InhaleRx Limited (ASX:IRX) (“InhaleRx” or the “Company”) (formerly Lifespot Health Ltd) is pleased to advise that, following shareholder approval at its Extraordinary General Meeting held on Wednesday, 15 September 2021, the Company's name has officially changed with the Australian Securities and Investments Commission (**ASIC**) and is registered for trading as ASX:IRX on the Australian Securities Exchange (**ASX**).

Why change from Lifespot Health Ltd?

InhaleRx Ltd is the natural evolution of Lifespot Health Ltd, in 2020 the Board and Management of Lifespot Health recognised that the strategic direction and future focus of Lifespot Health Ltd had changed significantly to the point that the name no longer reflected the Company's goals, aspirations and strategic direction.

Why InhaleRx Limited?

The new name is a combination of “Inhale”, and “Rx” the common shorthand for prescription, which better reflects the Company's focus on medical inhalation devices for the delivery of prescribed medicines.

The effective date for the change of the Company's name and ticker code on the ASX will be from the commencement of trading on Wednesday, 6 October 2021

The Company is also pleased to announce the launch of its new website www.InhaleRx.com.au effective as at Wednesday, 6 October 2021
