CSL SUCCESSFULLY COMPLETES A\$6.3 BILLION INSTITUTIONAL PLACEMENT

CSL Limited (ASX:CSL; USOTC:CSLLY) (“CSL”) is pleased to announce the successful completion of its A\$6.3 billion (US\$4.5 billion)¹ institutional placement announced on Tuesday, 14 December 2021 (“Placement”). Proceeds raised under the Placement will contribute to funding CSL’s acquisition of Vifor Pharma Ltd. (“Vifor Pharma”).

The Placement received strong support from existing shareholders and new investors. The Placement price was determined via a bookbuild process and ultimately priced at A\$273.00 per share (“Placement Price”), representing an approximately 8.2% discount to CSL’s closing price of A\$297.27 on Monday, 13 December 2021.

CSL’s Chief Executive Officer and Managing Director, Mr Paul Perreault said “We appreciate the support we received from the investment community, including existing and new shareholders, for what is the largest ever primary equity raise in Australia. We are now pleased to launch our share purchase plan for eligible shareholders on Tuesday, 21 December 2021, and we look forward to delivering on the exciting growth opportunities underpinning the acquisition of Vifor Pharma.”

CSL will issue approximately 23.1 million new shares under the Placement (“Placement Shares”) which will rank equally with existing CSL ordinary shares at their issue date. This represents approximately 5% of the number of CSL shares currently on issue.

Eligible institutional shareholders who bid at the final Placement Price for an amount less than or equal to their pro rata share of Placement Shares were allocated their full bid, on a best endeavours basis².

For the remaining shares under the Placement, CSL sought to prioritise allocations to existing shareholders.

¹ Based on the USD:AUD exchange rate of 1.406 as of 13 December 2021.

² For this purpose, an eligible institutional shareholder’s ‘pro rata’ share of Placement Shares has been estimated by reference to CSL’s beneficial register on Monday, 13 December 2021, but without undertaking any reconciliation processes and ignoring shares that may be issued under the SPP. Unlike in a rights issue, this may not truly reflect the participating shareholder’s actual ‘pro rata’ share of Placement Shares. Nothing in this announcement gives a shareholder a right or entitlement to participate in the Placement and CSL has no obligation to reconcile assumed holdings (e.g. for recent trading or swap positions) when determining a shareholder’s ‘pro rata’ share of Placement Shares. Institutional shareholders who do not reside in Australia or other eligible jurisdictions will not be able to participate in the Placement – see “Appendix D – International Offer Restrictions” in the investor presentation for the eligible jurisdictions and relevant selling restrictions. CSL and the Joint Lead Managers disclaim any duty or liability (including for negligence) in respect of the determination of a shareholder’s ‘pro rata’ share of Placement shares.

Eligible professional and sophisticated shareholders³ who participated in the Placement via their broker were prioritised.

The trading halt is expected to be lifted prior to market open today and settlement of the Placement is expected on Monday, 20 December 2021.

In addition to the Placement, CSL shareholders with a registered address in Australia or New Zealand on CSL's share register at 7:00pm (AEDT) on Monday, 13 December 2021 that are not in the United States ("Eligible Shareholders") will have the opportunity to participate in a non-underwritten SPP, targeting to raise up to A\$750 million (US\$534 million).

Under the SPP, Eligible Shareholders will have the opportunity to apply for up to A\$30,000 of new shares without incurring broker or transaction costs.

The issue price of the new shares under the SPP ("SPP Shares") will be the lower of:

- the Placement Price; and
- a 2.0% discount to the 5-day volume weighted average price ("VWAP") of CSL shares up to and including the closing date of the SPP (currently scheduled for 7 February 2022), rounded to the nearest cent.

Full details of the SPP will be set out in the SPP offer booklet, which is expected to be released to the ASX and made available to Eligible Shareholders on Tuesday, 21 December 2021.
