### About Aura Energy (ASX:AEE, AIM:AURA)

Aura Energy is an Australian based minerals company that has major polymetallic and uranium projects with large resources in Europe and Africa. The company has rapidly grown by acquiring new projects in areas with known polymetallic and uranium occurrences including Sweden and greenfield projects in Mauritania.

The Company is now focused on the Tiris Uranium Project, a major greenfields uranium discovery in Mauritania, with 49 Mlb U<sub>3</sub>O<sub>8</sub> in current resources from 66 million tonnes @ 334 ppm U<sub>3</sub>O<sub>8</sub>.
