Dear Dean,

**AUSSIE BROADBAND LIMITED – REQUEST FOR TRADING HALT**

Pursuant to ASX Listing Rule 17.1, Aussie Broadband Limited (ASX: **ABB**) (the **Company**) requests an immediate trading halt of the Company's securities quoted on the Australian Securities Exchange (**ASX**).

The Company is in the process of making and finalising arrangements in relation to a potential capital raising. The trading halt is requested until an announcement is made to the market in relation to the outcome of the proposed capital raising or the commencement of trading on Thursday, 9 September 2021, whichever is earlier.

The Company is not aware of any reason why the Trading Halt should not be granted.

The trading halt request has been authorised by the Managing Director and Board of Aussie Broadband Limited.

If you require any further information please let me know.

A handwritten signature in black ink, appearing to read "B. Maher".

**About Aussie Broadband Limited:**

Aussie Broadband is an Australian owned and operated telecommunications company that was formed in 2008 and is based in Morwell Victoria, Australia.

The company's main focus is nbn™ (NBN) subscription plans and bundles to residential homes, small businesses, not-for-profits, corporate/enterprise and managed service providers.

As a licensed carrier, the company provides these services through a wholesale agreement with NBN Co, a mix of leased backhaul infrastructure from third parties and its own network equipment.

The company also offers a range of other telecommunications services including VOIP, mobile plans and handsets, entertainment bundles through its partnership with Fetch TV and connections through its own fibre, the Opticomm network and its white label platform.
