GO-TO Global Growth Plan

- The acquisition of a controlling stake in Go-To Skincare, which completed 30 September 2021, represents a strategically and financially compelling opportunity for BWX to partner with one of Australia's leading skin care companies comprising the Go-To, Bro-To, and Gro-To brands
- Go-To provides BWX with a complementary and diversified product suite, enhanced D2C channel presence, and expansion into the masstige subcategory – both domestically and internationally

FY22 GROWTH PRIORITIES

- Priority markets identified
- Align operating model for international markets
- Prepare new product launches

FY23 GROWTH PRIORITIES

- On track to realise \$3m synergy upside
- Optimise manufacturing in Clayton facility and enhance margin
- Continuous improvement of NPD and speed to market

CHANNEL EXPANSION

- Unlock scale benefits leveraging BWX's e-commerce capability in new markets outside of Australia
- Leverage BWX's existing retail partnerships to enhance international distribution and economies of scale

MARKET EXPANSION

- Australia
- USA
- UK
- Canada

Outlook – Focusing on Execution

- BWX anticipates strong underlying revenue and EBITDA growth in full-year FY22 with performance weighted to the second half as per previous years, however, BWX continues to closely monitor the external COVID-impacted trading environment
- Q2 revenue momentum has been maintained
- With a simplified growth strategy, BWX is focused on executing against distribution targets across all channels with an expanded brand portfolio, while optimising financial and operational performance through the Clayton Facility
- As always BWX will continue to reinvest cost savings back into our brands to support longer-term value creation for all shareholders

Appendix

Changes to Segment Reporting

- As a result of recent acquisitions, BWX is making a change to its segment reporting to better align with the Group's new organisational structure and strategic direction
- BWX's operating segments are based on the geographic location where the management of the sale originates, as reviewed by the Chief Operating Decision Maker (defined under AASB 8 Operating Segments)
- The new structure comprises the following reportable segments:
 1. **Australia/International**
 2. **Digital**
 3. **United States of America (USA), includes Canada**
- The creation of a new, separate operating segment – Digital – comprises e-commerce platforms Nourished Life and Flora & Fauna (acquired 01/07/21)
- The Australia/International segment will capture results from Go-To Skincare (acquired 30/09/21)
- BWX previously operated within two reportable segments being United States of America (USA) and Australia/International (all other businesses outside of the USA)
- These changes affect only the composition of segment information and will not impact Group earnings previously reported to the market

Global Brand Presence
