As announced on 12 August 2021, the Company is proposing, subject to Shareholder approval at the Meeting, to demerge its non-core gold assets located in New South Wales via its subsidiary company Vertex Minerals Limited (**Vertex**). It is intended that Vertex will undertake an initial public offer of its securities to facilitate an ASX listing in conjunction with the spin-out (**Vertex IPO**). It is Vertex's current intention that the Vertex IPO will include a form of priority offer to existing Shareholders of Peak, whilst also providing an opportunity for new investors to invest in Vertex.

The prospectus for the Vertex IPO is expected to be lodged with ASIC on or about 15 October 2021. Prospective investors will be able to obtain a copy of the Vertex IPO prospectus from the Vertex website, www.vertexminerals.com.au.
