ASX Announcement Product Purchase Orders from Tritium Pty Ltd

Rectifier Technologies Limited (Company) are pleased to announce that the Company has received product purchase orders from Tritium Pty Ltd totalling approximately 20 million USD for the supply of 35kW high-voltage and high-efficiency modular power supply units for high-powered DC electric vehicle charging. The orders are scheduled to be delivered before the end of 2022 (calendar year) and are binding purchase orders. This marks a significant milestone in the co-operation between both companies which began in 2017 and has since grown from strength to strength.
