## EXPLANATORY STATEMENT

---

This Explanatory Statement has been prepared for the information of the Shareholders of the Company in connection with the business to be conducted at the online Annual General Meeting at 10.30am (AEDT) on Thursday 21 October 2021 (Meeting).

This purpose of this Explanatory Statement is to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions in the Notice of Meeting.

---

### 1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Annual General Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2021 together with the declaration of the Directors, the Directors' report, the remuneration report and the auditor's report.

The Company is not required to provide a hard copy of the Company's annual financial report to Shareholders unless a Shareholder has specifically elected to receive a printed copy.

Whilst the Company will not provide a hard copy of the Company's annual financial report unless specifically requested to do so, Shareholders may view the Company annual financial report on its website at [www.iodm.com.au](http://www.iodm.com.au)

---

### 2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

#### 2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the Directors or the Company.

The remuneration report sets out the Company's remuneration arrangements for the Directors and senior management of the Company. The remuneration report is part of the Directors' report contained in the annual financial report of the Company for the financial year ending 30 June 2021.

A reasonable opportunity will be provided for discussion of the remuneration report at the Annual General Meeting.

#### 2.2 Voting consequences

Under changes to the Corporations Act which came into effect on 1 July 2011, if at least 25% of the votes cast on Resolution 1 are voted against adoption of the remuneration report in two consecutive annual general meetings, the Company will be required to put to Shareholders a resolution proposing the calling of an extraordinary general meeting to consider the appointment of Directors of the Company (**Spill Resolution**) at the second annual general meeting.

If more than 50% of votes cast are in favour of the Spill Resolution, the Company must convene the extraordinary general meeting (**Spill Meeting**) within 90 days of the second annual general meeting. All of the Directors who were in office when the Directors' report (as included in the Company's annual financial report for the financial year ended immediately before the second annual general meeting) was approved, other than the Managing Director of the Company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting. Following the Spill Meeting those persons whose election or re-election as Directors is approved will be the Directors of the Company.

#### 2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

#### 2.4 Proxy Restrictions

Shareholders appointing a proxy for Resolution 1 should note the following:

***If you appoint a member of the Key Management Personnel as your proxy***

If you elect to appoint a member of Key Management Personnel whose remuneration details are included in the Remuneration Report, or a Closely Related Party of that member, ***you must direct the proxy how they are to vote***. Undirected proxies granted to these persons will not be included in any vote on Resolution 1.

***If you appoint the Chair as your proxy***

If you elect to appoint the Chair as your proxy, you do not need to direct the Chair how you wish them to exercise your vote on Resolution 1.

***If you appoint any other person as your proxy***

You do not need to direct your proxy how to vote, and you do not need to tick any further acknowledgement on the proxy form.

---

### 3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – MR ANTHONY SMITH

Clause 8.1(c) of the Constitution requires that if the Company has three or more Directors, one third (or the number nearest one-third) of those Directors must retire at each annual general meeting, provided always that no Director (except a Managing Director) shall hold office for a period in excess of 3 years, or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself or herself for re-election.

A Director who retires by rotation under clause 8.1(c) of the Constitution is eligible for re-election.

Accordingly Mr Anthony Smith retires in accordance with the Constitution and, being eligible for re-election, offers himself for re-election at the Annual General Meeting.

---

### 4. RESOLUTION 3 – RATIFICATION OF PRIOR ISSUE – SHARES

#### 4.1 General

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

ASX Listing Rule 7.4 sets out an exception to ASX Listing Rule 7.1. It provides that where a company in a general meeting ratifies the previous issue of securities made pursuant to ASX Listing Rule 7.1 (and provided that the previous issue did not breach ASX Listing Rule 7.1) those securities will be deemed to have been made with shareholder approval for the purpose of ASX Listing Rule 7.1.

By ratifying this issue, the Company will retain the flexibility to issue equity securities in the future up to the 15% annual placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

#### Resolution 3 – Ratification of previous issue of shares to professional and sophisticated investors

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to the Share Placement Ratification:

- (a) 11,666,667 shares were issued pursuant to Listing Rule 7.1;
- (b) the issue prices of the Shares were as follows  
\$0.015
- (c) the issue date was 5 January 2021
- (d) the Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (e) the Shares were issued to a UK professional investor under a private placement who was not a related party or associate of the Company; and
- (f) funds raised from the exercise of options were used to fund the development of new architecture

#### Directors' recommendation

The Directors recommend that you vote in favour of this resolution.

.

### 5. RESOLUTION 4 - APPROVAL OF EMPLOYEE SHARE OPTION PLAN

#### 5.1 Background

Resolution 4 seeks Shareholder approval to adopt the Employee Share Option Plan (ESOP) to enable the Company to issue Performance rights and/or Options to eligible directors, executives and senior employees.

The Company considers that the participation in the ESOP, that is structured around equity-based compensation, is necessary and appropriate to attract and retain high calibre professionals to the Company while prudently managing the Company's cash reserves.

Under Listing Rule 7.2, Exception 13, for issues under an employee incentive scheme not to count towards the 15% capacity to issue share capital in a 12 month period without Shareholder approval, Shareholder approval of the employee incentive scheme is required:

- Every three years; or

- If there is a material change to the term of an approved employee incentive scheme

If this Resolution 4 is not passed, and if the Board decides to issue any Performance Rights under the ESOP (notwithstanding the non-approval), any Performance Rights issued will be included in calculating the Company's capacity under Listing Rule 7.1 effectively decreasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the issue date.

## 5.2 Specific information by Listing Rule 7.2

For the purpose of Listing Rule 7.2, Exception 13 the following information is provided

A summary of the material terms of the ESOP is set out in Schedule 1 and form part of the Notice. A full copy of the ESOP is available at the Company's website.

This is the first time the Company has sought approval of the Plan. The securities previously issued under the Plan are detailed in the Company's 2021 Annual Report. As at the date of this notice, the Company has a total of 12,667,804 Unquoted options on issue to Eligible Employees in accordance with the terms of the Plan as in force at the time.

## Directors' Recommendation

The Directors recommend you vote in favour of this resolution. If an offer is made to KMP and Directors to participate in the ESOP, then separate Shareholder approval will be obtained prior to Performance rights and/or Options being issued.

---

## 6. RESOLUTION 5 TO 9 PROPOSED ISSUE OF DIRECTOR SHARE OPTIONS TO KEY MANAGEMENT PERSONNEL AND DIRECTORS AND/OR NOMINEES

Resolutions 5 to 9 seek the approval of Shareholders to issue a total of 1,410,000 Employee Share Options to the Key Management Personnel (KMP - CEO and COO) and being Mr M Reilly, Ms P Halsall, and Non-Executive Directors being Dr Paul Kasian, Mr Anthony Smith and Mr Brian Jamieson (and/or their nominees). Approval is sought pursuant to section 208 of the Corporations Act and Listing Rule 10.14.

### 6.1 Background

The Key Management Personnel and Director Employee Share Options contemplated by Resolutions 5 to 9 will be issued to the KMP and Directors to align the long term goals of the KMP and Directors with that of Shareholders and to establish an incentive for the KMP and Directors to provide ongoing dedicated services to the Company. These Employee Share Options are intended to provide remuneration to the KMP and Directors (and/or their nominees) that is linked to the performance of the Company. The benefit would only be received from the KMP and Director Employee Share Options upon the Share price exceeding the exercise price of the KMP and Director Employee Share Options and thereby warranting their exercise.

Under the Company's current circumstances, the Directors consider that the incentive noted above, represented by the issue of KMP and Directors Employee Share Options, is a cost effective and efficient reward and incentive to provide the KMP and Directors, as opposed to alternative forms of incentive such as payment of cash compensation only. In addition, the Board consider it prudent to remunerate the KMP and Directors by way of KMP and Director Employee Share Options as to preserve the cash reserves of the Company.

The terms of the Employee Share Plan (ESOP) are summarised in Schedule 1.

### 6.2 Section 208 of the Corporations Act

Section 208 of the Corporations Act states that a public company cannot give a "financial benefit" (including an issue of shares and options) to a "related party" of the Company unless one of the exceptions set out in section 210 to 216 of the Corporations Act apply, or the holders of ordinary securities have approved the giving of the financial benefit to the related party in a general meeting.

Each of the KMP and Directors is a related party of the Company within the meaning specified under section 228 of the Corporations Act. Further, the provision of the KMP and Director Incentive Options constitutes a financial benefit within the meaning of section 229 of the Corporations Act. Accordingly, Shareholder approval is sought under section 208 of the Corporations Act to permit the issue of the Director Employee Share Options on the terms set out in Resolutions 5 to 9 to the Directors (and/or their nominees) as related parties of the Company.

As required by section 219 of the Corporations Act, the following information is provided in relation to Resolutions 5 to 9:

### 6.3 ASX Listing Rule 10.14

ASX Listing Rule 10.14 provides that a company must not issue equity securities to key management personnel and director or an associate of a director of the company under an employee incentive scheme without the approval of holders of ordinary securities, or to a person whose relationship with the company or a related party of the company is, in ASX's opinion, such that approval should be obtained. Further, ASX Listing Rule 7.2 (Exception 14) states that approval pursuant to ASX Listing Rule 7.1 is not required if shareholder approval is obtained under ASX Listing Rule 10.14.

The KMP and Directors are related parties of the Company within the definition specified in ASX Listing Rule 19.12. The issue of the KMP and Director Employee Options under Resolutions 5 to 9 will not affect the capacity of the Company to issue securities in the next 12 months under ASX Listing Rule 7.1, as those Director Incentive Options (once issued) will be excluded from the calculations under ASX Listing Rule 7.1.

## 7. RESOLUTION 10 – INCREASE IN NON-EXECUTIVE DIRECTORS' FEES

For the purposes of Listing Rule 10.17 and clause 8.3(a) of the Constitution, Shareholder's approval is sought to increase the Directors' aggregate fee limit (AFL) by \$200,000 to \$750,000 per annum (up from \$550,000 per annum). In accordance with Listing Rule 10.17, the AFL is inclusive of superannuation contribution made by the Company for the benefit of Directors and any fees which a Director agrees to sacrifice on a pre-tax basis.

Listing Rule 10.17 provides that an entity must not increase the total amount of Directors' fees payable by it or any of its child entities without the approval of shareholders of its ordinary securities. The rule does not apply to the salary of an Executive Director. Listing Rule 10.17 also requires that the amount of any increase and the maximum amount payable annually to the Directors as a whole be stipulated.

It is considered appropriate and necessary to set an aggregate level of fees payables to Non-Executive Directors that ensure the Company is able to attract and retain appropriate persons as Non-Executive Directors. The current aggregate level of fees payables to Non-Executive Directors of \$550,000 is not considered to be adequate. Accordingly, it is proposed that the amount of funds available for payment of fees to Non-Executive Directors be increased by \$200,000 to \$750,000 per annum.

The proposed level of permitted fees does not mean that the Company must pay the entire amount approved as fees in each year. However, the Board considers that it is reasonable and appropriate to establish this amount as this will provide the Company with flexibility to attract appropriately qualified Non-Executive Directors and to act quickly if the circumstances require it.

On 21 November 2019 following Shareholder approval at the 2019 AGM the following options were issued to Non-Executive Directors under the Employee Share Option Plan.

Director	No Options	Exercise Price
Dr Paul Kasian	909,091	\$0.066
Mr Anthony Smith	1,675,758	\$0.066
Mr Brian Jamieson	1,125,000	\$0.096

## 8. RESOLUTION 11 – APPROVAL OF 10% PLACEMENT FACILITY

### 8.1 General

Listing Rule 7.1A enables eligible entities to seek Shareholder approval to issue Equity Securities up to 10% of its issued share capital through placements over a 12 month period after the annual general meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a market capitalisation of \$300 million or less (excluding restricted securities and securities quoted on a deferred settlement basis).

The Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a market capitalisation of \$217,332,724 as at 1 September 2021.

The Company is now seeking shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility. The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 8.2(c) below).

The effect of Resolution 11 will be to allow the Company to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1 or without Shareholder approval.

Resolution 11 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

### 8.2 Description of Listing Rule 7.1A

#### (a) Shareholder Approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting.

#### (b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

#### (c) Formulae for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

**(A x D) – E**

**A** is the number of shares on issue 12 months before the date of issue or agreement

- (i) plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2;
- (ii) plus the number of partly paid shares that become fully paid in the 12 months;
- (iii) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under Listing Rule 7.1 and 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without shareholder approval;
- (iv) less the number of fully paid shares cancelled in the 12 months.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

**D** is 10%

- E is the number of Equity Securities issued or agreed to be issued under the Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.1 or 7.4.

### 8.3 Minimum Issue Price

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the volume weighted average price (VWAP) of Equity Securities in the same class calculated over the 15 Trading Days immediately before:

- (a) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (b) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (a) above, the date on which the Equity Securities are issued.

### 8.4 The following information is provided to Shareholders for the purposes of Listing Rule 7.3A

#### Period for which the approval will be valid

An approval under this Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following

- (a) the date on which is 12 months after the date of the annual general meeting at which the approval is obtained;
- (b) the time and date of the entity's next annual general meeting; and
- (c) the time and date on which Shareholders approve a transaction which under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

### 8.5 Specific Information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, the following information is provided in relation to the approval of the 10% Placement Facility:

- (a) the Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 Trading Days immediately before:
  - (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
  - (ii) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (b) If Resolution 11 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Capacity, the existing Shareholders' voting power in the Company will be diluted as shown in the below table (in the case of Options, only if the Options are exercised). There is a risk that:
  - (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
  - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The table also shows:

- (i) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Number of Shares on Issue (Variable 'A' in ASX Listing Rule 7.1A2)	Dilution			
	Issue Price (per Share)	\$0.19 (50% decrease in current issue price)	\$0.38 (Current issue price)	\$0.76 (100% increase in current issue price)
<b>571,928,221</b> (Current Variable A)	<b>Shares issued – 10% voting dilution</b>	57,192,822	57,192,822	57,192,822
	<b>Funds raised</b>	\$10,866,636	\$21,733,272	\$43,466,544
<b>857,892,332</b> (50% increase in Variable A)	<b>Shares issued – 10% voting dilution</b>	85,789,233	85,789,233	85,789,233
	<b>Funds raised</b>	\$16,299,954	\$32,599,908	\$65,199,817
<b>1,143,856,442</b> (100% increase in Variable A)	<b>Shares issued – 10% voting dilution</b>	114,385,644	114,385,644	114,385,644
	<b>Funds raised</b>	\$21,733,272	\$43,466,544	\$86,933,089

The table has been prepared on the following assumptions:

- (i) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- (ii) No Options (including any Options issued under the 10% Placement Facility) are exercised into Shares before the date of the issue of the Equity Securities.
- (iii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (iv) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.
- (v) The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- (vi) The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes Options, it is assumed that those Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- (vii) The issue price is \$0.38, being the closing price of the Shares on the ASX on 1 September 2021.
- (c) The Company will only issue the Equity Securities during the 10% Placement Period.
- (d) The Company may seek to issue the Equity Securities for the following purposes:
  - (i) cash consideration to grow the business and/or additional general working capital to fund growth opportunities and technology development.

The Company will comply with the disclosure obligations under the Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities. The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility.

The identity of the recipients of Equity Securities will be determined on a case-by-case basis having regard to the factors set out in the Company's allocation policy, including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- (ii) in the case of an asset or investment acquisition, the nature and circumstances of the acquisition
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the financial situation and solvency of the Company; and
- (v) advice from corporate, financial and broking advisers (if applicable).

The recipients under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

The Company obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its previous annual general meeting held on 21 October 2020 (**Previous Approval**).

The Company has not issued any Shares pursuant to the Previous Approval.

During the 12 month period preceding the date of the Meeting, being on and from 21 October 2020, the Company otherwise issued a total of 12,433,333 Equity Securities which represents approximately 2.2% of the total diluted number

of Equity Securities on issue in the Company on 21 October 2020, which was 559,494,888 which was 100% fully paid Ordinary shares.

The Board has absolute discretion regarding the vesting conditions which will apply to a grant of incentives, however, vesting conditions which typically include a combination of continued service and satisfaction of agreed performance conditions and key performance indicators. If, in the case of Options, there is a price payable for the exercise of the Options this will be determined by the Board and set out in the Offer Letter.

Participants are not entitled to participate in any new issue to existing holders of securities in the Company without exercising incentives (in the case of options) or being issued shares pursuant to vesting of equity performance rights prior to the record date for the new issue. Where the Company makes a bonus issue of Shares or other securities to existing shareholders (other than an issue in lieu or in satisfaction of dividends or by way of dividend reinvestment) and no share has been issued in respect of an incentive before the record date for determining entitlements to the bonus issue, then the number of underlying Shares over which

If you wish to appoint someone other than the Chair of the Meeting as your proxy please write the full name of that individual or body corporate. Do not write the name of the issuer company or the registered securityholder in the space.

##### Appointment of a Second Proxy

You are entitled to appoint up to two proxies to attend the meeting and vote. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by contacting the company's securities registry or you may copy this form.

- (b) return both forms together in the same envelope.

#### STEP 2 VOTING DIRECTIONS TO YOUR PROXY

To direct your proxy how to vote, mark one of the boxes opposite each item of business. All your securities will be voted in accordance with such a direction unless you indicate only a portion of securities are to be voted on any item by inserting the percentage or number that you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on a given item, your proxy may vote as he or she chooses. If you mark more than one box on an item for all your securities your vote on that item will be invalid.
