) Subject to paragraph (d), a notice given under (a) or (b) is effective from the time it is received by the Share Registry.
- d) A notice which is given under paragraph (a) or (b) which is received after the Record Date for an Eligible Dividend is not effective for that Eligible Dividend, but takes effect in respect of the next Eligible Dividend.

8.2 Participation taken to be terminated

If a DRP Participant disposes of all the DRP Participant's Shares without giving the Share Registry a Variation Notice and is not registered as a holder of any Shares at the Record Date for payment of an Eligible Dividend, the DRP Participant is taken to have ceased participation in the DRP on the last date when the Company registered a transfer of the DRP Participant's Shares.

8.3 Part disposal and no notice

If a DRP Participant disposes of part of the holding of Shares of that DRP Participant, and does not notify the Share Registry the Shares disposed of, to the extent possible, will be taken to be:

- a) firstly, Shares which are not DRP Shares; and
- b) secondly, DRP Shares.

8.4 Death or bankruptcy of DRP Participant

- a) If a DRP Participant (or any of the joint holders that constitute a DRP Participant) dies the participation of that DRP Participant in the DRP ceases when the Share Registry receives written notice of the death.
- b) If a DRP Participant is declared bankrupt or is wound-up, the participation of that DRP Participant in the DRP ceases when the Share Registry receives written notice of the bankruptcy or winding-up from the DRP Participant or the DRP Participant's trustee in bankruptcy or liquidator, as the case may be.

- c) The death, bankruptcy or winding up of one or more joint holders does not automatically terminate participation in the DRP provided the remaining holder or all remaining joint holders are Eligible Shareholders.

9 Suspension of the DRP

9.1 Suspension of DRP

The Board may suspend operation of the DRP from time to time in its absolute discretion.

9.2 Suspension

Suspension under Rule 9.1 takes effect from the date decided by the Board and continues until the Board resolves to recommence the DRP or terminate it. The date of suspension and the date of commencement of the DRP must be notified to Eligible Shareholders by the Company as soon as reasonably practicable before or after the effective date for the suspension or commencement.

9.3 Participation

DRP Participants' elections as to participation in the DRP cease to be effective during the period of suspension under this Rule 9, and all Shares are taken not to be DRP Shares for the purpose of any Eligible Dividend declared while the DRP is suspended. While the DRP is suspended, Eligible Dividends on DRP Shares will not be applied by the Company on the DRP Participant's behalf.

9.4 Recommencement

- a) The Board may resolve to recommence operation of the DRP following a suspension on conditions it thinks appropriate.
