New Zealand

This Prospectus is not a New Zealand disclosure document and has not been registered, filed with or approved by any New Zealand regulatory authority under or in accordance with the Financial Markets Conduct Act 2013 or any other New Zealand law. The offer of Shares under the Demerger is being made to existing shareholders of the Company in reliance upon the Financial Markets Conduct (Incidental Offers) Exemption Notice 2016 and, accordingly, this Prospectus may not contain all the information that a disclosure document is required to contain under New Zealand law.

2. THE OFFER

2.1 Terms and Conditions of the Offer

The terms and conditions of the Offer are set out in the Notice of Meeting accompanying this Prospectus.

In broad terms, the Notice of Meeting includes the Capital Reduction Resolution pursuant to which Peak proposes an equal reduction of capital (of an amount assessed by Peak Directors) to be satisfied by the distribution and transfer of 15,000,000 Vertex Shares to be held by Peak to Shareholders registered as such on the Record Date in proportion to their respective holdings of Shares as at that date.

The In-specie Distribution will only proceed if the following conditions are met (together, the **Transaction Conditions**):

- (a) Peak obtains Shareholder approval for the In-specie Distribution pursuant to the Capital Reduction Resolution (Resolution 1) and the disposal of its Hill End and Hargraves Projects (Resolution 2) in the Notice of Meeting;
- (b) Vertex raises the minimum subscription amount of \$5,500,000 (or such other amount as is required for Vertex to satisfy the assets test pursuant to ASX Listing Rule 1.3) pursuant to a prospectus to be lodged by Vertex for the Vertex IPO; and
- (c) Vertex receiving a letter confirming that the ASX will admit Vertex to the official list of the ASX, subject to the satisfaction of certain conditions on terms acceptable to Vertex.

Under ASIC Regulatory Guide 188, the issue of the Notice of Meeting with the Capital Reduction Resolution constitutes an offer by Peak of the transfer of the Vertex Shares to be distributed and transferred to eligible Shareholders pursuant to Chapter 6D of the Corporations Act and accordingly Peak has prepared this Prospectus to accompany the Notice of Meeting.

Shareholders on the In-specie Distribution Record Date with an address outside an Eligible Country (**Ineligible Peak Shareholders**) will have their pro-rata entitlement of Vertex Shares sold by the Company's sale nominee, CPS Capital Pty Ltd (**Nominee**), and the net proceeds paid to the Ineligible Peak Shareholders, with the timing of the sale to coincide with Vertex successfully completing the Vertex IPO, being admitted to ASX and a market for Vertex Shares being established on ASX.

The Nominee will act on a best endeavours only basis to sell the Ineligible Peak Shareholders' Vertex Shares, and will not be liable to the Ineligible Peak Shareholders for any loss suffered as a result.

If the Nominee elects to sell the Vertex Shares on a relevant Shareholder's behalf, Peak will then account to those Shareholders for the net proceeds of sale after deducting the costs and expenses of the sale. As the return of capital is being represented and satisfied by the In-specie Distribution and security prices may vary from time to time (assuming a liquid market is available), the net proceeds of the sale of Vertex Shares sold on behalf of overseas Shareholders may be more or less than the notional dollar value of the reduction of capital. It will be the responsibility of each Shareholder to comply with the laws to which they are subject in the jurisdictions in which they are resident.

The release, publication or distribution of this Prospectus in jurisdictions other than Australia may be restricted by law or regulation in such other jurisdictions, and persons outside of Australia who come into possession of the Prospectus should seek advice on and observe any such restrictions. Any failure to comply with such restrictions may constitute a violation of applicable laws or regulations.

The Prospectus has been prepared in accordance with Australian law and is subject to Australian disclosure requirements. The information contained in the Prospectus may not be the same as that which would have been disclosed if the Prospectus had been prepared in accordance with the laws and regulations of a jurisdiction outside of Australia.

2.2 Minimum Subscription

There is no minimum subscription under this Offer as there is no capital being raised. If the Offer is approved by Shareholders, the Vertex Shares will be transferred to Shareholders registered on the Record Date and following the indicative timetable set out in the Notice of Meeting.

2.3 Effect of the Offer on the Company

The principal effects of the Offer will be that the Company ceases to hold the 15,000,000 Vertex Shares to be distributed and transferred to the Shareholders and that the share capital of the Company will be reduced by the amount to be assessed by the Peak Directors as the market value of such Vertex Shares.

The purpose of the Offer is set out in section 2.1 of this Prospectus.

2.4 Action Required by Shareholders

No action is required to be taken by Shareholders under this Prospectus. Assuming the Transaction Conditions are satisfied and the Capital Reduction proceeds to be implemented, then the Vertex Shares will be distributed and transferred to eligible Shareholders in accordance with the terms of the Capital Reduction Resolution and Peak's constitution, whether you voted for or against the Capital Reduction Resolution or did not vote at all (or did not attend the Meeting).

In accordance with ASIC Corporations (Application Form Requirements) Instrument 2017/241, no application form is required to be completed or returned to participate in the proposed distribution and transfer of Vertex Shares under the Capital Reduction and no application form is included in or accompanies this Prospectus.

If you have any queries regarding this Prospectus, please contact the Company Secretary on +61 3 9692 7222.
