#### Listing of Touch Ventures

Touch Ventures Limited (**Touch Ventures**) is pleased to announce that it has been admitted to the official list of the Australian Securities Exchange (**ASX**), raising \$100.0 million through the issue of 250 million new shares.

Touch Ventures Limited will commence trading on the ASX on a normal settlement basis on 29 September 2021 under the ASX code "TVL".

Touch Ventures' Chairman, Mike Jefferies, said the ASX listing was a significant milestone for the company.

"A key investment objective for Touch Ventures is to deliver long-term absolute returns to shareholders, primarily from the capital appreciation of its portfolio. Our structure also enables us to provide access to venture capital investments to investors as a company listed on the ASX", said Mr Jefferies.

The Board of Touch Ventures would like to welcome its new investors including the Hujlich Family, who has joined as a substantial shareholder and thank its existing investors including Afterpay, Woodson Capital and Thorney Group for their ongoing support.

Touch Ventures' CEO Hein Vogel commented: "Listing Touch Ventures is an exciting next step for the business as we continue to build out our portfolio of investments. While this is an important milestone, the journey for Touch Ventures has just begun and we look forward to working with leading entrepreneurs in Australia and offshore who are building the next generation of companies which will drive the local and global economies."

#### Completed investment in Refundid Pty Ltd

Touch Ventures is pleased to announce that it has completed its investment into [Refundid](#) on 9 September 2021. Touch Ventures referred to this transaction in section 4.7 of its prospectus dated 6 September 2021.
