

**ASX Announcement**

17 November 2021

**Traffic Technologies Awarded \$5.7 Million Orders  
for Intelligent Traffic Control Equipment****Announcement Highlights**

- Traffic Technologies has been awarded orders by Coates to supply \$5.7 million of Intelligent Traffic Control equipment.
- Delivery expected to be completed June 2022.
- Portable Intelligent Traffic Control equipment will monitor, display and inform motorists of road hazards, construction zones and adverse conditions.
- Orders were awarded to the ITS ('Intelligent Traffic Systems') business acquired by Traffic Technologies in June 2021.

**Traffic Technologies Ltd** (ASX: TTI) ('Traffic Technologies' or the 'Company') is pleased to announce that it has been awarded orders by Coates to supply \$5.7 million of Intelligent Traffic Control equipment consisting of electronic signs, radar equipment and associated software. Delivery of the signs is expected to be completed by June 2022.

The portable Intelligent Traffic Control equipment will monitor, display and inform motorists of road hazards, construction zones and adverse conditions ahead optimising traffic flows.

In receiving critical information, motorists can make informed decisions ahead of time in a relevant and timely manner, enabling better informed motorists to help create safer and smoother traffic flows on our road network.

The orders were awarded to the ITS ('Intelligent Traffic Systems') business acquired by the Company in June 2021. Based in Brisbane, the ITS business designs, manufactures and supplies Intelligent Traffic Control solutions.

**Traffic Technologies Managing Director, Con Liosatos**, said: "Such a significant contract is a further endorsement of the Company's expansion into the 'Smart City' profile, achieved through the important acquisition of the ITS business and its Intelligent Traffic Control solutions."
