Dear Jon

**Request for a trading halt**

Traffic Technologies Ltd ACN 080 415 407 (ASX: TTI) (the **Company**), requests that the Company's securities be placed into trading halt with immediate effect.

Pursuant to ASX Listing Rule 17.1, the Company requests the trading halt in order to finalise arrangements around a potential placement of shortfall arising under the Company's Rights Issue (announced on 11 November 2021), which the Company is not in a position to announce to the market at present.

We anticipate that the trading halt will be required until no later than 10am on Friday 10 December 2021. An announcement will be made to the market prior to that time which will clarify the above. The Company is not aware of any reason why the trading halt should not be granted by the ASX.

Please contact me should you have any questions.

Yours faithfully

Peter Crafter  
Company Secretary
