Update on Townsville Project

MELBOURNE, Australia – Clean TeQ Water Limited ('Clean TeQ Water' or 'Company') (ASX: CNQ & OTCQX: CNQQF) advises that Townsville City Council has informed the Company of the issue of a new tender following changes to the scope of the Recycled Water Treatment Facility project (the 'Project'). Local legislative rules require the Council to issue a new tender because of those scope changes. This means the negotiations on the EPC contract, which followed the 2019 tender, will not be continued.

The Company intends to participate in the new tender once issued by the Townsville City Council. Based on the Company's detailed design support for the Project provided over the past 2.5 years it has a strong understanding of the Project's requirements and believes it is well positioned to deliver an excellent technical and commercial solution for the client.

FORWARD-LOOKING STATEMENTS

Certain statements in this news release constitute "forward-looking statements" or "forward-looking information" within the meaning of applicable securities laws. Such statements involve known and unknown risks, uncertainties and other factors, which may cause actual results, performance or achievements of the Company or industry results, to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements or information. Such statements can be identified using words such as "may", "would", "could", "will", "intend", "expect", "believe", "plan", "anticipate", "estimate", "scheduled", "forecast", "predict" and other similar terminology, or state that certain actions, events or results "may", "could", "would", "might" or "will" be taken, occur or be achieved. These statements reflect the Company's current expectations regarding future events, performance, and results, and speak only

as of the date of this new release. Readers are cautioned not to place undue reliance on forward-looking information or statements.

Although the forward-looking statements contained in this news release are based upon what management of the Company believes are reasonable assumptions, the Company cannot assure investors that actual results will be consistent with these forward-looking statements. These forward-looking statements are made as of the date of this news release and are expressly qualified in their entirety by this cautionary statement. Subject to applicable securities laws, the Company does not assume any obligation to update or revise the forward-looking statements contained herein to reflect events or circumstances occurring after the date of this news release.
