Dividend	1.25 cents	5.00 cents

Cash	3.1m	4.3m
Net Assets	2.7m	5.2m

# FY2021 highlights

**Our core business strategy, combined with our team's innovation and agility, are the reasons for our success.**

## DELIVERING ON OUR STRENGTHS

Our team of highly experienced experts contribute heavily to our success, enabling us to focus on delivering best-in-class technical expertise to Tier 1 clients through our suite of foundational core services.

## GROWING & BUILDING RELATIONSHIPS

CPT saw strong revenue growth in the Australian segment (51%) and the US (35%) over the previous year as we grew relationships with new and existing clients in the Financial Services, Insurance, and Government sectors.

## LAUNCHING A NEW CHAPTER

On 1 November 2021, Luke Tuddenham will take over as CEO, bringing his experience, drive, and new ideas to CPT. We are confident in his leadership and ability to strengthen the company globally.

## RESPONDING TO GLOBAL TRENDS

Our remote model is proving successful, enabling us to meet client needs in multiple regions simultaneously as businesses maintain a new way of working, and potentially move to hybrid models.

## INVESTING IN THE FUTURE

Investments in digital marketing are expanding brand awareness and creating new opportunities. We expect these efforts to enhance our business development activities substantially in the coming years.

## Strategy & Outlook

---

# FY2022 strategy

---

**CPT aims to build on the past year's momentum and lay the groundwork for innovation.**

## Grow the pipeline

- Concentrate talent and resources in AU and US markets to enhance growth and seize opportunities
- Expand digital marketing to generate new business and improve existing sales pipeline
- Refocus sales efforts to launch new products and services with existing clients, contacts, and sponsors

## Explore innovations

- Establish the software development business to complement and enhance CPT services
- Boost remote capabilities to meet clients' changing needs and align with business trends

## Manage costs & talent

- Preserve margins by maintaining control of delivery and discretionary costs
- Provide ongoing support to employees to maintain a healthy work-life balance

## Future outlook

---

- Company software innovations poised to be a game changer in the next 5 years
- Consulting business primed for growth in AU & US
- Refocused efforts on remote capabilities expected to stave off potential business impacts resulting from future Covid surges and lockdowns
- Revenue growth and margins may flatten in FY22 due to fee pressures and talent competition

# Appendix

The background of the slide is a dark blue gradient. On the right side, there is a complex, abstract pattern of glowing dots and lines. The dots are in various shades of blue and white, and the lines are thin, curved, and also in shades of blue and white, creating a sense of motion and depth. The overall effect is reminiscent of a starry night sky or a digital data visualization.

# Disclaimer

This presentation contains general information about the activities of CPT Global (CPT) which is current as at 28 September 2021. It is in summary form and does not purport to be complete. It presents financial information on both a statutory basis as well as information provided on a non-statutory basis.

This presentation is not a recommendation or advice in relation to CPT or any service offered by CPT and its subsidiaries. It is not intended to be relied upon as advice to investors or potential investors and does not contain all information relevant or necessary for an investment decision. It should be read in conjunction with CPT's other periodic and continuous disclosure announcements filed with the Australian Securities Exchange, and in particular the results for the year ended 30 June 2021. These are also available at [cptglobal.com](http://cptglobal.com).

No representation or warranty, express, or implied is made as to the accuracy, adequacy or reliability of any statements, estimates or opinions or other information contained in this presentation. To the maximum extent permitted by law, CPT its subsidiaries, and their respective directors, officers, employees and agents disclaim all liability and responsibility for any direct or indirect loss or damage which may be suffered by a recipient through use of or reliance on anything contained in or omitted with this presentation.

No recommendation is made as to how investors should make an investment decision. Investors must rely on their own examination of CPT, including the merits and risks involved. Investors should consult with their own professional advisors in connection with any acquisition of securities.

The information in this presentation is for general information only. To the extent that certain statements contained in this presentation may constitute "forward-looking statements" or states about "future matters," the information reflects CPT's intent, belief, or expectations as at the date of this presentation. Subject to any continuing obligations under applicable law or any relevant listing rules of the Australian Securities Exchange, CPT disclaims any obligation or undertakings to disseminate any updates or revisions to this information over time,

Any forward-looking statements, including projections, guidance on future revenues, earnings and estimates, are provided as a general guide only and should not be relied upon as an indication or guarantee of future performance. Forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause CPT's actual results, performances or achievements to differ materially from any future results, performance or achievements expressed or implied by these forward-looking statements.

Neither CPT, nor any other person gives any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this presentation will actually occur. In addition, please note that past performance is no guarantee or indication of future performance.

All amounts are in Australian dollars unless otherwise indicated.

CPT has provided consulting and delivery services to clients in 35 countries around the world. We've helped customers improve their IT delivery, speed, and capability in industries such as finance, telecommunications, utilities, health, education, government, and logistics.
