ABOUT MSMCI

MSM Corporation International Limited ("MSMCI") is an online entertainment company that specialises in building and launching new digital entertainment products. MSMCI partners with local operators in non-English speaking markets to maximise the reach of its products and services globally.

MSMCI's first product to delivery was Megastar, a global, mobile-first talent competition, featuring performers of any category, who competed to win one Million US Dollars, a role in a film and various other prizes. Winners are chosen by fans voting in the competition through the Megastar App.

The first Megastar competition launched in core markets with the App available for download from the Apple and Google Stores. MSMCI will now capitalise on this platform by optimising the Megastar 2.0 version through the strategic partnership with The Riva Group's already established portfolio of industry specialists in Esports, gaming, user acquisition, IP delivery and infrastructure.

The Megastar Version 2.0 platform is planned to deliver a more gamified and interactive experience skill based competition with Esports and mobile gaming under the license agreement executed with Riva Technology and Entertainment Limited in conjunction with Esports organization, Galaxy Racer.
