Resolution 4: Approval of Additional 10% Placement Capacity

Listing Rule 7.1A provides that an eligible entity may seek shareholder approval by special resolution at its Annual General Meeting to issue equity securities equivalent to an additional 10% of the number of ordinary securities on issue over a period of 12 months after the Annual General Meeting (**10% Placement Capacity**). This is in addition to the existing 15% placement capacity permitted by Listing Rule 7.1.

If Shareholders approve Resolution 4, the number of equity securities the Company may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (as set out below).

An eligible entity is one that, as at the date of the relevant Annual General Meeting:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300,000,000.

The Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of less than \$300,000,000.

Any equity securities issued must be in the same class as an existing class of quoted equity securities. The Company currently has two classes of quoted equity securities on issue, being Shares (ASX code: WBT) and Listed Options (ASX code: WBTOA).

The number of equity securities that the Company may issue under the approval sought by Resolution 4 will be calculated in accordance with the following formula as set out in Listing Rule 7.1A:

$(A \times D) - E$

Where:

A = the number of fully paid Shares on issue 12 months before the date of issue or agreement to issue:

- (i) plus the number of Shares issued in the 12 months under an exception in Listing Rule 7.2;
- (ii) plus the number of partly paid Shares that became fully paid in the 12 months;
- (iii) plus the number of fully paid Shares issued in the 12 months under Listing Rules 7.1 and 7.4; and
- (iv) less the number of fully paid Shares cancelled in the 12 months.

D = 10%.

E = the number of equity securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that are not issued with the approval of the Shareholders under Listing Rule 7.1 or 7.4.

Technical information required by Listing Rule 7.1A

While the Company does not have any immediate plans to issue equity securities, purposes for which equity securities may be issued pursuant to Resolution 4 may include the raising of capital to facilitate further investment opportunities.

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to Resolution 4:

- (a) **Minimum Price:** Under the Listing Rules, the minimum price at which the equity securities may be issued is 75% of the volume weighted average price of equity securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:
 - (i) the date on which the price at which the equity securities are to be issued is agreed; or
 - (ii) if the equity securities are not issued within 5 trading days of the date in paragraph (i) above, the date on which the equity securities are issued.
- (b) **Risk of voting dilution:** Shareholders should be aware there is a risk of economic and voting dilution that may result from an issue of equity securities under the 10% Placement Capacity, including the risk that:
 - (i) the market price for equity securities in that class may be significantly lower on the issue date than on the date of the Meeting where approval is being sought; and
 - (ii) the equity securities may be issued at a price that is at a discount to the market price for those equity securities on the date of issue.

Any issue of equity securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any equity securities under the issue.

If Resolution 4 is approved by Shareholders and the Company issues the maximum number of equity securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the potential dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the current market price of the Shares and the current number of Shares on issue as at the date of this Notice of Meeting. The table also assumes that no options currently on issue are exercised into Shares before the date of issue of the equity securities.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Variable "A" in Listing Rule 7.1A.2		Dilution

Notes:

1. The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue the exercise of options currently on issue or that are issued with Shareholder approval under Listing Rule 7.1.
 2. The table above uses the following assumptions:
 - (i) The current Shares on issue are the Shares on issue as at the date of the notice of Meeting.
 - (ii) The issue price set out above is \$2.73 as at 1 October 2021.
 - (iii) The Company issues the maximum possible number of equity securities under the 10% Placement Capacity.
 - (iv) The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
 - (v) This table does not set out any dilution pursuant to approvals under Listing Rule 7.1.
 - (vi) The 10% voting dilution reflects the aggregate percentage dilution against the issued Share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (c) **Date of Issue:** Subject to paragraph (g) below, equity securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:
- (i) 12 months after the date of the Meeting;
 - (ii) The time and date of next annual general meeting; and
 - (iii) the date of approval by Shareholders of any transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking).

The approval under Listing Rule 7.1A will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 or 11.2.

- (d) **Purpose of Issue under 10% Placement Capacity:** The Company may issue equity securities under the 10% Placement Capacity for cash consideration in which case the Company intends to use funds raised for investment purposes in line with the Company's investment policy outlined in the Prospectus.
- (e) **Allocation under the 10% Placement Capacity:** The allottees of the equity securities to be issued under the 10% Placement Capacity have not yet been determined. However, the allottees of equity securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the allottees at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
 - (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
 - (iii) the effect of the issue of the equity securities on the control of the Company;
 - (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
 - (v) prevailing market conditions; and
 - (vi) advice from corporate, financial and broking advisers (if applicable).
- (f) **Previous Approval under Listing Rule 7.1A:** The Company obtained Shareholder approval under Listing Rule 7.1A at the 2020 Annual General Meeting held on 17 November 2020.

As required by Listing Rule 7.3A.6(a), the table below shows the total number of equity securities issued under rule 7.1A.2 in the past 12 months preceding the date of the Annual General Meeting and the percentages those issues represent of the total number of equity securities on issue at the commencement of the 12 month period.

Equity securities issued in the prior 12 month period	Nil
Percentage previous issues represent of total number of equity securities on issue at commencement of 12 month period	N/A

- (g) **Information required under ASX Listing Rule 7.3A.6(b):**

The Company:

- (a) has not issued, nor agreed to issue, any equity securities under Rule 7.1A.2 in the 12-month period preceding the date of the Meeting; and
- (b) had not agreed, before the 12-month period referred to in the preceding paragraph, to issue any equity securities under rule 7.1A.2 where such securities remain unissued as at the date of the Meeting.

Resolution 5A: Approval of Amendments to Terms of Existing Employee Incentive Option Plan

Resolution 5A seeks Shareholder approval to amend the terms of all outstanding Options issued under the Company's existing Employee Incentive Option Plan (**Plan**) to allow the cashless exercise of such Options.

The terms of the existing Plan contemplate the exercise of Options issued in a traditional manner, being the payment of the exercise price in cash with receipt of one new Share per Option exercised. As such, the Plan presently does not allow for cashless exercise.

The Company is proposing to amend the Plan Rules to include a cashless exercise facility (**Amended Plan**). The Amended Plan has substantially the same terms as the existing Plan except for rules regarding the cashless exercise facility as described in paragraph (f) of Schedule 1.

Listing Rule 6.23.4 provides that a change to the terms of existing Options on issue which is not prohibited under the ASX Listing Rules can only be made if Shareholders have first approved the change.

The proposed amendments to include a cashless exercise facility would not have the effect of reducing the exercise price of the relevant Option (as the net economic benefit to the participant is the same whether the cashless exercise mechanism is used or is not used), increasing the period for exercise (as the period for exercise remains unchanged) or increasing the number of securities received on exercise (as the number of securities received on exercise will be reduced), which are prohibited by Listing Rule 6.23.3.

The Company is seeking Shareholder approval to amend the Option terms, so that the Option terms for all holders of Options are consistent with the Amended Plan.

The Options on issue to which the new terms will apply are:

- (a) 1,520,000 Options with an exercise price of \$0.43875, exercisable on or before 1 October 2027;
- (b) 160,000 Options with an exercise price of \$1.445, exercisable on or before 1 January 2028;
- (c) 32,366 Options with an exercise price of \$1,7175, exercisable on or before 29 January 2028;
- (d) 160,000 Options with an exercise price of \$1.565, exercisable on or before 15 February 2028;
- (e) 160,000 Options with an exercise price of \$1.2725, exercisable on or before 5 March 2028;
- (f) 800,000 Options with an exercise price of \$0.8475, exercisable on or before 16 October 2028;
- (g) 105,000 Options with an exercise price of \$0.4286, exercisable on or before 14 April 2029;
- (h) 100,000 Options with an exercise price of \$0.4468, exercisable on or before 14 August 2029;
- (i) 768,750 Options with an exercise price of \$0.74, exercisable on or before 14 August 2029;
- (j) 1,553,124 Options with an exercise price of \$0.54, exercisable on or before 14 August 2029;
- (k) 100,000 Options with an exercise price of \$0.39, exercisable on or before 16 October 2029;
- (l) 267,975 Options with an exercise price of \$0.2312, exercisable on or before 26 March 2030;
- (m) 34,370 Options with an exercise price of \$0.27, exercisable on or before 25 June 2030;
- (n) 1,287,677 Options with an exercise price of \$0.286, exercisable on or before 13 September 2030;
- (o) 1,950,000 Options with an exercise price of \$0.823, exercisable on or before 17 September 2030;
- (p) 1,587,677 Options with an exercise price of \$0.286, exercisable on or before 24 November 2030;
- (q) 150,000 Options with an exercise price of \$2.82, exercisable on or before 4 February 2031;
- (r) 100,000 Options with an exercise price of \$2.82, exercisable on or before 17 March 2031;
- (s) 124,500 Options with an exercise price of \$2.63, exercisable on or before 25 March 2031; and
- (t) 500,000 Options with an exercise price of \$1.90, exercisable on or before 3 June 2031.

If Resolution 5A is passed the Amended Plan will allow cashless exercise for the Plan Options.

Board Recommendation and Voting Intention

The Board unanimously recommends that Shareholders vote in **FAVOUR** of this Resolution.

The Chairman of the Meeting intends to vote undirected proxies in **FAVOUR** of this Resolution.

Resolution 5B: Approval of Amended Employee Incentive Option Plan

Resolution 5B seeks Shareholder approval of the Amended Plan in order to provide ongoing incentives to employees of the Company. Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

An exception to Listing Rule 7.1 is set out in Listing Rule 7.2 (Exception 13) which provides that issues under an employee incentive plan are exempt for a period of 3 years from the date on which shareholders approve the issue of securities under the plan as an exception to Listing Rule 7.1.

The Employee Incentive Option Plan was last approved at the Company's annual general meeting held on 28 November 2018. The Amended Plan has substantially the same terms as the existing Plan except for rules regarding the cashless exercise facility as described in paragraph (f) of Schedule 1

The objective of the Employee Incentive Option Plan remains to provide the Company with a remuneration mechanism, through the issue of securities in the capital of the Company, to motivate and reward the performance of employees in achieving specified performance milestones within a specified performance period. The Board will continue to ensure that the performance milestones attached to the securities issued pursuant to the Employee Incentive Option Plan are aligned with the successful growth of the Company's business activities.

If Resolution 5B is passed, the Company will be able to continue to issue Options under the Plan without impacting on the Company's ability to issue up to 15% of its total ordinary securities without Shareholder approval in any 12 month period. A summary of the terms of the Amended Plan is provided in Schedule 1 to this Explanatory Memorandum. A copy of the Amended Plan will be made available free of charge to any Shareholder on request.

Shareholders should note that 19,775,854 Options have previously been issued under the Plan, since being last approved and the objective of the Plan is to attract, motivate and retain key employees.

The maximum number of equity securities proposed to be issued under the Plan is the 5% maximum permitted under the ASIC Class Order referred to in paragraph (n) of Schedule 1.

It is considered by the Directors that the adoption of the Plan and the future issue of Options under the Plan will provide selected employees with the opportunity to participate in the future growth of the Company. Any future issues of Shares under the Plan to a related party or a person whose relation with the Company or the related party is, in ASX's opinion, such that approval should be obtained will require additional Shareholder approval under Listing Rule 10.14 at the relevant time.

The Board unanimously recommends that Shareholders vote in **FAVOUR** of this Resolution.

The Chairman of the Meeting intends to vote undirected proxies in **FAVOUR** of this Resolution.

Resolutions 6 – 11: Approval to Issue Options to Directors of the Company

Resolutions 6 - 11 seek Shareholder approval for the granting of Options in the Company to Directors of the Company as follows:

- 960,000 Options to Mr Jacob Hanoch (Resolution 6);
- 800,000 Options to Mr David Perlmutter (Resolution 7);
- 120,000 Options to Dr Yoav Nissan Cohen (Resolution 8);

- 80,000 Options to Mr Ashley Krongold (Resolution 9);
- 80,000 Options to Mr Fred Bart (Resolution 10); and
- 80,000 Options to Mr S. Atiq Raza (Resolution 11).

The Company intends to grant Options to appropriately attract and retain Directors over the long term by allowing them to build up an equity ownership aligning their interest with that of the Shareholders.

Options will vest and be exercisable on the date the applicable time-based vesting condition is achieved. If the time-based vesting condition is not achieved, the relevant Options will lapse.

Out of the 960,000 Options to be issued to Jacob Hanoch, 320,000 Options will be granted subject to securing a firm commitment by a company to manufacture a product based on Weebit's technology.

Out of the 800,000 Options to be issued to David Perlmutter, 266,000 Options will be granted subject to securing firm commitment by a company to manufacture a product based on Weebit's technology.

The vesting of the Options to the remaining Directors is not subject to any performance hurdles. Whilst option grants without performance hurdles are uncommon in Australia, they are common practice in Israel and the US. As a number of the Company's Directors are based in Israel or the US, it is appropriate that the vesting conditions are as set out above.

Why Shareholder approval is being sought

Listing Rule 10.11 states that a listed company must not issue or agree to issue securities to a related party without Shareholder approval, by ordinary resolution. The purpose of Resolutions 6 – 11 is to have Shareholders approve the proposed grant of Options to the Directors of the Company. If approval is given under Listing Rule 10.11 approval is not required under Listing Rule 7.1.

Grant of Options

(a) Executive Directors of the Company

Following approval by Shareholders, the Executive Directors of the Company will be granted Options to acquire fully paid ordinary shares in the Company (Shares) at an exercise price equal to the volume weighted average market price calculated during the three trading days up to and including 28 September 2021.

Upon exercise, each Option entitles each Executive Director to one Share (or as otherwise determined by any adjustment required to be made under the Listing Rules) which will rank equally with all other Shares on issue. No loan has or will be provided by the Company in relation to the exercise of the Options issued to Mr Hanoch and Dr Nissan-Cohen.

(b) Non-Executive Directors of the Company

Following approval by Shareholders, the Non-Executive Directors of the Company will be granted Options to acquire fully paid ordinary shares in the Company (Shares) at an exercise price equal to the volume weighted average market price calculated during the three trading days up to and including 28 September 2021.

Upon exercise, each Option entitles each Non-Executive Director to one Share (or as otherwise determined by any adjustment required to be made under the Listing Rules) which will rank equally with all other Shares on issue. No loan has or will be provided by the Company in relation to the exercise of the Options issued to Mr Perlmutter, Mr Krongold, Mr Bart and Mr Raza.

Vesting and exercise period

The Options shall vest and be exercisable during a four year period (**Vesting Period**) based on the following:

- (a) 25% of the Options shall vest on or around 29 September 2022; and

(b) thereafter for a period of three years, 6.25% of the Options shall vest at the end of each quarter

In the event that prior to the expiration of the Vesting Period, the Company closes an Exit Event (as defined below) then all of the unvested Options shall become exercisable immediately prior to the closing of the Exit Event.

Exit Event means mean any of the following:

- (a) the merger or consolidation or other reorganisation (other than any event of share combination or subdivision, share split, reverse share split, share dividend, distribution of bonus shares or any other reclassification, reorganisation or recapitalisation of the Company's share capital or other similar events) of the Company with or into any other corporate entity; except that any such transaction in which the shares of the Company outstanding immediately prior to such transaction continue to represent, or are converted into or exchanged for shares that represent, immediately following such transaction, at least a majority, by voting power, of the share capital of (1) the surviving, acquiring or resulting corporation or (2) if the surviving, acquiring or resulting corporation is a wholly owned subsidiary of another corporation immediately following such transaction, the parent corporation of such surviving, acquiring or resulting corporation; or
- (b) a sale or other irrevocable disposition of all or of substantially all of the Company's shares or assets; or
- (c) any transfer or grant of an irrevocable, exclusive and substantially worldwide license to all or substantially all of the intellectual property rights of the Company, other than in the Company's ordinary course of business.

Reorganisation

If at any time the capital of the Company is reorganised (including consolidation, subdivision, reduction or return), the number of Options are to be changed in a manner consistent with the Corporations Act and the ASX Listing Rules at the time of the reorganisation.

Voting Rights / Dividends

Options do not entitle the holders to vote in respect of that equity instrument, nor participate in dividends, when declared, until such time as the options are exercised and subsequently registered as ordinary shares.

New Issues

Options holders may only participate in new issues of securities to holders of ordinary Shares in the Company if Options have been exercised and Shares issued in respect of the Options before the record date for determining entitlements to the issue.

These Options are not transferable, and will not be quoted on the ASX.

Date on which the Options will be granted

Subject to Shareholder approval, it is anticipated that the Options will be granted to the Directors shortly after the 2021 Annual General Meeting.

Board Recommendation and Voting Intention

The Board (with each Director abstaining in relation to their proposed Resolution) unanimously recommends that Shareholders vote in **FAVOUR** of each Resolution.

The Chairman of the Meeting intends to vote undirected proxies in **FAVOUR** of this Resolution.

Resolution 12: Re-insertion of Partial Takeover Plebiscites in the Constitution

Clause 36 of the Company's Constitution contains provisions dealing with Shareholder approval requirements if there was to be any proportional takeover bids for the Company's securities (Partial Takeover Plebiscites).

A "partial takeover bid" means an off-market bid for a specified proportion of the Company's securities held by each shareholder in a class for which a takeover bid has been made. It is not a bid for all securities held by all shareholders of that class, only part of the securities each holds.

Part 6.5 Subdivision 5C of the Corporations Act provides that these Partial Takeover Plebiscites cease to apply at the end of 3 years from their adoption (or last renewal), but that they may be renewed by special resolution of the shareholders. The Board believes it is appropriate that the Partial Takeover Plebiscites of the Company's Constitution (Clause 36.6) be renewed.

In seeking Shareholder approval for the renewal of the Partial Takeover Plebiscites, the Corporations Act requires the below information to be provided to shareholders.

Effect of provisions proposed to be renewed

Clause 36 of the Constitution provides that the Company is prohibited from registering any transfer of shares giving effect to a contract of sale pursuant to a partial takeover bid unless and until after the proposed transfer has been approved by shareholders at a general meeting of the Company (Approving Resolution). The person making the offer for the securities (Offeror) (and their associates) cannot vote on the Approving Resolution and the Approving Resolution requires the approval of more than 50% of Shareholders who are entitled to vote at that meeting.

Reason for the resolution

Clause 36 of the Constitution is required to be renewed as more than 3 years have passed since the last renewal of the Constitution. Section 648(G)(1) of the Corporations Act provides that Partial Takeover Plebiscites such as provided in Rule 36 cease to apply at the end of 3 years from their adoption (or their last renewal). Section 648(G)(4) enables shareholders to approve a renewal of Partial Takeover Plebiscites.

The Directors believe that Shareholders should continue to have the choice of considering whether to accept a bid for what might become control of the Company without Shareholders having the opportunity to dispose of all of their securities (rather than just some of their securities, as would be the case under a partial takeover bid). To preserve this choice, Clause 36.6 needs to be renewed. If Clause 36 is renewed and any partial takeover bid (if any) is subsequently approved by Shareholders, each Shareholder will still have the right to make a separate decision whether that Shareholder wishes to accept the (partial takeover) bid for their own securities.

Awareness of current acquisition proposals

As at the date of these Explanatory Notes, none of the Directors are aware of any proposal for any person to acquire (or increase the extent of) a substantial interest in the Company from its current level.

Advantages and disadvantages of the Partial Takeover Plebiscites since last renewed

As there have been no takeover bids made for any of the Shares in the Company since the last renewal of the Partial Takeover Plebiscites, there has been no application of Clause 36. It may be argued that the potential advantages and disadvantages described below have also applied for the period since adoption of Clause 36.6.

Potential advantages and disadvantages of the proposed resolution for both Directors and Shareholders

An advantage to the directors of renewing the Partial Takeover Plebiscites is that the Board will be able to assess Shareholders acceptance or otherwise of a partial takeover bid should one be made.

As stated above, renewing Clause 36 provides Shareholders with the choice of considering whether to accept a bid for what might become control of the Company without shareholders having the opportunity to dispose of all of their securities (rather than just some of their securities, as would be the case under a partial takeover bid). If Clause 36.6 is not renewed, shareholders will not have this opportunity.

On the other hand, it may be argued that the renewal of Clause 36 may make partial takeover bids more difficult to succeed and therefore effectively discourage partial takeover bids being made and reduce the freedom for Shareholders to sell some of their securities.

Voting Exclusion Statement

There are no voting exclusions for this Resolution.

Board Recommendation and Voting Intention

Balancing the above advantages and disadvantages, the Board is of the view that the advantages of renewing the Partial Takeover Plebiscites outweigh any disadvantages and unanimously recommends that Shareholders vote in **FAVOUR** of this Resolution.

The Chairman of the Meeting intends to vote undirected proxies in **FAVOUR** of this Resolution.

Any restrictions imposed by the Directors must be set out in the offer for the Plan Options.

 - (i) an unauthorised dealing in, or hedging of, the Option occurring;
 - (ii) in respect of unvested Options only, a relevant person ceases to be an Eligible Participant, unless the Board exercises its discretion to vest the Option or resolves to allow the unvested Options to remain unvested;
