Dear Option Holder,

IMPORTANT REMINDER FOR OPTION HOLDERS

The Board of WCM Global Growth Limited (the **Company**) (ASX:WQG) wishes to remind option holders that **the deadline for options to be exercised so that the new shares will receive the Company's FY2021 fully franked final dividend of 2.5 cents per share is 5.00pm on 17 September 2021**.

Exercising your options is easy. Simply complete an option exercise form, which you can [download here](#), email it back to the share registry and make payment conveniently via electronic funds transfer.

The Board previously announced its intention to increase the Company's dividends over the next 12 months, with the interim dividend for the current financial year (**FY2022**) expected to increase to 2.75 cents per share and the final dividend for FY2022 expected to increase to 3.0 cents per share¹. It is also anticipated that the FY2022 interim and final dividends will be fully franked.

Option holders who exercise their options by **5pm on 17 September 2021** and continue to hold the new shares at the relevant record dates will be eligible for the three dividends outlined above.

Based on the option exercise price of \$1.50 per option, the total amount of these three dividends of **8.25 cents per share fully franked** equates to an attractive net dividend yield of **5.5%**, and a gross dividend yield of **7.86%** (including expected franking credits), over the period to September 2022.

New shares issued pursuant to the exercise of options by **5.00pm on 17 September 2021** will also be eligible to participate in the Company's Dividend Reinvestment Plan (**DRP**) with respect to the FY2021 final dividend. Shares issued under the **DRP** will be issued at a 3% discount to the volume weighted average price in accordance with the Rules of the **DRP**.

Your options will continue to be exercisable at any time until 31 August 2022 if you take no action.
