About Dart Mining

Dart Mining's (ASX: DTM) objective is in exploring, evaluating and developing several historic goldfields as well as validating a new porphyry province in North East Victoria. The area is prospective for precious, base, battery and other strategic metals. These include Lithium, Gold, Silver, Copper, Molybdenum, Zinc, Tungsten, Tin, Tantalum and other important minerals. Dart Mining has built a strategically important gold exploration footprint in the Central and North East regions of Victoria, where historic surface and alluvial gold mining proves the existence of significant gold endowment.
