3.7 Professional Advice

4. RESOLUTION 3 – RATIFICATION OF PRIOR ISSUE OF PLACEMENT SHARES UNDER LISTING RULE 7.1

4.1 Background to Resolution 3

On 7 October 2021, the Company announced a placement of 121,212,122 ordinary shares (**Placement Shares**) to sophisticated and professional investors at an issue price of \$0.165 raising \$20 million (**Placement**).

The Company issued a total of 65,563,610 of the Placement Shares on 7 October 2021 utilising the Company's existing placement capacity under Listing Rule 7.1.

Resolution 3 is seeking Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue of the portion of the Placement Shares issued under Listing Rule 7.1.

The purpose of the issue was to increase the working capital of the Company and enable the Company to take advantage of opportunities to acquire complementary businesses and products to secure long term objectives.

In general terms, ASX Listing Rule 7.1 imposes a limit on the number of equity securities (including ordinary shares and convertible securities) that a company can issue or agree to issue without shareholder approval (15% placement capacity) where an exemption to the rule does not apply.

The Company determined that it was able to issue all of the Placement Shares within the 15% limit of its placement capacity under Listing Rule 7.1 combined with its placement capacity under Listing Rule 7.1A and accordingly no shareholder approval was required. ASX Listing Rule 7.4 provides that an issue of Equity Securities by a company made pursuant to ASX Listing Rule 7.1 is treated as having been made with approval for the purposes of ASX Listing Rule 7.1, if it is subsequently approved by the company's shareholders. The Company wishes to retain flexibility to issue additional equity securities up to the 15% limit in the period ahead without having to obtain shareholder approval. The effect of approving Resolution 3 will be to refresh the Company's 15% placement capacity under ASX Listing Rule 7.1 so that its capacity would be the same as if the Ordinary Shares had been issued with shareholder approval. If shareholders approve Resolution 3, the Company will have greater flexibility to make future issues of the Company shares and other issuances of Equity Securities to raise funds to meet future needs.

4.2 Technical information required by ASX Listing Rule 14.1A

If Resolution 3 is passed, the Placement Shares the subject of this Resolution will be excluded in calculating the Company's 15% limit in ASX Listing Rule 7.1 and 10% additional placement capacity in ASX Listing Rule 7.1A, effectively increasing the number of Equity Securities the Company can issue without Shareholder approval over the 12 month period following the issue date.

If Resolution 3 is not passed, the Placement Shares the subject of this Resolution will be included in calculating the Company's 15% limit in ASX Listing Rule 7.1 and 10% additional placement capacity in ASX Listing Rule 7.1A, effectively decreasing the number of Equity Securities that the Company can issue without Shareholder approval over the 12 month period following the issue date.

4.3 Technical information required by ASX Listing Rule 7.5

The following information is provided for the purposes of ASX Listing Rule 7.5:

- (a) a total of 65,563,610 Shares were issued on 7 October 2021 utilising the Company's 15% placement capacity under Listing Rule 7.1;
- (b) the issue price was \$0.165 per Share;
- (c) the Shares issued were fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (d) the Shares were issued to sophisticated and professional investors as determined by the Joint Lead Managers and Joint Bookrunners for the Placement (Canaccord Genuity Australia Limited and Petra Capital Pty Ltd) and none of those investors were related parties of the Company;
- (e) the funds raised from this issue will be used to fund working capital and acquisition funding.; and
- (f) a voting exclusion statement is included in the Notice.

4.4 Recommendation of the Board

Accordingly, the Directors unanimously recommend that Shareholders vote in favour of Resolution 3.

5. RESOLUTION 4 – RATIFICATION OF PRIOR ISSUE OF PLACEMENT SHARES UNDER LISTING RULE 7.1A

5.1 Background to Resolution 4

On 7 October 2021, the Company issued a total of 55,648,512 of the Placement Shares utilising the Company's placement capacity under Listing Rule 7.1A. The Company obtained Shareholder approval under ASX Listing Rule 7.1A to issue up to an additional 10% of its issued capital at the Company's 2020 Annual General Meeting.

Resolution 4 is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the portion of the Placement Shares the subject of this Resolution issued under ASX Listing Rule 7.1A.

A summary of ASX Listing Rule 7.4 is set out in Section 4.1 above.

5.2 Technical information required by ASX Listing Rule 14.1A

If Resolution 4 is passed, the Placement Shares the subject of this Resolution will be

excluded in calculating the Company's 15% limit in ASX Listing Rule 7.1 and 10% additional placement capacity in ASX Listing Rule 7.1A, effectively increasing the number of Equity Securities the Company can issue without Shareholder approval over the 12 month period following the issue date.

If Resolution 4 is not passed, the Placement Shares the subject of this Resolution will be included in calculating the Company's 15% limit in ASX Listing Rule 7.1 and 10% additional placement capacity in ASX Listing Rule 7.1A, effectively decreasing the number of Equity Securities that the Company can issue without Shareholder approval over the 12 month period following the issue date.

5.3 Technical information required by ASX Listing Rule 7.5

The following information is provided for the purposes of ASX Listing Rule 7.5:

- (a) a total of 55,648,512 Shares were issued on 7 October 2021 utilising the Company's 10% placement capacity under Listing Rule 7.1A;
- (b) the issue price was \$0.165 per Share;
- (c) the Shares issued were fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (d) the Shares were issued to sophisticated and professional investors as determined by the Joint Lead Managers and Joint Bookrunners for the Placement (Canaccord Genuity Australia Limited and Petra Capital Pty Ltd) and none of those investors were related parties of the Company;
- (e) the funds raised from this issue will be used to fund working capital and acquisition funding; and
- (f) a voting exclusion statement is included in the Notice.

5.4 Recommendation of the Board

Accordingly, the Directors unanimously recommend that Shareholders vote in favour of Resolution 4.

6.2 ASX Listing Rule 7.1

The purpose of the approval under this Resolution 5 is for Shareholders to approve the issue of the Completion Consideration Shares under the Acquisition.

ASX Listing Rule 7.1 provides that a company must not (subject to specified exceptions), without the approval of shareholders, issue or agree to issue during any 12 month period any Equity Securities, or other securities with rights to conversion to equity (such as an option), if the number of those securities exceeds 15% of the number of ordinary securities on issue at the commencement of that 12 month period.

Given the Completion Consideration Shares the subject of this Resolution 5 will exceed the 15% threshold set out in ASX Listing Rule 7.1, and none of the exceptions contained in Listing Rule 7.2 apply, Shareholder approval is required under ASX Listing Rule 7.1. The effect of Resolution 5 will be to allow the Company to issue the Completion Consideration Shares during the period of 3 months after the Meeting (or a longer period, if allowed by ASX), without using the Company's 15% annual placement capacity.

6.3 Technical information required by ASX Listing Rule 14.1A

If Resolution 5 is passed, the Company can proceed with the issue of the Completion Consideration Shares the subject of this Resolution 5 and such securities will be excluded in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively increasing the number of Equity Securities the Company can issue without Shareholder approval over the 12 month period following the issue date.

If Resolution 5 is not passed, the Company will not be able to proceed with the issue of the Completion Consideration Shares and the Acquisition on the current terms.

6.4 Technical information required by ASX Listing Rule 7.3

The following information is provided for the purposes of ASX Listing Rule 7.3:

- (a) the maximum number of Completion Consideration Shares to be issued is 57,007,133;
- (b) the Completion Consideration Shares the subject of this Resolution 5 are proposed to be issued no later than 3 months after the date of the Meeting;
- (c) the issue price of the Completion Consideration Shares will be \$0.19 per Share;

- (d) the Completion Consideration Shares the subject of this Resolution 5 will be issued to the Tasmanet Shareholders and none of those investors will be related parties of the Company;
- (e) the Completion Consideration Shares to be issued will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (f) the Completion Consideration Shares will be issued for nil consideration as they are being issued as part of the consideration for the Acquisition. Accordingly, no funds will be raised by the issue of the Completion Consideration Shares; and
- (g) a voting exclusion statement is included in the Notice.

6.5 Recommendation of the Board

Accordingly, the Directors unanimously recommend that Shareholders vote in favour of Resolution 5.

7. RESOLUTION 6 – APPROVAL OF ADDITIONAL 10% PLACEMENT CAPACITY

7.1 Background

In addition to a company's 15% placement capacity under Listing Rule 7.1, an "eligible entity" which has obtained Shareholder approval for the purposes of Listing Rule 7.1A via a special resolution may issue, or agree to issue, Equity Securities up to 10% of its issued share capital over a 12-month period after the annual general meeting at which the approval is sought (**Additional 10% Placement Capacity**).

An entity will be an "eligible entity" able to seek approval under Listing Rule 7.1A if:

- (a) the entity has a market capitalisation of \$300 million or less; and
- (b) the entity is not included in the S&P ASX 300 Index.

The Company has a market capitalisation of approximately \$140 million as at the date of this Notice and is an eligible entity for the purposes of Listing Rule 7.1A.

Resolution 6 seeks Shareholders' approval to issue additional Equity Securities for cash consideration under the Additional 10% Placement Capacity. The approval of the Additional 10% Placement Capacity provides greater flexibility for the Board to issue, or agree to issue, Shares in the 12-month period following the Meeting. It is anticipated that funds raised by the issue of Equity Securities under the Additional 10% Placement Capacity would be applied towards the Company's capital investment program, the acquisition of new assets (should suitable assets be found), administration costs and general working capital.

If passed, Resolution 6 will allow the Company to issue, or agree to issue, Equity Securities under Listing Rule 7.1A during the Additional Placement Period (as defined below) in addition to the Company's 15% placement capacity under Listing Rule 7.1.

7.2 Listing Rule 7.1A

Equity Securities issued under the Additional 10% Placement Capacity must be in the same class as an existing quoted class of Equity Securities of the Company. As at the date of this Notice, the Company has quoted Shares and Quoted Options on issue.

As at the date of this Notice, the Company has 681,031,266 Shares on issue. Therefore,

based on the number of Shares on issue as at the date of this Notice and subject to Shareholders approving Resolution 6, the Company may issue 68,103,126 Equity Securities in accordance with Listing Rule 7.1A. Shareholders should note that the calculation of the number of Equity Securities that may be issued under the Additional 10% Placement Capacity is a moving calculation and will be based the formula set out in Listing Rule 7.1A.2 at the time of issue, or the agreement to issue, the Equity Securities. That formula is:

(A x D) - E

A is the number of Shares on issue 12 months before the date of issue or agreement:

- (a) plus the number of fully paid Shares issued in the 12 months under an exception in Listing Rule 7.2, other than exception 9, 16 or 17;
- (b) plus the number of partly paid Shares that became fully paid in the 12 months;
- (c) plus the number of fully paid Shares issued in the 12 months with approval of Shareholders under Listing Rules 7.1 and 7.4. This does not include an issue of fully paid Shares under the Company's 15% placement capacity without Shareholder approval; and
- (d) less the number of fully paid Shares cancelled in the 12 months.

Note that 'A' is has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue, that are not issued with the approval of Shareholders under Listing Rules 7.4.

Shareholders will be informed of any issue of Equity Securities under the Additional 10% Placement Capacity as the Company will disclose to the market at the time of issue the specific information required by Listing Rule 3.10.5A (such as details of dilution of existing Shareholders) in addition to information required by Listing Rule 7.1 A.4, Appendix 3B and any other applicable Listing Rules. Resolution 6 is a special resolution, requiring approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative) to be passed.

Specific information required by Listing Rule 7.3A

The following information in relation to the Shares proposed to be issued is provided to Shareholders for the purposes of Listing Rule 7.3A:

Minimum Price The Equity Securities will be issued at an issue price of not less than 75% of the volume weighted average price for the Company's Equity Securities over the 15 Trading Days on which trades in the class were recorded immediately before:

- a) the date on which the price at which the Equity Securities are to be issued is agreed; or,
- b) if the Equity Securities are not issued within ten Trading Days of the date in paragraph (a) above, the date on which the Equity Securities are issued.

Potential risk of dilution

If Resolution 6 is approved by Shareholders and the Company issues Equity Securities under the Additional 10% Placement Capacity, Shareholders who do not participate (either because they are not invited to participate or because they elect not to participate) in any such issue, will have their existing interest and voting power in the Company diluted. There is also a risk that:

- a) the market price for the Company's Equity Securities may be significantly lower on

- b) the date of the issue of the Equity Securities than on the date of the Meeting;
 b) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date or the Equity Securities.

The table below shows the dilution of existing Shareholders upon the issue of the maximum number of Equity Securities under the Additional 10% Placement Capacity, using different variables for the number of ordinary securities for variable 'A' (as defined in Listing Rule 7.1A) and the market price of Shares. It is noted that variable 'A' is based on the number of ordinary securities the Company has on issue at the time of the proposed issue of Equity Securities.

| Number of shares issued and funds raised | | Dilution | | |
|---|----------------------|---|-------------------------------|-------------------------------------|
| | | Issue Price at half market price 0.105 | Issue at Market price 0.21 | Issue Price at twice market 0.42 |
| Current Variable 'A' 681,031,266 | Shares issued | 68,031,126 | 68,031,126 | 68,031,126 |
| | Funds raised | \$7,143,268 | \$14,286,536 | \$28,573,073 |
| | Dilution | 10% | 10% | 10% |
| 50% increase in current Variable 'A' 1,021,546,899 | Shares issued | 102,046,689 | 102,046,689 | 102,046,689 |
| | Funds raised | \$10,714,902 | \$21,429,805 | \$42,859,609 |
| | Dilution | 10% | 10% | 10% |
| 100% increase in current variable 'A' 1,362,062,532 | Shares issued | 136,062,252 | 136,062,252 | 136,062,252 |
| | Funds raised | \$14,286,536 | \$28,573,073 | \$57,146,146 |
| | Dilution | 10% | 10% | 10% |

The table shows:

- examples of where variable 'A' is at its current level, and where variable 'A' has increased by 50% and by 100%;
- examples of where the issue price of ordinary securities is the current market price as at close of trade on 26 October 2021, being \$0.21 (current market price), where the issue price is halved, and where it is doubled; and
- that the dilutionary effect will always be 10% if the maximum number of Equity Securities that may be issued under the Additional 10% Placement Capacity are issued.

Timing of potential issues

Approval of the Additional 10% Placement Capacity will be valid during the period (**Additional Placement Period**) from the date of the Meeting and will expire on the earlier of:

- the date that is twelve months after the date of the meeting at which approval is obtained,
- the time and date of the Company's next Annual General Meeting
- the time and date of the approval by holders of the Company's ordinary securities of a transaction under rule 11.1.2 or rule 11.2.

7.3 Reasons for Shareholder approval

The Company's capital base is essential to the ability of the Company to manage its business.

The requirement to obtain shareholder approval for an issue (and the need to convene a special meeting to do so) before the issue could limit the Company's ability to take advantage of opportunities that may arise to raise equity capital.

No decision has been made by the Board to undertake any further issue of equity securities in the event that approval is received from Shareholders in respect of Resolution 6. The Board will only decide to issue further equity securities if it considers it is in the best interests of the Company to do so. This may depend, among other things, on the capital position of the Company and on conditions in domestic and international capital markets.

7.4 Board Recommendation

The Board considers that the approval of the capability to issue the additional Shares described above is beneficial for the Company as it provides the Company with the flexibility to issue up to the maximum number of shares permitted under ASX Listing Rule 7.1A in the next 12 months (without further Shareholder approval), should it be required.

Accordingly, the Directors unanimously recommend that Shareholders vote in favour of Resolution 6.

7.5 Professional Advice

If you have any doubt or do not understand this resolution it is recommended that you seek advice from an accountant, solicitor or other professional advisor.
