About Bass Oil Limited:

Bass Oil Limited (ASX:BAS) (www.bassoil.com.au) is an ASX-listed exploration and production company featuring low-cost onshore oil production in Indonesia and the Cooper Basin and a management and Board team with a proven track record in delivering shareholder value. Bass has realigned its corporate strategy following the landmark acquisition of an interest in the Beach Energy operated, Cooper Basin based Worrior field, along with several additional assets that exhibit exciting exploration potential.

As of July 2021, the Tangai-Sukananti KSO produced ~450 bopd from (55% JV share) and Worrior produced ~40 bopd (30% JV Share). Bass is building towards a substantial onshore Australian and Indonesian oil & gas business with a clear focus on executing opportunities in the Cooper Basin and expanding production in South Sumatra. Bass has a strong and committed shareholder base with the Board and management holding over 10% of the issued capital.
